Haunted is a novel made up of twenty three horrifying hilarious and stomach churning stories They re told by people who have answered an ad for a writer s retreat and unwittingly joined a Survivor like scenario where the host withholds heat power and food As the storytellers grow more desperate their tales become more extreme and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight This is one of the most disturbing and outrageous books you ll ever read one that could only come from the mind of Chuck Palahniuk **Adjustment Day** Chuck Palahniuk, 2018-07-05 Politicians have brought the nation to the brink of a third world war in an effort to control the

burgeoning population of young males Working class men dream of burying the elites Professors propound theories that offer students only the bleakest future Into this dyspeptic time a blue black book is launched carrying such wisdom as Imagine there s no God there is no Heaven or Hell there is only your son and his son and his son and the world you leave for them The weak want you to forgo your destiny just as they ve shirked theirs A smile is your best bulletproof vest Are the directives in the Talbott book the secrets to surviving Or are they something else entirely When Adjustment Day arrives it fearlessly makes real the logical conclusion of every separatist fantasy alternative fact and conspiracy theory lurking in the American psyche
