From Mourning to Praise Douglas Knox,2017-07-17 From Mourning to Praise approaches the subject of suffering and loss the way the Bible approaches it with honesty Regardless of how our experiences differ you can know that God continues to love you and care for you The purpose of this book is to show you how to plead your case before God during suffering It will teach you how to seek Gods face in your dark hours Then when God brings you to a place where you begin to discern his deeper work in your life it will teach you how to offer meaningful praise for what he has taught you Finally it will introduce you to one of the greatest blessings of suffering the opportunity to reach out to others who

experience suffering or loss Here are some of the points that this book affirms God cares when you suffer God is with you when you suffer The Bible gives you permission to throw aside your happy mask when you suffer You have a right to complain about injustice and plead to God for justice You have the freedom to be angry with Godout loud God uses suffering to produce growth and character depth Suffering produces deeper character than any pleasure can produce Worship from a position of suffering can be far more meaningful than worship that is always happy Drawing on the reality from the book of Job the Psalms and from the New Testament From Mourning to Praise invites you to grieve Gods way while you wait for his My Inaugural Address at the Great White Throne Judgment of the Dead Alvin Miller, 2011-12-03 An unusual perspective on current End Times events as prophesied in the Book of Revelation including the Rapture and the Rungs of Disclosure L. A. Marzulli, 2024-10-15 Is this the coming Tribulation updated and expanded to over 600 pages Great Deception By the end of this book you will reveal the truth about extraterrestrial presences on earth that they are real burgeoning and not going away You also will understand what the Biblical perspective on this phenomenon is and is not They ve been here for thousands of years making their presence known in the shadows They might be seen by a lonely motorist on a deserted road late at night or by a frightened and confused husband in the bedroom he is sharing with his wife Perhaps the most disconcerting part of this phenomenon boils down to this question Has the government been aware of their presence all along and is covertly working with them toward some secret end In Rungs of Disclosure what once was fringe is now reality While reading you ll meet regular people just like you who have encountered something beyond their ability to explain You ll also hear from people of great faith and deep religious belief who continue to have these strange and deeply unsettling encounters L A Marzulli explores these ongoing incidents to discover the answers to these questions Who are they What do they want And why are they here Can you handle the truth Read this book if you dare The Conqueror's Tread Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror's Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more
