Covenant Relationships A More Excellent Way Paperback:

Covenant Relationships Keith Intrater, 1989-01-01 *Covenant Relationships* Keith Intrater, 1989-01-01 This is a handbook on the biblical principles of integrity and loyalty It lays important foundations for congregational health and right spiritual attitudes Topics include relationships the meaning of life how a blood covenant works financial accountability and more *The More Excellent Way* ,2006-10 This book investigates why unlike in the early centuries the ethical behavior of Christians today is so little different from that of non Christians It does this by first reviewing the teachings of Jesus about how Christians are to live and the positive response of early Christians to these teachings The major portion of the book then documents how the rise of asceticism and the proliferation of church law came to eclipse Jesus teachings of serving others through unselfish love It reviews how Chrysostom Augustine Luther and others tried to return the church to the New Testament way of life The book reaches two conclusions Christians today prefer to live by only avoiding the gross evils forbidden by the Ten Commandments rather than by Jesus all inclusive New Commandment of loving one another as he loved us They are also willing to offer God the piety of churchly activity but what God also asks a life of goodness serving one s fellowman they feel is just asking too much **Validating Committed Partnerships: a Still More Excellent Way** Jim Bowden, 2012-12-21 Although written from a biblical Christian perspective this books theme has practical value for everyone It presents a new relational paradigm supported by love justice mutuality and other spiritual qualities The author believes scripture teaches that all human beings are created to live in fulfilling relationships even those who are homosexual People of faith family however nearly 50% of American citizens and church members do not support legalizing same gender marriage This historical perspective on marriage reveals marriage has experienced considerable positive change and practice during the past 75 years and needs to be redefined Until the 20th century procreation be fruitful and multiply was marriages major purpose While procreation remains important mutuality has become the major emphasis As written in Genesis 2 18 NRSV God sought a partner for the man In many marriages partnership has replaced patriarchy providing an enriching relational experience in family life The author presents a new relational paradigm which includes both heterosexual and homosexual couples seeking a lifelong committed relationship Marriage of male and female and the union of same gender couples will share the title partnership safeguarded by the same legal standards For male and female their title will be a marital partnership for same gender couples their title will be a same gender partnership **Queer Inclusion in the United Methodist Church** Amanda Udis-Kessler, 2012-02-27 The United Methodist Church has been in conflict over lesbian gay bisexual transgender inclusion issues since 1972 That year in response to the gay liberation and gay rights movements wording was added to the UMC Book of Discipline the compilation of denominational policies and doctrines characterizing homosexuality as incompatible with Christian teaching Since then United Methodist ministers have been forbidden to perform same sex commitment ceremonies and United Methodist churches forbidden to host them a rule has been passed

that non heterosexual United Methodist ministers must be celibate and the UMC has forbidden the funding of any program or organization supporting homosexuality These policies have been met with significant resistance by those fighting for GLBT inclusion In this groundbreaking book Udis Kessler examines this struggle analyzing both sides of this divisive debate among one of the most prominent religious organizations in the United States **Rooted in the Land** William Vitek, Wes Jackson, 1996-01-01 This book is dedicated to the notion that human lives are enriched by participation in a social community that is integrated into the natural landscape of a particular place The writers explore the loss of community the philosophical foundations of communities Amish communities and the current renewal of community life *Theology of Work Bible Commentary, 1-volume edition* Theology of Work Project, Inc., 2021-10-05 This Theology of Work Bible Commentary is an in depth Bible study tool put together by a group of biblical scholars pastors and workplace Christians to help you discover what the whole Bible from Genesis to Revelation says about work Business education law service industries medicine government wherever you work in whatever capacity the Scriptures have something to say about it Previously released in a boxed set 5 volume edition this version contains the complete content from that set in a single hardcover volume

Historically arranged, it also addresses five major themes of systematic theology: revelation, God, creation, Jesus, and church.

Moral Visions Courtney S. Campbell, Kelly Sorensen, 2025-09-09 Though used by millions as a guide for how to live one's life, the Book of Mormon's links with contemporary ethics remain largely unexamined. Courtney S. Campbell and Kelly Sorensen edit essays that spotlight and encourage further thought on these connections. Contributors in the first section discuss foundational issues such as the Book of Mormon's moral psychology, its minimalist and covenantal moralities, the nature of the good, and how the good is known; the question of whether value depends on a certain kind of future; the Book of Mormon's strategy for moral persuasion; and God's participation in human choices. In the second section, the essayists turn to everyday ethical questions concerning resistance to forced cultural assimilation, clothing, and dress, authority, and memory. The final chapter further explores practical moral visions. A rich and thought-provoking analysis, *Moral Visions* examines the Book of Mormon through a variety of methods while aiming to deepen understanding of both the text's messages and its potential place in future discussions of ethics. Contributors: Daniel Becerra, Courtney S. Campbell, Ryan Davis, Michael D. K. Ing, Ariel Bybee, Laughton Kimberly Matheson, Rachel Esplin, Odell Kelly Sorensen, Joseph M. Spencer.

A Study of the Book of Hebrews Dennis Dinger, 2012-04-20 This book is a study of the epistle to the Hebrews. Because the human author of this epistle is unknown, we understand it to be a direct communication to us from God. The main subject of this book is the Son of God, the Lord Jesus Christ. Throughout the epistle, He is described in great detail in His many functions: as Son of God, Son of man, Great High Priest after the order of Melchisedec, Savior, Redeemer, and Sustainer of the world.

Theologies of Land K. K. Yeo, Gene L. Green, 2020-12-24 The Crosscurrents series highlights emerging theologies and biblical interpretations from Majority World and minoritized communities. The first volume in the series elaborates theologies of land, a theme often missing or ignored by churches and theologians, especially in the Global North. In this volume, four authors who represent Palestinian, First Nations, Latinx, and South African communities examine the intricate relationship among land, landscape, migration, and identity. Together with a Malaysian Chinese, the authors deliberate on the complex issues arising out of political domination, as well as humanity's conquest and abuse of land that create unjust space, landless people, and the broken landscape of God's creation.

The Quick Reference Guide to the Catholic Bible Mary Ann Getty-Sullivan, 2014-08-01 How many times have you wanted some context and background about a book of the Bible but didn't have the time to wade through a long commentary? *The Quick Reference Guide to the Catholic Bible* is a concise guide that is meant to orient you as you read the various books of the Bible, something you can keep by your side and glance at quickly before going back to your prayer.

Hosea Bo H. Lim, Daniel Castelo, 2015-10-21 In this commentary, Old Testament scholar Bo Lim and theologian Daniel Castelo work together to help the church recover, read, and proclaim the prophetic book

of Hosea in a way that is both faithful to its message and relevant to our contemporary context Though the book of Hosea is rich with imagery and metaphor that can be difficult to interpret Lim and Castelo show that with its focus on corporate and structural sin Hosea contains a critically important message for today's church

The Good Shepherd and the Child: A Joyful Journey Sofia Cavalletti, Patricia Coulter, Gianna Gobbi, Silvana Quattrocchi Montanaro, M.D, Rebekah

Rojcewicz, 2014-07-29 Now revised and updated this foundational text explores the development of the Catechesis of the Good Shepherd since its origins

Dad's Everything Book for Sons John Trent, Greg Johnson, 2003 Short practical suggestions offer fathers ideas to build a quality relationship with their eight to 12 year old sons following the pattern set in Luke 2:52
