Concordant Reference Complete Classic Materia Medica:

Concordant Reference Frans Vermeulen, 2015 **Concordant Reference** Frans Vermeulen, 2010-10-01 This book represents an extensive sifting and culling of the classical homeopathic materia medica. Remedy source information has been corrected from the original texts. 1209 remedies are included with more proving symptoms from T F Allen's Encyclopedia to complement the mostly clinical information from Hering. Our lesser known remedies benefit most from Vermeulen's work on Concordant Reference. The book reflects recent changes in homeopathic techniques and scientific knowledge. By improving the accuracy of the original material and adding scientific classification, Concordant Reference uses the classical materia medica to build a solid foundation for the modern practice of homeopathy. Family Information on Plants, Animals, Fungi, Bacteria, and Viruses. Each remedy is broken down into Generals, Mind, Dreams, Body sections, Modalities, Relations, and Causation. Sections on Food and Drink, Heart, Limbs in General, Upper Limbs, and Lower Limbs for easier reference. Also, each section of the body is further divided into Sensations, Pain, and Objective. Sections on Sensation, Mind, and Dream reflect the recent developments in case taking, case analysis, and prescribing that have shown to be so effective for today's homeopath. Concordant Reference is a single volume work of roughly 2,200 pages, beautifully printed and bound to last through years of clinical practice, study, and reference. A Select Homoeopathic Materia Medica Ishwardas Tarkas, Ajit Kulkarni, 2003-08 This practical reference guide answers questions about children's participation in organized sports. Practical, informative, and up to date. New York Medical Journal, 1896 Concordant Materia Medica Frans Vermeulen, 1997

Authored by William Daniel Gentry, this volume meticulously catalogs and indexes the characteristic symptoms associated with various remedies in the homeopathic materia medica. Designed to facilitate accurate remedy selection, the book serves as an invaluable tool for navigating the complexities of homeopathic prescribing. Text-Book of Homeopathic Materia Medica (Classic Reprint) George Royal,2017-07-05 Excerpt from Text Book of Homeopathic Materia Medica Repeat As to the frequency of repetition we are guided by the following rule the remedies which produce symptoms on the healthy in a short period of time repeat at short intervals minutes and hours one which takes a long time to produce symptoms repeat at longer intervals and continue for a longer period of time AS it is impossible to keep the time Of all remedies in mind we give the following put in class I the gases volatile salts and those drugs which act directly upon the nerves class 2 the earthy salts and those drugs which act upon the blood class 3 compounds of the first and second classes to be repeated at medium intervals For auxiliary treatment such as diet exercise rest change of climate we are guided by the modalities Of the drug e G conditions which are worse from motion advise rest etc As to diet there is a sad need Of reliable information Anyone who would write a book on the dietetics of each remedy would bestow a great boon upon the human race The remedies discussed are the polychrests and those Of the others which have been most frequently and successfully used by the author The latter include those which have been most recently proven and come into use NO claim is made for anything newer or better than is found in other text books on materia medica The method Of presenting the Old is not wholly original We have gleaned from all our text books on materia medica but more especially from Allen s Handbook Clark s Dictionary and Boger s Synoptic Key We hope that by following the method of grouping the symptoms in their study
