John Pulsinelli USN (ret), 2020-11-12 The Politics of Deception Target America addresses the age old subject of deception in politics as it has occurred throughout our nation s history with warnings we have received through scripture and iconic spiritual leaders and others concerning its menacing presence Never has its presence in our domestic and international political environments been so apparent and pervasive

The hostile and polarizing state of those environments is the result of decades of deception corruption influence peddling and espionage to support the infiltration and subversion of our government educational and religious institutions and society It is much more apparent since the 2016 presidential election that we are witnessing a resurgence of the radical Left Their militant secularist and socialist ideology and agenda is being aided and abetted by elements of our own and foreign intelligence services and corrupt establishment career politicians Our nation culture and society are in peril We are currently engaged in an uncivil and unholy war It s a war between starkly different political ideologies and visions of America s future fueled from within and outside our national boundaries by the Bolsheviks Alinsky disciples and revolutionaries of the Left The radical Left with their domestic and international allies are demons of demagoguery and deception and intend on hijacking our presidency democratic electoral process with the heart and soul of America and our wealth and freedoms The ideological battle lines between Right and Left Republican and Democrat are drawn right versus wrong light versus darkness culture of life versus culture of death individualism versus collectivism jobs versus welfare God and family first versus godless me too first spirit of Christ versus spirit of the antichrist American exceptionalism versus American mediocrity rule of law versus lawlessness less government versus more intrusive government The stakes are high the choices clear Choose wisely God bless America

A Lie Too Big to Fail Lisa Pease,2018-12-18 In *A Lie Too Big to Fail* longtime Kennedy researcher of both JFK and RFK Lisa Pease lays out in meticulous detail how witnesses with evidence of conspiracy were silenced by the Los Angeles Police Department how evidence was deliberately altered and in some instances destroyed and how the justice system and the media failed to present the truth of the case to the public Pease reveals how the trial was essentially a sham and how the prosecution did not dare to follow where the evidence led *A Lie Too Big to Fail* asserts the idea that a government can never investigate itself in a crime of this magnitude Was the convicted Sirhan Sirhan a willing participant Or was he a mind controlled assassin It has fallen to independent researchers like Pease to lay out the evidence in a clear and concise manner allowing readers to form their theories about this event Pease places the history of this event in the context of the era and provides shocking overlaps between other high profile murders and attempted murders of the time Lisa Pease goes further than anyone else in proving who likely planned the assassination who the assassination team members were and why Kennedy was deemed such a threat that he had to be taken out before he became President of the United States
