Christs Prophetic Plans A Futuristic Premillennial Primer:

Christ's Prophetic Plans Richard Mayhue, John MacArthur, 2012-02-21 General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ's millennial reign on earth Christ's Prophetic Plans also helps provide the certain validity of God's promises to future Israel and the crucial differences between Israel as a people and a nation and the New Testament church Christ Jesus, the True Israel Brent E. Parker, 2024-01-11 What is the relationship between the nation of Israel Jesus Christ and the church Pastors and theologians come to significantly different conclusions The reigning systems of evangelical theology covenant theology and dispensationalism answer this question by stressing the continuity of the Israel church relationship covenant theology or emphasizing discontinuity dispensationalism In more recent times progressive covenantalism has emerged as a via media between these two theological approaches by providing a different proposal for unpacking the biblical covenants and by highlighting that to rightly understand the people of God in biblical theology the person of Jesus Christ must be the focal point In Christ Jesus the True Israel Brent E Parker presents the case for the importance of typology in this debate arguing that national Israel is a type not unlike other Old Testament types e.g. the sacrificial system the temple etc that reaches its antitypical fulfillment in Jesus Christ Moreover the Israel church relationship is also typological but only through Christ Parker demonstrates that the progressive covenantal approach is a viable system of theology that seeks to preserve what the whole Bible says regarding the people of God from Israel to Christ and from Christ to the church

they believe and why The Jews and the Irrevocable Call of God in Reformed Theology from John Calvin to Thomas Torrance Mark J. Larson, 2025-08-05 There has been confusion in recent years concerning the teaching of classical Reformed thought regarding the Jews Replacement theology alleges that the Jews having rejected Christ are no longer special in the eyes of God Some have erroneously asserted that Calvin tends to supercessionism Due to distinctive hermeneutical commitments there has not been a monolithic Reformed point of view on all the details concerning the Jews in relationship to eschatology Significant Reformed theologians in continuity with early church fathers anticipated the return of the Jews to the land promised in the Abrahamic covenant along with a millennium centered in Jerusalem with Christ as king bringing justice and peace to the nations Calvin with his adherence to a metaphorical reading of Old Testament prophetic passages rejected such a prospect It has been a mainstay of Reformed doctrine however that the Jews have been given an irrevocable call and continue to be loved by God Calvin and his theological descendants have affirmed that the day will come when God will pour out the Spirit of grace upon his ancient people resulting in their national salvation Indeed the heart of God is reflected in every prayer that all Israel may be saved Biblical Theology Andreas J. ROMAN CATHOLICISM Edward D. Andrews, 2025-05-27 For centuries the Roman Catholic Church has claimed to be the one true Church founded by Jesus Christ possessing apostolic authority infallible tradition and salvific power But is this claim rooted in Scripture or has it been built on centuries of religious distortion political domination and doctrinal corruption In this meticulously researched and unapologetically direct work Roman Catholicism A Historical and Theological Refutation of a False Religion Edward D Andrews exposes the true nature of Roman Catholicism using Scripture historical documentation and conservative evangelical theology From the false claim that Peter founded the Church in Rome to the violent suppression of Bible translation the torturing of dissenters clerical sexual abuse counterfeit miracles and doctrinal inventions such as the Mass Purgatory Papal Infallibility and Marian devotion this book lays bare the facts Rome seeks to hide Andrews documents how the Roman Church far from preserving biblical Christianity systematically replaced it with man made tradition and authoritarian hierarchy With precision and clarity he traces the development of Roman Catholic teachings that stand in direct opposition to the inerrant Word of God He challenges believers to test every doctrine by Scripture alone and to reject the seductive call to unity that compromises biblical truth This is not a polemic of bitterness but a call to truth an urgent warning to come out from a system that for centuries has made war against the Word of God and persecuted the people of God For those seeking clarity conviction and a return to the authority of Scripture this book is a necessary and timely resource
