fathers and single mothers who want a male's perspective on raising daughters. The book is written for an adult male, i.e. it has short chapters, one to three pages for quick reading and short attention spans. It has 30 chapters and a key take-away message highlighted in each chapter. It is organized both chronologically and by topic. I use actual dialogue I've had with my daughters to keep it light and fun to read, says the author. While writing down the information in this book, it became apparent

that other fathers could probably benefit from this same information When my wife read the book she commented that single mothers would probably buy it to get a man s perspective on raising daughters With these 2 additional objectives in mind I am publishing and promoting the book If you have a daughter s or know someone with a daughter s then this book is a wonderful gift idea It s a new book written from the heart and from the hip by the father of four daughters The author shares his lessons learned real time experiences and recent wisdom on the subject of Raising Daughters The book is entitled A Father s Guide To Raising Daughters Because I Need One The book has 30 tips for raising daughters and is written in a no nonsense net to the point manner Each chapter is one to three pages long It s a quick read with 83 pages Those with short attention spans will love it It also provides mothers especially single moms with a male perspective on Raising Daughters It will alarm arm and amuse readers It makes a great gift for Father s Day birthdays and Christmas It s a low cost high impact gift idea Order NOW
