W. H. Lampe,1975-10-31 The study of the Bible in the West from Jerome and the Fathers to the time of Erasmus **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection

rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

*Ellicott's Bible Commentary* Ellicott, Charles J., Charles J Ellicott Bible Commentary on the Whole for English Readers Volume 3 of 3 Charles Ellicott wrote this exceptional Bible commentary to be used for Pastors and Students It is written to be explained rather than to be technical so that as to reach all English readers Charles Ellicott focuses on the English explanation rather than the Greek and addresses the expository side less than the technical since this does not contain Greek words or terminology Dr Charles Ellicott assembled and edited this commentary utilizing 28 different authors including Rev Payne Smith Rev C J Elliott and Rev C H Waller This is a must have for anyone desiring a greater understanding of the Bible as a whole The scripture and commentary are on the same page making it easy to read and understand This commentary is one that you will treasure in your library and you will not want to let this one pass you by
