Evaluating E Participation Frameworks Administration Information:

Evaluating e-Participation Georg Aichholzer, Herbert Kubicek, Lourdes Torres, 2015-12-31 There is a widely acknowledged evaluation gap in the field of e participation practice and research a lack of systematic evaluation with regard to process organization outcome and impacts This book addresses the state of the art of e participation research and the existing evaluation gap by reviewing various evaluation approaches and providing a multidisciplinary concept for evaluating the output outcome and impact of citizen participation via the Internet as well as via traditional media It offers new knowledge based on empirical results of its application tailored to different forms and levels of e participation in an international comparative perspective The book will advance the academic study and practical application of e participation through fresh insights largely drawing on theoretical arguments and empirical research results gained in the European collaborative project e2democracy It applies the same research instruments to a set of similar citizen participation processes in seven local communities in three countries Austria Germany and Spain The generic evaluation framework has been tailored to a tested toolset and the presentation and discussion of related evaluation results aims at clarifying to what extent these tools can be applied to other consultation and collaboration processes making the book of interest to policymakers and scholars alike

ECDG 2018 18th European Conference on Digital Government Ramon Bouzas-Lorenzo, Andres Cernadas Ramos, 2018-10-25 The European Conference on e Government has been running now for 18 years This event has been held in Italy Ireland Belgium UK Slovenia to mention a few of the countries who have hosted it This year we are refocusing the conference to look more broadly at the area of Digital Government The conference is generally attended by participants from more than 40 countries and attracts an interesting combination of academic scholars public sector workers and individuals who are engaged in various aspects of Digital Government research and application **Public Affairs and**

Administration: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2015-05-31 Effective administration of government and governmental organizations is a crucial part of achieving success in those organizations To develop and implement best practices policymakers and leaders must first understand the fundamental tenants and recent advances in public administration Public Affairs and Administration Concepts Methodologies Tools and Applications explores the concept of governmental management public policy and politics at all levels of organizational governance With chapters on topics ranging from privacy and surveillance to the impact of new media on political participation this multi volume reference work is an important resource for policymakers government officials and academicians and students of political science **Electronic Government and Electronic Participation** E. Tambouris, H.J. Scholl, M.F.W.H.A. Janssen, 2015-08-24 Electronic government and electronic participation continue to transform the public sector and society worldwide and are constantly being transformed themselves by emerging information and communication technologies This book presents papers from the 14th International Federation for Information Processing s EGOV

conference IFIP EGOV 2015 and its sister conference the 7th Electronic Participation ePart conference held in Thessaloniki Greece in August and September 2015 with the support and sponsorship of the University of Macedonia Through the years both of these conferences have established themselves as leading scientific events in their field providing a forum for scholars to present and discuss their work Included here are 31 accepted ongoing research papers grouped under the following headings eParticipation policy modeling open government and smart cities general e government and e government services as well as 6 Ph D colloquium papers 5 accepted posters and 3 workshops With their combination of scientific credibility and rigor and with high relevance to practice the papers presented here will be of interest to all those whose work involves electronic government and electronic participation

Electronic Participation Ann Macintosh, Efthimios Tambouris, 2009-08-17 This book constitutes the refereed proceedings of the First International Conference on eParticipation ePart 2009 held in Linz Austria in August September 2009 The 16 revised full papers were carefully reviewed and selected from numerous submissions The papers consider future multi disciplinary research direction examine the potential contribution of social networking sites to political engagement provide evaluation frameworks for both eParticipation policy and specific projects and those that describe emerging tools and techniques with which to conduct and analyse eParticipation

Teaching Research Methods in Public Administration Schwester, Richard W., 2015-02-28 While there are many ways to collect information many students have trouble understanding how to employ various research methods effectively Since everyone learns and processes information differently instructing students on successfully using these methods continues to be a challenge Teaching Research Methods in Public Administration combines empirical research and best practices on various research methods being employed by administrators Emphasizing theoretical concepts this publication is an essential reference source for academics public administration practitioners and students interested in how information is gathered processed and utilized

Electronic Government and Electronic Participation M.F.W.H.A. Janssen, F. Bannister, O. Glassey, 2014-08-19 Electronic media and ICT have become indispensable in the fields of public governance policy making and public service provision E government research demonstrates its relevance to practice influencing and shaping government strategies and implementations The way in which technology can enable and enhance public participation in government is of particular importance This book presents the proceedings of the ongoing research of the IFIP EGOV and ePart conferences jointly held at Trinity College Dublin Ireland in September 2014 Included are 24 ongoing research papers case studies and posters from the EGOV conference grouped into the sections stakeholders and participation open data and interoperability ICT enabled policy making services design architecture and processes and evaluation and public values From the ePart conference 5 ongoing research papers are included The book also includes workshops from both conferences IFIP EGOV and ePart bring together the scientific research community in e government from all over the world and this book will be of interest to all those involved in public governance and service provision

Electronic

Government and Electronic Participation H.J. Scholl, O. Glassey, M.F.W.H.A. Janssen, 2016-08-30 ICT e government and electronic participation have become increasingly important in the public sector and the social sphere in recent years This book presents 53 of the papers accepted for the dual IFIP EGOV ePart conference 2016 which took place in Guimarães Portugal in September 2016 This conference which consisted of five partially intersecting tracks presented advances in the socio technological domain of the public sphere demonstrating cutting edge concepts methods and styles of investigation by multiple disciplines The conference has been a premier academic forum for over 15 years and has a worldwide reputation as one of the top two conferences in the research domains of electronic open and smart government policy and electronic participation The papers in this joint proceedings of the 2016 IFIP EGOV ePart conference comprise accepted submissions from all categories and all tracks with the exception of some 38 papers which are published separately The book is divided into 9 sections eParticipation e Government Evaluation Open Data and Open Government Governance Smart Cities e Government Implementation and Adoption Ph D Colloquium Papers Posters and Workshops Offering a comprehensive overview of research and practice on electronic government and electronic participation this book will be of interest to all those involved in the socio technological domain of the public sphere **Electronic Participation** Maria A.
