Gerrilyn Smith

Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy:

Counselling Adults with Learning Disabilities Sally Hodges, 2017-04-21 The major barrier in the way of competent counselling provision for people with learning disabilities is not the presence of a learning disability but the lack of understanding of the relevance of counselling by potential referrers Sally Hodges has written for a wide range of professionals who work with people with learning disabilities and introduces theoretical concepts in an accessible way by using clinical vignettes to illustrate each point An introduction to theory and some time spent thinking about different life stages personal histories presenting problems and relationship issues will provide an invaluable introduction to the emotional worlds of people with learning disabilities from the Foreword by Sheila Hollins Professor of Psychiatry of Learning Disability St George's Hospital Medical School University of London Counselling Adults with Learning Disabilities draws on a psychodynamic framework to bring together current ideas and thinking in an approachable and practical way Through vivid clinical material and case examples the book creatively illustrates how complex theories can be translated into clinical practice Common problems are tackled and addressed within a lifespan framework with attention given to key issues such as Bereavement Abuse Mental illness Challenging behaviour Sexual relationships Relationships with peers families and staff Additionally given the increasing importance of evidence based practice the book concludes with a review of the literature in the area of learning disabilities and its efficacy SALLY HODGES is a Consultant Clinical Psychologist at the Tavistock Clinic with their Learning Disabilities Service Previously she worked for learning disabilities services in Redbridge and Plymouth

Counselling and Psychotherapy with Older People Paul Terry, 2008-06-17 Building on the success of Working with the Elderly and their Carers this new edition pursues an in depth understanding of therapy with older people A wide range of clinical material and 3 new chapters draw on developments in psychodynamic theory and the author's experience to offer valuable insights for trainees and experienced practitioners

Counselling and Psychotherapy with Children and Adolescents Linda Hopper, 2006-11-07 It is increasingly understood that to counsel children and adolescents effectively requires specialized skills simply adapting techniques developed for adults will not work Drawing on the work of Bowlby Winnicott and others Linda Hopper here gives a brief introduction to the emotional development of young people and shows how play and other creative means can be used to help them to express their inner feelings In a comprehensive overview of the area she also discusses issues of difference and identity the counselling process and ethical issues in counselling children The author's wide experience of working with children and adolescents shines through in vivid case studies covering a range of clients contexts and difficulties Offering a judicious balance of theory and practical discussion Counselling and Psychotherapy with Children and Adolescents focuses on the essential knowledge needed to work therapeutically with children It is thus an ideal foundation text for students undertaking training in child counselling either as part of their initial training or in post qualification professional development

In Therapy Together Peter Rober, 2017-05-24 Families come in

all shapes and sizes and all have love at their roots however by the time a family requests help from a psychotherapist resentment fear and disappointment have often become the dominant forces ruling everyday life Moving away from the medically focused problem diagnosis treatment model of psychotherapy Peter Rober s thought provoking new text conceptualises family therapy as a dialogue between living breathing people it emphasises the mutuality and relational context that serves as the backdrop of a therapeutic encounter whereby family members will interact emotions will be displayed and suppressed and practitioners will need to navigate carefully endeavouring not just to listen but to understand the stories being told Astute and engaging throughout each chapter provides close analysis of a rich variety of case studies combined with an examination of key theories and concepts from different schools of thought in family therapy with a particular focus on dialogical thinking the book explores the ways in which these theoretical concepts can be applied in everyday practice situations Written by a leading expert in the field this insightful new addition to Palgrave s Basic Texts in Counselling and Psychotherapy series provides an accessible exploration of a complex area of practice It will prove invaluable reading for those studying family therapy specifically as well as students taking more general counselling and psychotherapy courses and practitioners looking for a fresh source of guidance

Supervision in Counselling and Psychotherapy Liz Omand, 2009-08-14 Supervision is essential for counsellors and psychotherapists but it can create emotional pressures and practical dilemmas This book offers a sympathetic introduction to supervision that helps the reader to think through these complex issues Rooted in the psychodynamic tradition this book provides the reader with a sophisticated understanding of theory whilst exploring the principles that underpin good practice The text gives useful insights into the conflicts and possibilities offered by supervision to both supervisor and supervisee Drawing on case studies taken directly from the author s own experience the individual chapters consider issues in a variety of settings from group supervision and supervising in institutions to working with difference and supervising those with clients in crisis Thought provoking and enjoyable to read this book encourages the reader to reflect on their own practice It is an ideal text for those beginning to supervise as well as for experienced practitioners looking to refresh their knowledge and skills

