Feminism is...

Feminism And Method Feminism And Method

Nancy Tuana

Feminism And Method Feminism And Method:

Feminism and Methodology Sandra G. Harding, 1987 Appearing in the feminist social science literature from its beginnings are a series of questions about methodology In this collection Sandra Harding interrogates some of the classic essays from the last fifteen years in order to explore the basic and troubling questions about science and social experience gender and politics

Feminism and Method Nancy A. Naples, 2003 Nancy Naples provides an overview of different theories of feminist methodology linked to Naples experiences of activist research

Feminist Methodology Caroline Ramazanoglu, Janet Holland, 2002-03-13 An accessible clearly explained review of difficult concepts within this arena as well as relevant debates Its strengths are in outlining possible considerations that need to be taken into account when making methodological choices It also clearly explains how these choices impact knowledge production This book would undoubtedly be of considerable use to anyone seeking to understand and get to grips with feminist methodological issues

Feminism and Psychology Who would be a feminist now Contemporary political realism suggests that the essentials of the battle have already been won and the current generation of women entering University is used to seeing feminism presented as old fashioned extreme and unrealistic Challenging such assumptions this important new book argues for the value of empirical investigations of gendered life and brings together the theoretical political and practical aspects of feminist methodology

Feminist Methodology demonstrates how feminist approaches to methodology engage with debates in western philosophy to raise critical questions about knowledge production shows that feminist methodology has a distinctive place in social research guides the reader through the terrain of feminist methodology and clarifies how feminists can claim knowledge of gendered social existence connects abstract issues of theory with issues in fieldwork practice This timely and accessible book will be an essential resource for students in women s studies gender studies sociology cultural studies social anthropology and feminist psychology

Promiscuous Feminist Methodologies in Education Sara Childers, Stephanie Daza, Jeong-eun Rhee, 2016-04-14 The book marks the circulation of the term promiscuous feminist methodology and registers its salience for educational researchers who risk blundering feminist theories and methodologies in chaotic and unbridled ways The sexism embedded in language is what makes the notion of promiscuous feminists gone wild tantalizing though what the book puts forth is how the messy practice of inquiry transgresses any imposed boundaries or assumptions about what counts as research and feminism What can researchers do when we realize that theories are not quite enough to respond to our material experiences with people places practices and policies becoming data As a collection the book provides how various theories researchers put to work get dirty as they are contaminated and re appropriated by other ways of thinking and doing through contexts of messy practices In this way gender cannot simply be gender and promiscuous feminist methodologies are always in the making and already ahead of what we think they are This book was originally published as a special issue of the International Journal of Qualitative Studies in Education

Feminist Methodologies for

Critical Researchers Joey Sprague, 2005-08-31 This brief text on social research methodology teaches students of sociology and related disciplines how standard methods can be adapted toward critical ends by thinking more carefully about the links between epistemology and methodology. Written in a clear, balanced fashion, Joey Sprague's treatment of qualitative and quantitative methods shows that all can be used effectively by progressive researchers. She describes and evaluates a wide array of methodological options for the production of knowledge. Unique to this volume, Sprague avoids the stereotype that tarnishes all quantitative research as inherently anti-feminist, showing through an analysis of model studies how surveys and experimental designs are being used by critical scholars. She traces how the social organization of the academy has produced a bias against feminist methodology and proposes a program to overcome these limitations. Sprague's book will be of value to scholars of many disciplines and an essential text or supplement for methods classes.

Beyond Methodology Mary Margaret Fonow, Judith A. Cook, 1991-04-22 A stellar cast of authors discuss and describe feminist research reflecting the state of feminist discourse in sociology; its high quality makes it a must in sociology and women's studies collections. Choice empowering thought provoking. *Gender Society* a valuable addition to the literature on feminism and method that reveals important discrepancies and shared themes in its chapters. *Contemporary Sociology* In this interdisciplinary collection of articles by internationally recognized feminist scholars, the authors examine efforts to apply feminist principles to the research act. Each stage of the research process is examined from sampling techniques to mass media packaging and marketing of feminist research. The essays address both abstract philosophical questions and the more practical ways theories are translated into feminist inquiry.

