Cars, clothing, collectibles, you name it, and it's likely that you can find it on eBay. But along with the vast selection of goods available, buyers and sellers also encounter all the other elements that markets are known for: tricks and swindlers, overpriced goods, deceptive labeling, small print, recycled items marked as new, and the occasional rare, priceless find or undiscovered treasure. Seasoned eBay traders know that to successfully buy and sell within this mega shopping platform, you need to understand the system. Unfortunately, the secrets of the site are often tightly held by other buyers and sellers seeking a competitive edge. But what if you're a newcomer?
