**Mockstars** Christopher Russell, 2020-05-14 Four boys One band No Chance Chris and George are best friends and they want to be rockstars Unfortunately a childhood spent playing in the school orchestra and listening to Jimmy Nail has left them a little fluffy around the edges and at the age of 23 their acoustic duo Satellite doesn t resemble Bon Jovi nearly as much as they d planned So how do two ordinary boys from a sleepy village go about taking on the cut throat world of rock n roll They re just going to have to fake it True to life funny and uplifting Mockstars is a coming of age story about friendship and chasing the rock n roll dream Inspired by the real life tour diaries of the author s band The Lightyears Mockstars is a refreshingly different musical odyssey Praise for Mockstars Very funny Induced three inner chuckles and one belly laugh in just over four minutes Kevin Sampson author of Powder Finally a rock n roll novel that people can properly relate to Ciaran Jeremiah The Feeling Hilarious it s The Inbetweeners meets Spinal Tap Alex Marsh author of Sex Bowls Rock and Roll What readers are saying about Mockstars for all the folk I annoyed the hell out of with explosive laughter and giggling I recommend that you read this in public and get your own back A really honest and amusing account of the camaraderie between the band members A great read funny yet poignant The new Bridget Jones brought to life in a male aspiring rock star from the home counties Littered in equal measure with laugh out loud and hide under the covers did he really write that moments Very very funny book I had to stop reading it on the train as I was in a quiet compartment If Richard Curtis and Douglas Adams got together and wrote a book about a struggling rock band you d get this Fast paced brimming with charm and frankly hilarious I laughed so hard I coughed tea through my nose and nearly ruined my iPad

Dolan,2006 WALDEN tells the tragic and poignant story of Walden XVI a student at University struggling to find his identity Live just one day through Walden s eyes and you ll discover an unforgettable tale of freedom and revolution that is both hilarious and tragic This tightly woven narrative is a journey of discovery that will stop you in your tracks *The colour of divineness* Supriya.c.s.k ,2025-02-11 The colour of divineness speaks about spirituality and humans love on God and how they get something beautiful in return when they are truly devoted *The Manuscript of Skin and Sin* Lenora Vaughn,2025-01-03 Veritas a city cloaked in perpetual twilight whispers secrets in the shadows Within the Grand Athenaeum a labyrinthine library Lenka Navarre a solitary archivist finds solace among forgotten stories But her sanctuary is shattered by the arrival of a single chilling artifact the Manuscript of Skin and Sin Bound in human skin its pages pulse with the city s darkest desires whispering tales of forbidden love insatiable hunger for power and the yearning for another s soul Repulsed yet captivated Lenka finds herself drawn to the Manuscript s chilling allure Its presence awakens a dormant curiosity a yearning for something beyond her predictable existence But as she catalogs its secrets its dark energy seeps into Veritas amplifying the city s obsessions and desires Among those ensnared is Elias Thorne a brilliant historian haunted by a scandal He seeks redemption within the Manuscript

s pages but his scholarly ambition morphs into a dangerous obsession Lenka torn between duty and a burgeoning fascination witnesses the city s escalating spiral of desire her role shifting from detached observer to something far more perilous As she and Elias delve deeper a disturbing truth emerges the Manuscript feeds on the very essence of its readers demanding fragments of their selves as payment Their shared obsession becomes a twisted reflection of Veritas s own insatiable hunger inextricably binding their fates With the Veritas Equinox approaching a festival of absolution the Manuscript demands a far more substantial sacrifice Lenka discovers its ultimate purpose to consume the soul of the city s most powerful individual ushering in an era of complete control And she is the chosen one The Athenaeum transforms into a battleground trapping Lenka between the Manuscript s power and her growing love for Elias She must choose sacrifice herself to save Veritas or embrace her own liberation potentially condemning the man she loves As the Equinox erupts in ritualistic fervor she devises a daring plan using the Manuscript s power against it The truth she discovers is not a weapon but a force that can shatter the Manuscript s hold In a climactic confrontation Lenka chooses neither sacrifice nor condemnation forging a third path one of shared vulnerability and collective defiance Will it be enough to break free from the Manuscript of Skin and Sin and rewrite the fate of Veritas

