Church Is A Team Sport A Championship Strategy For Doing Ministry Together:

Church Is a Team Sport Jim Putman, 2008-01-01 To win the game you need the whole team Pastor Jim Putman a former wrestler and coach helped his staff build Real Life Ministries into an army of thousands But there was a problem Early on too many sat on the sidelines Not enough wanted a piece of the action His voice was faltering from so many sermons and he teetered on the edge of burnout thanks to the mixed blessing of an enormous but needy flock So he hit his knees Hard God's solution surprised him Putman and his entire leadership team stood before the congregation and gave up They were done carrying the whole load There were too many spiritual babies and they needed mature believers to step up They knew there must be some raw talent hidden in the pews God led them to use a Bible based strategy for ministry revitalization that can help bring your church to the next level Whether you're a burned out leader or someone ready to tackle an active role in your congregation Church Is a Team Sport will lead you to both personal growth and renewed spiritual strength If you're ready to get the whole team in the game this is the playbook that will show you how to make it happen **The Power of Together**

Jim Putman, 2016-06-21 An Invitation to Deeper More Joyful and Rewarding Relationships with God and Others None of us is lovable all of the time People are unreasonable arguments flare feelings are hurt And no one can make us feel worse than those closest to us It's easy to fall into the trap of closing ourselves off in order to protect ourselves rather than opening ourselves up for relationship with each other But think of who Jesus invited into his life and ministry They weren't always lovable Yet he modeled perfect love for us and showed how the mark of a spiritually mature believer was always love In *The Power of Together* pastor and author Jim Putman uncovers the core of true discipleship with an in depth biblical look at how Jesus always invited people into relationship with himself He loved them with God's perfect love and in the process showed everyone around him that the act of following God is the act of extending and receiving love that endures all things *King Jesus and the Beauty of Obedience-Based Discipleship* David Young, 2020-07-28 What does it mean to be a disciple The call of discipleship is more than programs and Bible study In *King Jesus and the Beauty of Obedience Based Discipleship* David Young presents a bold call for obedience based discipleship and argues that it alone is the proper response to the kingship of Jesus Many have wrongly associated obedience with bad theology believing that Jesus demand for obedience is a form of works righteousness or legalism Others simply don't like obedience and resist the demands Jesus makes in calling us to follow him But if we surrender to the kingship of Jesus we will find the life we were designed to live We are accustomed to calling Jesus Savior And we should But until recently many in the Western church have not learned to call Jesus King The kingship of Jesus has implications for how we live We can either rebel against him raising puppet kings and constructing our own kingdoms or we can submit to him in obedience based discipleship Could it be that you are still sitting on the throne of your life treating King Jesus as a mere advisor What would change in your life if you started treating Jesus as nothing short of your King Young unpacks five principles for those who wish to follow Jesus as King Surrender to the authority of King Jesus

Embrace the mission of King Jesus Live immersed in King Jesus Obey the teachings of King Jesus Behold the presence of King Jesus Following these five steps awakens us to a life truly worth living a life of power peace beauty and love This is eternal life that we would know and follow Jesus as King of the Universe and king over our lives After all you don't merely believe in kings You obey them *Assessing Cultural Influences in Worship* Dr. Timothy D. Price III, 2020-10-08 There are emerging cultures and generations at war between traditional and contemporary styles of worship Cultural change is present in society but the circumstances of change differ from generation to generation In 2020 COVID 19 a world pandemic shut down places of worship However pre pandemic many churches had been struggling trying to find their DNA in an evolving society with culture changes COVID 19 has infected and exposed areas of failure in the church Some may have found their way yet others have been left behind and are on life support Leadership of the church must find innovative ways so that the needs of multi generations will be met upon reentry in worship Dr Timothy D Price III provides the answer for the tension anxiety conflict and concern that many Christian churches face today This book provides an in depth project journey that offers life changing applications to help a local church find their individual path in worship This project is the culmination of his Doctoral work that will take all who read through a transformational journey in the life of a church and her community It provides life giving jewels for leaders who need help reviving their church that is on life support *Redeeming The Time* Daryl Poe, 2024-10-08 The Church's immutable mission is to intentionally share Christ's kingdom The believer's divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward *Redeeming the Time* God's CLEAR Path Forward biblically examines Christ's transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ's servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple's relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit *Redeeming the Time* biblically examines Christ's transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward
