

Course Manual For Fto Training For Corrections

Darrell L. Ross

Course Manual For Fto Training For Corrections:

The Post Field Training Program Guide ,1997 The purpose of this guide is to provide a standardized program to guide law enforcement agencies and field training officers FTOs in the initial orientation and field training of newly assigned patrol officers The program is designed to assist these officers in making the transition from what they learned in the academy to performing general law enforcement patrol duties competently in the field The role of the FTO is a critical component of the field training program It is the primary responsibility of the FTO to facilitate this transition process by supervising training and evaluating trainees in the initial application of their previously acquired knowledge and skills

Civil Liability in Criminal Justice Darrell L. Ross,2018-05-24 The increasing litigation against criminal justice practitioners in the United States poses a significant problem for law enforcement and other personnel Law enforcement and corrections professionals need to have a working knowledge of both criminal law and the civil law process to ensure that they are performing their duties within the limits of the law Civil Liability in Criminal Justice 7th Edition provides valuable information and recommendations to current and future officers and correctional system employees introducing them to civil liability and federal law as well as recommending strategies that can be taken to minimize risks Civil Liability in Criminal Justice is unique in its combination of applicable case law and related liability research while still providing an overview of current case law in high liability areas This new edition revised to include up to date United States Supreme Court cases including liability trends on the use of force arrest related deaths custodial suicides in detention qualified immunity and the outcomes of the Department of Justice and the application of Section 14141 additional context for liability issues and extended coverage of collective bargaining and public perception is a valuable resource for enhancing student knowledge and practitioner job performance The text is suitable for undergraduate and graduate courses in Criminal Justice programs as well as for in service and academy training Ross offers an engaging accessible introduction to this aspect of the US criminal justice system

FIELD TRAINING POLICE RECRUITS James T. Haider,1990-01-01 This may be the most easily read and useful book on the Field Training Program It will introduce the reader to the Field Training Officer from this author who is uniquely qualified with a varied substantial background as a field trainer and with extensive teaching experience in managing the FFO program Here are the best ideas of many agencies blended together to accommodate an individual department's needs The experienced Field Training Officer will use this book as a tool and the law enforcement executive will have here a guide and source of information for change and improvement The reader will share the successes of others for the betterment of the police service
