Seventh Edition** ,1876      The Power of Truth in Perilous Times Marcus E. Drake,2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything      *A Child by Mercy* Brother Timothy,2010-05-04 Sexual orientation has become a heated issue in our society The call for gay rights and the confusion surrounding the church s role in this struggle emulates much of the bewilderment experienced by homosexuals themselves No one understands this better

than Brother Timothy a man who struggled with his sexual identity and endured social anxiety and addiction for years Now a Franciscan Friar with the Ecumenical Franciscan Order Brother Timothy chronicles his extraordinary journey in dealing with his sexual orientation from a difficult childhood through sexual addiction as an adult and finally to the complete surrender of his life to the Lord Written in four parts A Child by Mercy reveals Timothy s personal experiences from childhood through adulthood and then digs deeper into the mechanisms psychology and spiritual aspects of sexual identity In addition Timothy exposes how evangelicals and gay activists have misused key Bible texts to further their agenda and addresses the politically charged issue of same sex orientation and the viewpoints of the traditional church and gay rights activists But above all he presents foundational principles from God that can help anyone overcome addiction if they will expose their complete heart to the Lord A moving declaration of hope and healing A Child by Mercy will draw your heart and soul closer to a radical love for all of God s children through its message of reconciliation     An exposition of the New Testament [from An exposition on the Old and New Testament] with a preface by C.H.