Feminist Methodology Caroline Ramazanoglu, Janet Holland, 2002-03-13 An accessible, clearly explained review of difficult concepts within this arena as well as relevant debates. Its strengths are in outlining possible considerations that need to be taken into account when making methodological choices. It also clearly explains how these choices impact knowledge production. This book would undoubtedly be of considerable use to anyone seeking to understand and get to grips with feminist methodological issues. *Feminism and Psychology* Who would be a feminist now? Contemporary political realism suggests that the essentials of the battle have already been won and the current generation of women entering University is used to seeing feminism presented as old-fashioned, extreme and unrealistic. Challenging such assumptions, this important new book argues for the value of empirical investigations of gendered life and brings together the theoretical, political and practical aspects of feminist methodology. *Feminist Methodology* demonstrates how feminist approaches to methodology engage with debates in western philosophy to raise critical questions about knowledge production, shows that feminist methodology has a distinctive place in social research, guides the reader through the terrain of feminist methodology and clarifies how feminists can claim knowledge of gendered social existence, connects abstract issues of theory with issues in fieldwork practice. This timely and accessible book will be an essential resource for students in women's studies, gender studies, sociology, cultural studies, social anthropology and feminist psychology.

The

Effects of Feminist Approaches on Research Methodologies Winnie Tonn, 2006-01-01 The Effects of Feminist Approaches on Research Methodologies is about feminist approaches to research in twelve disciplines The authors look at whether there is something called feminist methodology whether there are several feminist methodologies or whether feminists use existing methodologies from a feminist perspective The answers vary according to individuals and disciplines The anthology shows that feminist perspectives used in any discipline include an interdisciplinary approach Feminist use methods which take into account the effect of social and cultural values on academic research The influence of the social relations of the sexes on research in the sciences social sciences dance and humanities is discussed The aim of feminist research is to overcome the widespread sexism in the selection interpretation and communication of research data by focusing on issues concerning women reinterpreting historical theories reconstitution the meaning of knowledge and communicating new understandings These feminist authors look at the purpose of knowledge and communicating new understandings These feminist authors look at the purpose of knowledge and the issue of whose knowledge is communicated in academic research The methods they use are designed to shed light on otherwise dark areas and to critique those areas of academic knowledge that have been in the spotlight for centuries *Feminist Research in Theory and Practice* Gayle Letherby, 2003-02-16 an extremely welcome addition to the field of feminist research British Journal of Educational Studies This is a clear and accessible exploration of feminist method methodology and epistemology After situating herself and her work Gayle Letherby charts the debates concerned with the epistemological political and practical issues involved in doing feminist research and places the debates within a wider consideration of the status of knowledge The main focus of the book is then the particular and practical issues for feminist researchers It examines how the process of research affects the results of that research and explores the relation between politics and practice in terms of research and knowledge production Throughout the book there is a practical emphasis on specific examples of feminist research in action and as well as summarizing current theoretical debates Gayle Letherby adds to them *Feminist Research in Theory and Practice* is designed and written as a textbook for students at advanced undergraduate and postgraduate level but will be a valuable resource for any researcher or individual interested in women's studies feminism and in researching in the social sciences *Feminist Research Methods* Joyce McCarl Nielsen, 2019-04-02 Feminist inquiry has affected the nature of research in all the social and natural sciences over the past decade but much contemporary writing on feminist methods simply offers a critique of traditional methods This book one of the first to offer a practical guide to conducting research informed by feminist methods is based on the premise that abstract discussion of methodological issues is most meaningful and instructive in conjunction with examples of actual research A comprehensive and far reaching introduction defines feminist research and explains how it differs from traditional methodology in the social and natural sciences In a beautifully clear style Dr Nielsen guides the reader through a number of philosophy of science history of science and sociology of knowledge issues that are fundamental

to understanding the nature of scientific method in its traditional sense and the role of feminist scholarship in the larger intellectual movement that is transforming and redefining scientific methodology Part One presents the best of feminist commentary on both feminist and traditional methods Part Two consists of readings that illustrate particular feminist methods including oral history linguistic analysis feminist anthropology informed by feminist literary criticism and reinterpretation and reanalysis of empirical data from a feminist perspective Substantive issues addressed in the readings include women's suffrage in the United States women as shamans sex differences in suicide rates sex differences in cognitive abilities gender dominance through conversation gender and public policy and public private sphere dichotomies

