Handbook for Interpreters in Asylum Procedures UNHCR, Annika Bergunde, Sonja Pöllabauer, Lilian

Hagenlocher, Ursula Stachl-Peier, 2022-04-01 Interpreters play a crucial yet often underestimated role in asylum interviews. They mediate between the asylum seeker and the interviewer who would not be able to communicate without the help of the interpreter. As it is often not possible for applicants to provide written evidence to substantiate their claims, their oral accounts of what has happened to them are usually the sole basis for an official's decision and ultimately a pivotal point in the applicant's life. Given the significant consequences of such decisions during the asylum procedure, interpreters carry a great deal of responsibility both in terms of their professional behaviour and with regard to the quality of interpretation. This handbook, now in its second updated and expanded edition, responds to the need for qualified interpreters in asylum procedures by offering a theoretical insight into a variety of topics relevant to interpreters in the asylum context as well as activities and exercises enabling experiential and interactive learning. It is aimed both at interpreters in asylum procedures who have no formal training and trained interpreters who wish to specialise in the field. In addition, the handbook is intended for facilitators and trainers to use in face-to-face training courses. The handbook is also relevant to asylum authorities and interviewers, providing them with insights into and guidance in working with interpreters. *Note-taking for Consecutive Interpreting* Andrew Gillies, 2017-05-18 Note taking for Consecutive Interpreting: A Short Course is the essential step-by-step guide to the skill of note taking. The system made up of a range of tried and tested techniques is simple to learn, consistent and efficient. Each chapter presents a technique with examples, tasks and exercises. This second edition has been extensively revised throughout, including an updated chapter on speech analysis, new chapters on comparisons and links, revised example speeches and notes, a summary of other authors' note taking guidelines for comparison and reference. Part III: The author uses English throughout, explaining how and where to locate material for other languages, thus providing a sound base for all those working in the areas of conference interpreting and consecutive interpreting in any language combination. This user-friendly guide is a particularly valuable resource for student interpreters, professionals looking to refresh their skills, and interpreter trainers looking for innovative ways of approaching note taking. *Becoming a Translator* Douglas Robinson, 2019-12-06 Fusing theory with advice and information about the practicalities of translating, *Becoming a Translator* is the essential resource for novice and practicing translators. The book explains how the market works, helps translators learn how to translate faster and more accurately, as well as providing invaluable advice and tips about how to deal with potential problems such as stress. The fourth edition has been revised and updated throughout, offering a whole new chapter on multimedia translation with a discussion of the move from intersemiotic translation to audiovisual translation, media access and accessibility studies, new sections on cognitive translation studies, translation technology, online translator communities, crowd-sourced translation and online ethnography, tweetstorms capturing the best advice from top industry professionals on Twitter, student voices especially from Greater China. Including suggestions for discussion activities and hints for the teaching of translation and drawing on detailed advice from top translation professionals, the fourth edition of *Becoming a Translator*.

remains invaluable for students and teachers of Translation Studies as well as those working in the field of translation

Notetaking for Consecutive Interpreting Andrew Gillies, 2014-07-16 Aimed at students of conference interpreting whether on university and professional training courses or self learners Note Taking for Consecutive Interpreting A short Course offers future interpreters a step by step guide to the skill of note taking which forms an essential part of consecutive interpreting The system proposed made up of a range of tried and tested techniques is simple to learn consistent and efficient This is a book which can be read at one sitting but is designed to be worked through over a number of months Each chapter presents a technique together with examples tasks and exercises for the reader to complete true to the motto learning by doing The book uses English throughout explaining how and where to locate material for other languages It thus constitutes a course which offers student interpreters in any language combination a sound and adaptable base on which to build as they develop their skills It will also be a valuable resource for interpreter trainers looking for innovative ways of approaching this core element of interpreter competence

Ethics and the Curriculum Mona Baker, Carol Maier, 2014-07-04 First Published in 2011 This special issue of The Interpreter and Translator Trainer provides a forum for reflection on questions of ethics in the context of translator and interpreter education Covering a wide range of training contexts and types of translation and interpreting contributors call for a radically altered view of the relationship between ethics and the translating and interpreting profession a relationship in which ethical decisions can rarely if ever be made a priori but must be understood and taught as an integral and challenging element of one's work
