The patterns and fabrics of American knitting are an intricate and intimate part of the nation's history, reflecting the styles and the interests, the concerns and the comforts that touched every homebody, every newborn and newlywed, every homesick patriot in the field. This is the history that *Knitting America* celebrates. With vintage patterns and designs typical of each era, *Knitting America* comprises a knitted history of American society. Here are the trends and the shortages, the historical happenings and the social movements, the advertising and economic developments that affected knitting and style.
