Frequently-Asked Questions in Christian Theology William H. Harrison, 2008-09-11 There are some occupations which tend to be real conversation killers writes William Harrison Being a theologian is not one of them the moment that I mention my work I get tossed a great many difficult questions I have opted to put all of this material into a book This is a book for people who live in today s busy society but want to enter into the rich world of Christian theology The debate between the disciples of God and Richard Dawkins tends to assume a level of basic theological information which many people lack Here are the answers to all those questions that people really do ask about God and evil and the Bible and the Church The conversational format is deliberately accessible it is theology for the general reader This book is not the last word on anything writes the author I hope only that it is the starting word on some very important things for some interested people

Michael Houdmann, 2014-04-03 Salvation is the rich and rewarding theme of more Scripture From beginning to end we see a God who seeks the lost in order to forgive their sins and restore their fellowship According to 1 Peter 1 10 Concerning this salvation the prophets who spoke of the grace that was to come to you searched intently and with the greatest care We should want to know more about it too There is nothing more important than our response to Gods grace Near the end of his life hymn writer John Newton said My memory is nearly gone but I remember two things that I am a great sinner and that Christ is a great Savior It is in fact vital to have a biblical understanding of salvation Questions such as Who can be saved What is the gospel and Why did Jesus have to die are of primary importance Fortunately the Bible answers these questions and many more This book takes one hundred questions about salvation and addresses them with Gods Own Word The Lord the Author of salvation came to seek and to save what was lost Luke 19 10 and He is the

Michael Houdmann, 2015-06-04 There has never been another book like the Bible And there never will be Only the Word of God is living and enduring 1 Peter 1 23 and is more precious than much pure gold Psalm 19 10 Only the Bible is God breathed 2 Timothy 3 16 Being divinely inspired the Holy Bible deserves our full attention reverent study and diligent application God has spoken and His words have been written down preserved and translated for our eternal benefit The Bible answers lifes most important questions but it also raises questions from many quarters From the skeptic Why should I take stories of miracles literally From pastors What is the difference between exeges and eiseges From the neophyte Where is a good place to start reading the Bible From the merely curious What is a shekel Got Questions Ministries has been answering questions about the Bible since 2002 In this book are one hundred of those questions and their Bible based answers May you find this volume helpful in understanding the Book and may you do your best to present yourself to God as one approved a workman who correctly handles the word of truth 2 **FAO** Ray Pritchard, 2001 Pastor Pritchard answers the questions Christians ask from those about detailed theology to straight Bible questions from specific religious doctrine to current controversial issues Put together in an easy to read format this book is for any spiritual seeker who needs a refresher course in the Christian faith **Ouestions about Jesus Christ** S. Michael Houdmann, 2013-06 For centuries the life of Jesus Christ has divided human history into two eras the before and the after Who He is what He said what He did and what was done to Him these are without a doubt among the most dissected discussed and debated subjects ever Jesus fielded many questions Some were from sincere seekers of truth others were from devious manipulators of truth Which is the great commandment in the Law What must I do to inherit eternal life Why do your disciples break the tradition Who gave you this authority Often Jesus answered a question with a question Jesus skill went beyond rhetoric to challenge ideas inflame faith and spur action Jesus asked the rich young ruler Why do you call me good When questioned about taxes Jesus held up a coin and asked Whose likeness and inscription is this Before revealing His divine identity to the disciples He asked them Who do you say I am The answer to that question makes all the difference This book is full of questions about Jesus The answers are based on what Jesus said about Himself and what the Holy Spirit inspired the biblical writers to record Introduction to Christian Theology Bradley Hanson, Students often find introductions to systematic theology too daunting or boring to wade through Here author and teacher Bradley Hanson offers an attractive accessible alternative for undergraduates Hanson draws on 16 years of successful teaching to create exciting and pertinent presentations of major topics illuminate options on key issues and nudge students to formulate a personal stance Questions About the Holy Spirit S. Michael Houdmann, 2013-08-22 Every person in the world has felt the influence of the Holy Spirit at one time or another For some its the conviction of sin and righteousness and judgment John 16 8 For others its the comfort quidance and strength He gives To some the Spirit is as mysterious and unknowable as a night wind passing through the treetops To others He is as close and inviting as a friend across the table But even those who know

