David Wilkerson Gary Wilkerson, R. S. B. Sawyer, 2014-09-02 How did one man's unshakable faith shape the future of thousands struggling to break free from the grip of addiction poverty and sin Join Gary Wilkerson as he shares a never before seen look at the incredible life and legacy of his father bestselling author and evangelist David Wilkerson This book tells the story of David Wilkerson a man who refused to give up on those on the streets even when they had given up on themselves and who saw in the eyes of drug addicts and gang members what others failed to see the unconditional love of Jesus Christ But who was David Wilkerson When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets he was a skinny 120 pound man After the initial publicity that brought him face to face with some of the most dangerous young men in the city he largely flew under the radar of the media using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence Wilkerson was always the real deal full of passion and conviction not interested in what others said was the right thing to do An evangelist both in America and overseas David authored books that inspired people to be serious about their relationship with Christ His financial generosity reached around the globe providing homes for the destitute and feeding programs for the hungry When he founded the Times Square Church in 1987 his ministry impacted more lives than he ever dreamed possible Throughout David Wilkerson you'll be inspired by The life changing power of faith What it means to trust God wholeheartedly The importance of following your true God given calling David was a man of faith who trusted God would give him what he needed to enter a cruel world a man of conviction who took the dream God gave him and marched forward without ever looking back As you come to know David's story you'll learn to see the world the way he did through the lens of eternity **The Cross and the Switchblade** David Wilkerson, John Sherrill, Elizabeth Sherrill, 2008-04 A minister who left his small town church to go to New York City relates his experiences working with street gang members **For Such a Time as This** Mark Coppenger, 2018-08-31 What do you get when you add a Fortune 500 CEO to a veteran Muppeteer both recently awakened in Christ Steep them in the prophetic preaching of Times Square Church and the story of William Wilberforce Simmer them in the spectacle of moral chaos in the West and the heroics of Anglican archbishops in the Global South Before long you have an inspired array of publications productions gatherings and endowments This is the ongoing legacy of Emmanuel and Camille Kampouris The prophet Zechariah 4:10 assures us that the Lord can use small beginnings for great purposes This book illustrates the way in which seemingly minor divine appointments and providential junctures can open the way to momentous Kingdom effects Some of the junctures were difficult President Nassers theft of the family business in Egypt even tragic the loss of Manos beloved wife Myrto to cancer Others seemed slight and incidental at the time the loan of a book C. spread around the globe touching millions of Roman Catholics and Protestants what is today called the Charismatic Renewal Movement In 2017 this Movement celebrated its 50th Jubilee anniversary in the Roman Catholic Church However Cremeens presents here the never before heard story of that Movement among the Orthodox Churches in North America He recounts the history of this spiritual renewal movement through the first hand accounts and eyewitnesses of Orthodox clergy and laity who testify to their life changing encounters with the Holy Spirit *Urban Ministry Reconsidered* R. An Ordinary Man An Extraordinary God Dr. Ernest S. Martin, 2023-08-02 After retiring as a veterinarian the author had much more time to spend with others so he related stories of many of the experiences in his life He was asked by family friends and others with whom he had shared if he had recorded these stories Ernest never wanted to write his life story but God revealed to him that he should record his experiences and title the book *An Ordinary Man An Extraordinary God* His procrastination to write ended when he had a back fusion with two rods and ten screws which required him to lay on a bone stimulator for four hours a day for six months and during that time he was not able to do any physical work The book would show how God could take a country boy raised on a farm and use him to bring glory to God Explaining how God used him could encourage others who also thought they were nobodies to realize that God could use any person that believed in God and spent time in His Word to walk in the Spirit and be led by the Spirit The book begins just before Ernest received Jesus as his Lord and Savior and continues showing how through His Word the author received the baptism of the Holy Spirit learned

to walk in the Spirit witnessed about God to others prayed the prayer of faith for healing cast out demons and did other works of God His walk with God and how he grew in faith is shared chronologically in the book Now he could understand the groaning of the spirit within a Christian for the day of redemption when he would enter God's presence and be with Jesus for eternity

Angel in White Carol Carnevali, 2020-04-01 Whether you are a new Christian a long time follower of Christ or just someone who is curious about God you will find Angel in White an inspiring and engaging book that you won't want to put down It is a true story about a young woman from the same hometown in western Pennsylvania that David Wilkerson was from and a similar calling to New York City to be a part of Times Square Church the church that he founded there It's a story that takes you through her amazing salvation and the many trials and tribulations she faced in learning to walk with God She learned not only how real God is but how real Satan is and the battle between good and evil for one's soul She also learned how to count the cost and go through the fire suffering severe heartache to be made into a vessel of honor for God trusting that He knows best The main story line is about her call to New York and how a naive country girl faced all of her fears to go to the big city as she felt God was leading Her trips include some gripping moments where the devil tries to steal kill and destroy but God triumphs over and over again as the author learns to hear His voice and trust and obey Him in all things knowing that the life God has for us is bigger and better than anything we can imagine and that truly He gives us life and life more abundantly

Mission of Mercy Nancy Alcorn, 2013 Recounts the author's work with juvenile delinquent girls and investigating abuse cases sharing the principles that have made Mercy Ministries her organization that helps women break free from life controlling issues successful
