Educations Highest Aim Teaching And Learning Through A Spirituality Of Communion:

Education's Highest Aim Michael James, Thomas Masters, Amy Uelmen, 2010 Since A Nation at Risk in 1983 the problem of education in the United States has occupied a prominent space in the media in the halls of government and in the lives of those most involved in schools Through experiences of parents students teachers and administrators who have sought to live out a spirituality of communion Education s Highest Aim examines contemporary education in the light of a way of life rooted in love of neighbor and presents the effects when such a value is lived out across a spectrum of educational milieus

Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

Rekindling Embers of the Soul Miranda Lin, Thomas A. Lucey, 2023-11-01 This edited volume Rekindling Embers of the Soul An Examination of Spirituality Issues Relating to Teacher Education fills the gap in scholarship by providing information about an understudied aspect of teacher education research In an education environment that provides an increasing degree of standardization founded upon corporatized materialist values the concept of spirituality and its importance in shaping the diverse identities of students and teachers becomes neglected This volume offers ten chapters which relate the spirituality to teacher education with regard to theory and research instruction and content Both researchers and teachers will appreciate the insights that it offers

Focolare Thomas Masters, Amy Uelmen, 2011 This marvelous new book shares the captivating stories of a variety of Americans whose lives have been transformed by an encounter with Christ and who find inspiration in the life of the great Chiara Lubich This is an inviting

inspiring and invaluable introduction to one of the great new adventures in the Church today James Martin S J author of *The Jesuit Guide to Almost Everything* *In the Lógos of Love* James Heft, Una M. Cadegan, 2016 This volume brings together scholars of theology history law and media studies of religion who explore the Catholic intellectual tradition from the perspectives of these disciplines Each essay explores both the promise of Catholic intellectual life and its contemporary predicaments Chiara Lubich Maurizio Gentilini, 2020-10-19 The New York Times called Chiara Lubich one of the most influential women in the Catholic Church And she was even more than that Her spirituality has touched millions of people worldwide from different Christian churches religions and cultural backgrounds On the 100th anniversary of her birth this new biography traces Chiara s story and the story of the Focolare Movement during the momentous upheavals in society and in the Church through the twentieth century and into the third millennium This biography aims at presenting Chiara Lubich s life and work from a historical perspective offering the reader a rich and well documented development of facts situations and experiences Gifts from Heaven Tom Hartman, Tom Hartmann, Mary Hartmann, 2012 Those attracted by the way God s Providence works in the daily lives of real people will find Tom and Mary Hartmann s reflections to be priceless pearls of wisdom They describe how God s Providence has consistently pushed to reconsider what it means to truly believe in God s love in both the trials and joys of family life 5 Steps to Effective Student Leadership Dennis Carr, Michael James, Hannah Trost, 2014-05-14 Student affairs best practices rooted in Ignatian Spirituality Catholic Social Teaching and a 21st century understanding of a spirituality of communion Rooting their work in Ignatian Spirituality Catholic Social Teaching student affairs best practices and a 21st century understanding of a spirituality of communion these authors offer a proven resource for the formation of student leaders Each section provides real world examples of how to engage students in effective practices that both teach the individual and build the community Starting from the premise of Reverence the 5 steps build in this way 1 Love everyone Find God in all things 2 Share the other s joy or hurt Be attentive 3 Love your enemy Cura Personalis 4 Be the first to love Be creative companions in service 5 Love one another Be men women for others This resource is inspired by the lives and experiences of actual student leaders with a thorough understanding of student development theory and professional practice **Journal of Moral Theology, Volume 2, Number 2** Christopher P. Vogt, 2013-09-06 The Church and the World Vol 2 no 2 June 2013 The JMT focuses on Catholic moral theology It is concerned with contemporary issues as well as our deeply rooted tradition of inquiry about the moral life JMT s mission is to publish scholarly articles in the field of moral theology as well as theological treatments of related topics in philosophy economics political philosophy and psychology The JMT is sponsored by the Fr James M Forker Professorship of Catholic Social Teaching and the College of Liberal Arts at Mount St Mary s University **The Moral Dynamics of Economic Life** Daniel K. Finn, 2012-04-24 Caritas in veritate Charity in Truth is the social encyclical of Pope Benedict XVI one of many papal encyclicals over the last 120 years that address economic life This volume based on discussions at a symposium co sponsored

by the Institute for Advanced Catholic Studies and the Pontifical Council for Justice and Peace analyzes the situation of the Church and the theological basis for Benedict's thinking about the person community and the globalized economy The Moral Dynamics of Economic Life engages Benedict's analysis of relation the characteristics of contemporary social and economic relationships and the implications of a relational Trinitarian God for daily human life Crucial here is the Pope's notion of reciprocity an economic relationship characterized by help freely given but which forms an expectation that the recipient will reciprocate either to the donor or often to someone else This logic of gift Benedict argues should influence daily economic life especially within what he calls hybrid firms which make a profit and invest a share of that profit in service to needs outside the firm Similarly development whether of an individual or of a nation must be integral neither simply economic nor personal nor psychological nor spiritual but a comprehensive development that engages all dimensions of a flourishing human life The essays written by social scientists theologians policy analysts and others engage extend and critique Benedict's views on these issues as well as his call for deeper dialogue and a morally based transformation of social and economic structures