the Holy Spirit personally have questions about Him As Oswald Chambers said The Spirit is the first power we practically experience but the last power we come to understand Thats the reason for this book What gifts does the Spirit give How can I be filled with the Spirit Will the Spirit ever leave me Weve received all these questions and more since GotQuestions org was founded in 2002 To find the answers we opened the Bible the one book inspired by the Holy Spirit Himself In searching the Scriptures we learn of the Spirits nature His work and His will May the Holy Spirit use the guestions and answers in this volume to increase your awareness of His presence encourage your heart and empower your faith **Christian Education** George Thomas Kurian, Mark A. Protestant churches to avoid explicit discussion of difficult issues This book challenges churches to consider how they might resist the avoidance of suffering through the practice of lament The insights provided by this book will be of particular interest to scholars of Religious Studies Practical Theology Secularism and Atheism Non religion The Process Perspective John B. S. Michael Houdmann, 2014-04-24 Everyone has questions Young children ask why Teenagers ask why not Adults sometimes lament what if The God who created us and who loves us has given us the answers to life s most pressing questions in His Word Yet many people have no idea that God has the answers and has made them available in the Bible Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship you can be sure it has been asked and answered already on www GotQuestions org the source for this book Sadly many individuals and ministries who offer advice are not biblically and theologically solid That s why Got Questions is crucially needed a resource that answers questions explicitly from a biblical perspective with solid evangelical theology Written in an easy to understand format and organized in easy to follow sections Got Questions will help readers find the answers to the most frequently asked questions regarding spiritual matters. The questions were asked by real people struggling through real life issues who received solid practical answers from the Bible The articles in this volume are compiled from the more than 3 800 frequently asked guestions on our website which are read over 7 million times each month Some of the articles have been translated into 150 languages Many books present teaching in a question

and answer format but few have delved into the questions that people are actually asking Having received and answered more than 380 000 questions Got Ouestions Ministries has a unique understanding of what questions are truly on people s God, Purpose, and Reality John Christopher Bishop, Kenneth J. Perszyk, 2023 John Bishop and Ken Perszyk arque minds that it is reasonable to reject the standard conception of a personal omniGod They present an alternative view euteleology reality is inherently purposive and the universe exists ultimately because its overall end which is the supreme good is made General History of the Christian Religion and Church August Neander, 1871 concretely real within it **Inequality in the Ordained Ministry of the Church of England** Alex D.J. Fry, 2023-09-14 This book offers a fresh social scientific analysis of how theologically conservative male clergy respond to the ordination of women to the priesthood and their consecration as bishops within the Church of England The question of women's place in the formal structures of England's Established Church remains contested For many to prevent women from occupying such offices is often understood to be a matter of inequality whereas those who oppose their ordination see it as a matter of obedience to God s will Tensions have become heightened in a culture that increasingly promotes the rights of individuals who have historically been marginalised and that challenges traditional social roles This volume explores the gender attitudes held by clergy in the Anglo Catholic and evangelical traditions of the Church and considers how these gender attitudes shape the way they think about women's ordination and how they interact with female colleagues It also considers the contribution of a range of social phenomena to the formation of these gender attitudes The author draws on and develops a variety of sociological and psychological theories that help to explain the processes that lead to the formation of clergy attitudes towards gender more You Never Step into the Same Pulpit Twice Ronald J. Allen, 2022-06-23 This volume develops an approach to broadly preaching that brings together two important forces One is process theology and the other is a homiletic of conversation based on mutual critical correlation In this approach the preacher does not unilaterally announce the Word of God but is the leader of an exciting conversation involving the biblical text process theology the congregation and voices from the larger world The preacher seeks to help the congregation identify God's invitations towards inclusive well being and to imagine how to respond in ways that are consistent with those invitations that promote inclusive well being The book begins with a crisp and clear summary of the worldview of process theology highlighting its distinctive views on how God operates in the world through invitation and on the interrelationship of all things The work then outlines an approach to biblical exegesis informed by process perspectives and sketches a method for bringing the biblical voice into dialogue with voices from tradition contemporary theology and the congregation and preacher The volume suggests shaping the sermon to honor process theology and conversation The volume concludes by noticing how perspectives from process and conversation help the preacher embody the sermon in engaging ways Handbook of Whiteheadian Process Thought Michel Weber, 2013-04-30 Gathering 115 entries written by 101 internationally renowned experts in their fields the Handbook of
