Daytime Lady Nighttime Whore How To Be A Slut With Class:

Daytime Lady, Nighttime Whore Dawn Whincock, 2015-08-09 Who knew being a sexually active woman would cause a societal uproar Here s the issue with modern American society We expect women to behave themselves to have grace to be a lady Yet we idolize women in the media who exude constant sexuality Porn is everywhere From sexy cheeseburger commercials to risque magazine covers the image of the ideal woman is rarely well clothed And yet typical women women like you and I are patronized if we behave in a way that emulates these sexual Hollywood starlets So where s the line How can we be the inner beautiful SEXy beings that we are while also giving off an essence of well respected dignity that society expects us to Well it s a tough line ladies But it s one we can walk if we want to And this book is about walking that line Balancing on the beam between naughty little girls and high class ladies We can be a bit of both can t we And we should be a bit of both We have every right to attune to our inner Marilyn Monroe and Princess Diana We deserve to be every aspect of our feminine selves

Voyage to the Real World D. Raymond Anderson, 2002-12-16 Dean Harold Weathers has two problems Someone killed his star chemistry professor in his laboratory right on campus no less after filling his nose up with cocaine To make matters worse the suspect list includes Weathers boss Provost John Martin and Professor Linda Harmon chair of the chemistry department Weathers finds a silver lining however when it becomes clear that Lieutenant Annette Trieri head of the investigations unit of the Durango Police Department seems as interested in him as he is in her But this mutual interest is misunderstood by whoever killed the professor because now they are trying to kill Weathers and for good measure Trieri as well Together the couple manages to stay alive while unraveling the chemistry professor s murder and uncovering a second more sinister killing to which Weathers is also connected Campus politics and drug money are a lethal combination in The Dean s Murders
