**The Cauldrons Quarry** Velvet Vigne, 2015-12-19 In life we are given many choices as well as many paths to follow. However, some of them lead to demise. What is it about the outlandish lies that people tell themselves in order to hide the truth? This book is designed to knock down every barrier wall that keeps people from knowing the truth while learning to take hold of the best that life has to offer. Where truth abounds, so also does much faith abound, and ascension becomes a process. These are more universal truths being made known in the form of impartation from those of a higher ascension and under the direction of God's grace. **The New York Times Book Review**, 1974 **New York Times Saturday Book Review Supplement**, 1974
