Chronological Digest of the "Documentos Ineditos Del Archivo de Las Indias" Benjamin Maurice Read, 1914

Chronological Digest of the "Documentos Ineditos Del Archivo De Las Indias" (Unedited Documents of the Indies) (Classic Reprint) Benjamin Maurice Read, 2017-10-15 Excerpt from Chronological Digest of the Documentos Ineditos Del Archivo De Las Indias Unedited Documents of the Indies The work is contained in 42 volumes of six pamphlets each volume 33 being a General Index to the first 32 volumes The compilers started the work in chronological order but did not succeed in compiling the documentes in that order strictly speaking because the documents were found scattered among millions of other papers and that was the reason why they were published in the order in which they were found but in so far as it was possible so to do in a semi chronological order I have followed the same method in order to have my Digest conform to the original work thus making it easier for the student to refer to any particular document by merely citing the date and the number of the volume or document where the number and page is not given cite the date About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