Feminism and Science Nancy Tuana, 1989-11-22 thoughtful critiques of the myriad issues between women and science Belles Lettres Outstanding collection of essays that raise the fundamental questions of gender in what we have been taught are objective sciences WATERwheel all of the articles are well written informative and convincing Admirable editorial work makes this anthology unusually helpful for scholars and students Highly recommended Choice Questioning the objectivity of scientific inquiry this volume addresses the scope of gender bias in science The contributors examine the ways in which science is affected by and reinforces sexist biases The essays reveal science to be a cultural institution structured by the political social and economic values of the culture within which it is practiced Liberating Method Marjorie L. DeVault, 1999 Liberating Method reflects the conviction that feminist insights can and should contribute to a sounder more rigorous social science In this book one of the leading practitioners and teachers of feminist methodology examines profound questions about traditional and customary practices of social research Marjorie DeVault argues that established methods too often ignore social oppression as she charts her quest for approaches that will more adequately represent marginalized groups Re-Presenting Feminist Methodologies Kalpana Kannabiran, Padmini Swaminathan, 2017-03-16 This book tracks the trajectory of gender in the social sciences and humanities through an exploration of the challenges and contradictions that confront contemporary feminist analysis as well as future directions Drawing on research in India the essays in the volume engage with the subject in imaginative ways each one going beyond documenting the persistence of gender inequality instead raising new questions and dilemmas while unravelling the complexities of the terrain They also interrogate extant knowledge that has constructed women as agentless over the years incapable of contesting or transforming social orders by taking a close look at gendered decision making processes and outcomes sex for pleasure health care practices content and context of formal schooling or the developmental state that mainstreams gender Do existing feminist methodologies enable the understanding of emerging themes as online sexual politics transnational surrogacy or masculinist anti feminist sensibilities The feminist methodologies delineated here will provide readers with a toolkit to assess the criticality of gender as well as its nuances The work foregrounds the importance of intersectionality and builds a case for context specific articulations of gender and societies that destabilize binary universals This volume will be useful to scholars

and researchers across the disciplines of the social sciences and humanities especially gender studies women s studies feminism research methodology education sociology political science and public policy **Feminist Methodologies** Wendy Harcourt,Karijn van den Berg,Constance Dupuis,Jacqueline Gaybor,2022-02-03 This open access book gives insights into feminist methodologies in theory and practice By foregrounding the experiential and embodied nature of doing feminist research this book offers valuable tools for feminist research as a continuous praxis Emerging from a rich collective learning process the collection offers in depth reflections on how feminists shape research questions understand positionality share research results beyond academe and produce feminist intersectional knowledges This book reveals how the authors navigate theory and practice candidly exploring the difficulty of producing knowledge on the edge of academia and activism From different points of view places and disciplinary positions artistic and creative experiments and collaborations the book provides a multi layered analysis This book will be a valuable resource and asset to early career researchers and interdisciplinary feminist students who can learn more about the doing of feminist research from realistic accessible and practical methodological tools and knowledge **Researching Gender Violence** Tina Skinner,Marianne Hester,Ellen Malos,2013-01-11 In this edited collection leading authors in the field draw on their experience to address key methodological questions and challenges that have arisen from the recent proliferation of research projects and government funded initiatives on violence against women Topics include evaluation research and feminist methodology using quantitative and qualitative approaches ethics safety and access in sensitive research interviewing practitioners perpetrators policy makers and survivors including children women and young people utilising discourse analysis to interpret data undertaking cross national and comparative research practical guidelines for practitioners academics wishing to consult with women survivors gearing research to facilitate positive change in policy and practice and using the media for dissemination increased focus on gender related violence politically and academically this book addresses head on the complex methodological issues involved leading experts in the field as contributors **Feminist Methodologies for International Relations** Brooke A. Ackerly,Maria Stern,Jacqui True,2006-06-29 Why is feminist research carried out in international relations IR What are the methodologies and methods that have been developed in order to carry out this research Feminist Methodologies for International Relations offers students and scholars of IR feminism and global politics practical insight into the innovative methodologies and methods that have been developed or adapted from other disciplinary contexts in order to do feminist research for IR Both timely and timeless this volume makes a diverse range of feminist methodological reflections wholly accessible Each of the twelve contributors discusses aspects of the relationships between ontology epistemology methodology and method and how they inform and shape their research This important and original contribution to the field will both guide and stimulate new thinking **Feminist Research In Theory And Practice** Letherby, Gayle,2003-02-01 This is a clear and accessible exploration of feminist method methodology and epistemology After situating herself and her work

