This Study Guide gives students a place to test themselves and review the material so they are well prepared for their examinations. NEW THIS EDITION Following the changes to the Effective Police Supervision textbook, this Study Guide has a new title and approach for Chapter 2 Community Oriented Policing and Problem Solving Improving Neighborhood Quality of Life. It has moved the discussion of training into Chapter 9 and has added a new Chapter 16 Homeland Security and Terrorism. A Changing Role Helps the student to grasp key concepts and synthesize the material in a meaningful and applicable way that goes beyond learning by rote. Learning Objectives and Key Terms help the reader to focus on key material as they read the text. Questions and answer keys give the reader the opportunity to measure how well they are grasping the material.

This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, the challenges of dealing with social media, updates on legal considerations, and ways to avoid another controversy like Ferguson, Dallas, or Baltimore.