An Introduction to Groupwork Bill Barnes, Sheila Ernst, Keith Hyde, 2017-03-14 Building on the individual s personal experience of groups starting in the family the authors offer an account of why things happen as they do in groups providing a basis for developing groupwork in a wide range of settings rooted in an understanding of the interaction between individual and group processes Particular attention is paid in the group analytic approach to the social cultural and institutional context within and outside the group This book can be used both as a text for courses and to lead the therapist or group worker through the stages of establishing and conducting a group appropriate to the needs of the particular clients residents or patients

Music Therapy with Adults with Learning Disabilities Tessa Watson, 2007-05-07 Music Therapy with Adults with Learning Disabilities explores how music therapists work in partnership with people with learning disabilities to encourage

independence and empowerment and to address a wide variety of everyday issues and difficulties Comprehensive and wide ranging this book describes in detail the role and work of the music therapist with adults with learning disabilities Many clinical examples are used including casework with people with autism asperger s syndrome profound and multiple learning disabilities and a dual diagnosis of learning disability and mental health problems The book also explores issues of team work and collaborative working considering how music therapists and their colleagues can best work together The chapters are grouped into four sections an introduction to current music therapy work and policy in the area clinical work with individuals clinical work with groups and collaborative and team work Guidelines for good practice are also provided This is a thought provoking and topical text for all those involved in work with adults with learning disabilities it is essential reading for music therapists and fellow professionals carers policy makers and students

An Introduction to Psychodynamic

Counselling Laurence Spurling,2017-09-16 This key book in the Basic Texts in Counselling and Psychotherapy series is an authoritative and accessible introduction to psychodynamic counselling and its basic principles The author Laurence Spurling is a leading figure in the discipline and here he examines the underlying psychodynamic approach its main theoretical ideas and principles of practice the techniques associated with it and ways of thinking about the conduct of counselling Looking at two major themes in particular namely the involvement of counsellors working with clients with severe emotional and psychological problems and the influence of organisational settings on counselling work this book is an essential guide for students and practitioners of counselling or psychotherapy along with those from other professions such as nurses and teachers who are called upon to use counselling skills in their work New to this Edition Includes a brand new chapter on developing competence in working with social difference and diversity within the therapeutic relationship Discusses the different phases of counselling work from referral through to the final session and beyond Examines the role of organisational settings in therapists everyday practice providing insight into managing institutional demands Explores the challenges of working with clients with more severe emotional and psychological problems

Psychodynamic

Counselling with Children and Young People Sue Kegerreis,2009-12-18 Introducing key psychodynamic theory concepts and techniques this text examines the challenges and opportunities of counselling adolescents and children The book explores a wide variety of settings and contexts from schools to community projects and mental health services It is an invaluable guide for counsellors and therapists at all levels

Working with Trauma Gerrilyn Smith,2012-11-27 The toxic nature of trauma can make it an overwhelming area of work This book by a recognised expert adopts a systemic perspective focusing on the individual in context Very positively it shows how every level of relationship can contribute to healing and that the meaning of traumatic experiences can be unfrozen and revisited over time

Counselling and Psychotherapy for Families in Times of Illness and Death Jenny Altschuler,2011-12-19 Living with serious illness can have profound emotional effects both on patients themselves and on those close to them With clarity and compassion this text explores the difficulties

and dilemmas those who are ill and their families face offering specific guidelines for the professionals who work with them Building on its successful first edition this text draws on recent developments in research and clinical practice in providing a theoretical and practical framework for working with illness Thoroughly revised in its second edition this book Features new chapters on the cultural constructs of illness working with migrant families illness in later life death and palliative care and supervision Explores issues of working with diversity covering gender class race and sexuality Discusses the impact of working with those facing serious illness on health care professionals offering strategies for reducing the risks of burnout compassion fatigue and secondary traumatisation Written by a recognized expert in the field this innovative and challenging book provides essential insights for professionals working or training to work with those facing illness and death including doctors nurses counsellors psychologists psychotherapists and social workers

Introduction to Systemic and Family Therapy John Hills,2012-12-07 Ideas drawn from family and systemic therapy form the basis of many interventions in mental health and childcare This brief introduction offers an ideal starting point for non specialists and new students keen to develop their skills Taking a step by step experiential approach it explores key concepts in vivid practice context

