

## NATIONAL PARKS & LAKE SUPERIOR

Reference photos for the Raspberry Island Lighthouse (p. 16)

The lands within the National Park system contain some of the most beautiful places in this country. I've created many prints for the Apostle Islands National Lakeshore and I expect I'll do more for this park and others I've visited around the country.

The only National Park in Wisconsin, the Apostle Islands National Lakeshore, just happens to be at my doorstep. The park had been formed in 1970 and had never been given the WPA treatment. I find the islands

and Lake Superior to be both inspiration and a wonderful niche.

I include Lake Superior in this series because it's such an integral part of the Apostle Islands and my life.