any psychological illness Despite the extent of the suffering eating disorders and mental health issues are poorly understood in popular culture and are often stigmatized mocked or even glorified because of misconceptions and ignorance over the seriousness of the manner Although the modeling industry has made strides towards body diversity in the past couple of years there is a lack of education and awareness surrounding eating disorders and other mental health issues We believe that through the recent societal trends and improved sharing of information we are beginning to break this paradigm therefore another aim of this book will be to educate the public Washed Away From Darkness to Light will serve as a testimony to others to let them know that they are not alone in their fears doubts and frustrations and that through recovery all things are possible A compelling and educational read about the dark side of the fashion business and its effect on mental health Nikki draws upon her experiences of overcoming a life threatening eating disorder as she navigates through the industry all while wrestling with a broken home life and struggling to discover her inner voice Nikki s story is truly remarkable and will serve as a beacon to anyone who has ever doubted their own intrinsic value I highly recommend Washed Away From Darkness to Light Brian Cuban Attorney Author Shattered Image My Triumph Over Body Dysmorphic Disorder Activist I was truly amazed by her determination to live life I saw a woman that had every reason to quit and remain silent but she chose to break through every obstacle that challenged her I am very grateful that she has taken on the challenge to not only speak about her experience but to fight for change in laws that will empower children and survivors to protect themselves We all need to learn from Nikki and use our voices to create positive change It is no longer okay for the silence to outweigh the tough discussion Ignorance will not stop child sex predators from harming our children Matthew Sandusky Founder Executive Director of Peaceful Hearts Foundation Author Undaunted Breaking My Silence to Overcome the Trauma of Child Sexual Abuse Speaker To endure what DuBose has within her first decade proves more than most could handle in a lifetime yet she looks back at her life with grace and a rare honesty As she takes us through the overly sexualized fashion industry as an international top model she gives the no holds barred account on mental illness rape and eating disorders that our society so desperately needs Neesha Arter Journalist Author Controlled Washed Away From Darkness to Light is an incredible story of one brave woman s perseverance in the face of daunting life circumstances Nikki DuBose details her chilling experiences with an eating disorder childhood sexual abuse alcoholism and drug abuse and how she found the strength to rise above and find recovery This powerful read will inspire those in their own recovery journeys Kristina Saffran Co Founder and Co Executive Director at Project HEAL     Oasis of Imagination Ted Turnau,2023-07-20 What should creative Christian cultural engagement look like Too often it has been marked by political strong arming or fearful withdrawal into the Christian bubble There is another way using our imaginations to plant oases in the desert breathable spaces that refresh challenge and draw together Christians and non Christians alike Oases refresh the soul provoke discussion challenge assumptions and lead the imagination to a new place In Oasis of Imagination Ted Turnau lays out the Biblical mandate for engaging culture and why

Religion and Doctor Who Andrew Crome, James F. McGrath, 2013-11-14 Doctor Who has always contained a rich current of religious themes and ideas In its very first episode it asked how humans rationalize the seemingly supernatural as two snooping schoolteachers refused to accept that the TARDIS was real More recently it has toyed with the mystery of Doctor's real name perhaps an echo of ancient religions and rituals in which knowledge of the secret name of a god angel or demon was thought to grant a mortal power over the entity But why does Doctor Who intersect with religion so often and what do such instances tell us about the society that produces the show and the viewers who engage with it The writers of Religion and Doctor Who Time and Relative Dimensions in Faith attempt to answer these questions through an in

depth analysis of the various treatments of religion throughout every era of the show's history. While the majority of chapters focus on the television show Doctor Who, the authors also look at audio novels and the response of fandom. Their analyses, all written in an accessible but academically thorough style, reveal that examining religion in a long running series such as Doctor Who can contribute to a number of key debates within faith communities and religious history. Most importantly, it provides another way of looking at why Doctor Who continues to inspire, to engage and to excite generations of passionate fans, whatever their position on faith. The contributors are drawn from the UK, the USA and Australia, and their approaches are similarly diverse. Chapters have been written by film scholars and sociologists, theologians and historians, rhetoricians, philosophers and anthropologists. Some write from the perspective of a particular faith or belief, others write from the perspective of no religious belief. All, however, demonstrate a solid knowledge of and affection for the brilliance of Doctor Who.

The Things She Made Anthony St. Clair, 2019-05-24. A shattered weapon. A job undone. A new danger. An ancient hero and an uprooted inventor reunite to deal with an old problem, all the while confronting changes, new fears, and a duty without end. *The Things She Made* is a short story set in Anthony St. Clair's acclaimed Rucksack Universe. The Rucksack Universe series combines alternate history, speculative fiction, myth, adventure, globetrotting, and intrigue, all with well-poured pints of beer. Library Journal says Anthony St. Clair's storytelling has universe-building reminiscent of Terry Pratchett, and readers say they love the Rucksack Universe's unique combination of quirk, wit, travel, and magic.

*Flamingo Feather* Laurens Van Der Post, 2011-09-30. *Flamingo Feather*, which Laurens van der Post dedicated to the fast vanishing Africa of his boyhood, is a story of adventure, unfolded in the great tradition of story-telling. It is the tale of two white hunters, one old, experienced, and wise, one young and resolute, who suspect that something evil is being prepared on a vast scale in their country, and who, with little to guide them, set out to track down its source. In the unfolding of their story, the immense scene of bush, forest, jungle, lake, and mountain, the untamed wildlife and vivid animal beings, and the background mind and culture of the indigenous people in all their archaic reality are evoked as never before. Indeed, so deeply does the story draw on Laurens van der Post's knowledge of the country, so directly does it touch on vital elements in African life, that it carries the conviction of an authentic personal experience. Africa itself lies at the heart of the story, Africa as it has been and as it may yet become.