Positive Dynamics Margaret Henning,2016-02-10 Group work is a common and valuable resource used in many areas from therapy education and training to businesses and commercial organisations At its best group work is rich and productive promoting open and honest communication at its worst it can become a source of failure and hostility In this clear and engaging book Margaret Henning focuses on the concrete practicalities of how to make groups vehicles for success whether in supervision therapy or self development in optimising team function or in achieving specific organisational tasks With a focus on the role of group facilitators she lays out a model of group work based in systemic and narrative techniques generating optimal conditions for groups to achieve success The book will appeal not only to counselling and psychotherapy practitioners and students but to those in social work education and management settings Grounded in a firm psychological basis Positive Dynamics pulls together what is known about creating a best possible group culture and informed by extensive experience describes the principles and techniques for achieving it

Working with Sexual Issues in Psychotherapy Desa Markovic,2017-08-25 Whilst many psychotherapists work skilfully and creatively with the subject of sex the lack of professional support systems such as training and supervision mean that the topic is often still treated as taboo in the psychotherapy room This secretive treatment may increase clients feelings of shame and embarrassment thus mirroring the confusing views on sexuality in society and leading to the onset and development of sexual dysfunctions Bringing the medical perspective of sexology together with systemic psychotherapy informed by social constructionism this timely book seeks to fill the gap in psychotherapy literature research and training by providing a theoretical framework as well as practical guidance for effective therapeutic interventions in working with sex and sexual relationships in clinical practice Exploring topics such as sexual prejudice the significance of sexual diversity and the assessment and treatment of sexual dysfunctions

enriched with a wealth of engaging case studies *Working with Sexual Issues in Psychotherapy* is a fascinating and important read both for students new to this complex topic and for practitioners looking for a comprehensive source of reference

The Personal Is Political Martin Milton, 2017-12-22 Written by an eminent psychologist and psychotherapist this book explores how therapists and counsellors can address the key issues of difference in working with their clients No matter how much the therapist knows how knowledgeable they are or how expert they are they all face the same dilemma their clients are always unique ever changing subjective beings By taking a pluralistic approach and interweaving theory with a range of clinical stories offering insights into specific issues client populations and therapeutic contexts this text will enable readers to develop context sensitive practice It will equally appeal to students newly qualified counsellors and more experienced professionals looking to develop their practice becoming the perfect companion for students and trainees in applied psychology psychotherapy and counselling

Working with Children and Parents through Separation and Divorce Emilia Dowling, Gill Gorell Barnes, 2020-04-28 Supporting children and families through separation and divorce is a major area of concern in contemporary society However it is sometimes hard for those professionals who are helping families to hear the voice of the child in this process Writing from their wide experience as clinicians working with children and families Emilia Dowling and Gill Gorell Barnes set out in this book to address this gap and allow the child to be heard *Working with Children and Parents through Separation and Divorce* combines research with clinical and practical approaches to working with families going through stressful changes linked to separation or divorce Attention is given to the wider context of children's lives with the implications for general practice schools and other services addressed in special chapters A focused approach to divorce related problems that takes each family member's view into account is illustrated Combining individual and family work helps parents to resolve difficulties enabling children troubled by parental separation to progress with their own lives This book is essential reading for front line professionals as well as specialists who encounter children and families going through this life transition in the course of their work

Integrative Psychotherapy in Healthcare Tricia Scott, 2003-11-25 This unique text provides students and practitioners of counselling and psychotherapy with a much needed guide to working integratively in time sensitive and healthcare settings Drawing on the latest research in neuroscience infant studies and human development this innovative text offers an original framework for identifying key therapeutic metaphors to focus and guide the therapeutic process It will be invaluable to any practitioner psychotherapist counsellor psychologist psychiatrist GP health or social care professional who has opportunities to make a professional therapeutic relationship with clients suffering emotional problems

Culturally Competent Therapy Steven Walker, 2005-05-31 This book seeks to liberate and empower practitioners seeking to meet the needs of all the troubled children and young people who come to them for help Walker fills a gap in the available literature by addressing the needs of the changing demographic and ethnic tapestry of contemporary multi cultural societies This book extends classical concepts embodied in psychodynamic and

systemic theory and provides practitioners with contemporary resources that reflect the changing external characteristics of society

Short-Term Psychotherapy Alex Coren, 2020-09-12 This new edition reflects the growing use of short term therapy across a variety of settings Packed with new material on key issues the book explores the therapeutic relationship the length of therapy and the evidence base for various forms of therapy This is key reading for anyone wishing to incorporate a psychodynamic element in their work

Working With Adolescents and Young Adults Stephen Briggs, 2008-09-26 The first edition of this popular book won praise for successfully exploring the inner world of contemporary adolescence The new edition now also examines issues including self harm depression and body image disturbance Drawing on a flexible psychodynamic approach it gives evidence based guidance for both experienced practitioners and students

Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully,

there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy any PDF files. With these platforms, the world of PDF downloads is just a click

away.
