*Faith Among the Faithless* Mike Cospers,2018-05-08 Encounter a timeless story of evil awakened faith and hope for good in a world where God seems absent Can Christianity survive a secular age Can Christians live without compromise in an increasingly hostile society And what if they ve already given in to that society s vision and values In this revelatory and provocative new book Mike Cospers answers these questions by pointing out the parallels between our world and the story of Esther A tale of sex ego and revenge the book of Esther reveals a world where God seems absent from everyday life a world not unlike our own Far from the gentle cartoon we often hear in Sunday school the story of Esther is a brutal saga of people assimilated into a pluralistic pagan society embracing its standards Yet when threatened with annihilation they find the

courage to turn to God in humility A call to spiritual awakening and to faith in an age of malaise and apathy Faith Among the Faithless is an invitation to remember the faithfulness of God knowing that in dark times as in the days of Esther or our own God may be hidden but he is never absent
