Achievement Testing Prep Guide CAT Level 3 for Grade 5

Introduction

This guide is intended to provide to the reader additional information which will aid in preparing for administration of the California Achievement Test (CAT). Some of this information focuses on the scope of the test and will allow the reader to review with students concepts that will be encountered during the test. Other information within this document describes the specifics of how the CAT is evaluated and tips for maximizing effectiveness of the testing process. This document is intended to be an additional tool available to test administrators to provide students the best possible testing experience. Additional tools available from Academic Excellence are the CAT worksheets and the online practice CAT available at AcademicExcellence.com.

Description of the CAT

The Level 3 CAT for 5th grade contains tests in three essential skills areas: Reading, Mathematics, and Language. These three normed skills areas contain ten normed sections which are administered in eleven units. The following are brief descriptions of the ten normed sections of the CAT battery.