Gayle Letherby charts the debates concerned with the epistemological political and practical issues involved in doing feminist research and places the debates within a wider consideration of the status of knowledge The main focus of the book is then the particular and practical issues for feminist researchers It examines how the process of research affects the results of that research and explores the relation between politics and practice in terms of research and knowledge production Throughout the book there is a practical emphasis on specific examples of feminist research in action and as well as summarizing current theoretical debates Gayle Letherby adds to them Back cover

Just Methods Alison M. Jaggar, 2017-09 The supplemented edition of this important reader includes a substantive new introduction by the author on the changing nature of feminist methodology It takes into account the implications of a major new study included for this first time in this book on poverty and gender in equality and it includes an article discussing the ways in which this study was conducted using the research methods put forward by the first edition This article begins by explaining why a new and better poverty metric is needed and why developing such a metric requires an alternative methodological approach inspired by feminism Feminist research is a growing tradition of inquiry that aims to produce knowledge not biased by inequitable assumptions about gender and related categories such as class race religion sexuality and nationality Just Methods is designed for upper level undergraduate and graduate students in a range of disciplines Rather than being concerned with particular techniques of inquiry the interdisciplinary readings in this book address broad questions of research methodology They are designed to help researchers think critically and constructively about the epistemological and ethical implications of various approaches to research selection and research design evidence gathering techniques and publication of results A key theme running through the readings is the complex interrelationship between social power and inequality on the one hand and the production of knowledge on the other A second and related theme is the inseparability of research projects and methodologies from ethical and political values

Just Methods Alison M. Jaggar, 2015-11-17 The supplemented edition of this important reader includes a substantive new introduction by the author on the changing nature of feminist methodology It takes into account the implications of a major new study included for this first time in this book on poverty and gender in equality and it includes an article discussing the ways in which this study was conducted using the research methods put forward by the first edition This article begins by explaining why a new and better poverty metric is needed and why developing such a metric requires an alternative methodological approach inspired by feminism Feminist research is a growing tradition of inquiry that aims to produce knowledge not biased by inequitable assumptions about gender and related categories such as class race religion sexuality and nationality Just Methods is designed for upper level undergraduate and graduate students in a range of disciplines Rather than being concerned with particular techniques of inquiry the interdisciplinary readings in this book address broad questions of research methodology They are designed to help researchers think critically and constructively about the epistemological and ethical implications of various approaches to

research selection and research design evidence gathering techniques and publication of results A key theme running through the readings is the complex interrelationship between social power and inequality on the one hand and the production of knowledge on the other A second and related theme is the inseparability of research projects and methodologies from ethical and political values *Feminist Methodologies for Critical Researchers* Joey Sprague, 2016-03-16 This accessible text on social research methodology teaches students of sociology and related disciplines how standard methods can be adapted toward critical ends The second edition has been updated throughout to incorporate the latest critical scholarship enhanced discussion of qualitative methods new material on global issues sex sexuality gender new discussion of intersectionality how social media can shape research and more Author Joey Sprague describes and evaluates a wide array of methodological options from quantitative to qualitative and explores the links between epistemology and methodology She proposes a program to overcome bias in standard methodologies and offers practical suggestions that can be used effectively by all progressive researchers The second edition of *Feminist Methodology for Critical Researchers* is of value to scholars across disciplines and an essential text or supplement for methods classes

Feminism And Method Feminism And Method Introduction

In the digital age, access to information has become easier than ever before. The ability to download Feminism And Method Feminism And Method has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Feminism And Method Feminism And Method has opened up a world of possibilities. Downloading Feminism And Method Feminism And Method provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Feminism And Method Feminism And Method has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Feminism And Method Feminism And Method. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Feminism And Method Feminism And Method. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Feminism And Method Feminism And Method, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Feminism And Method Feminism And Method

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Feminism And Method Feminism And Method Books

What is a Feminism And Method Feminism And Method PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Feminism And Method Feminism And Method PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Feminism And Method Feminism And Method PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Feminism And Method Feminism And Method PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Feminism And Method Feminism And Method PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
