Köstenberger, David W. Jones, 2010 This updated edition of Köstenberger and Jones s landmark work tackles the latest debates and cultural challenges to God s plan for marriage and the family and urges a return to a biblical foundation Becoming God's True Woman Nancy DeMoss Wolgemuth, 2008-10-17 A charge to women to recover what the feminist revolution has robbed them of the God given beauty wonder and treasure of their distinctive calling and mission The feminist revolution was supposed to bring women greater fulfillment and freedom Yet women today feel anything but fulfilled and free because they have lost the distinctiveness and richness of their calling as women Now a movement is spreading seeds of hope humility obedience and prayer a call to return to godly womanhood and its truth will resound in the hearts of readers through the powerful messages of Nancy Leigh DeMoss Susan Hunt Mary Kassian Carolyn Mahaney Barbara Hughes P Bunny Wilson and Dorothy Patterson Though each author approaches the subject of godly womanhood differently a thread runs throughout that will instill joy and delight at the greatness of God s created order and the part he wants women to play in his grand redemptive plan Includes a study guide **Sex and the Supremacy of Christ** John Piper, Justin Taylor, 2005-06-14 The Bible has a way of shocking us If Americans could still blush we might blush at the words Rejoice in the wife of your youth a lovely deer a graceful doe Let her breasts fill you at all times with delight be intoxicated always in her love Proverbs 5 18 19 But of course sin always tries to trash God s gifts So we can t just celebrate sex for what God made it to be we have to fight what sin turned it into The contributors to this unique volume encourage you to do both celebrate and struggle This book has something for all men and women married and single from contributors like John Piper C J and Carolyn Mahaney Mark Dever

Al Mohler Carolyn McCulley and others **The Accidental Feminist** Courtney Reissig,2015-05-07 My name is Courtney I am an accidental feminist Although many Christians wouldn't identify themselves as feminists the reality is that the feminist movement has influenced us all in profound ways We unconsciously reflect our culture's ideas related to womanhood rather than what's found in the Bible In this book Courtney Reissig a wife mom and successful writer recounts her journey out of accidental feminism offering wise counsel for Christian women related to relationships body image and more drawing from the Bible rather than culture Whether you're a committed feminist a staunch traditionalist or somewhere in between this book will help you answer the question What does it mean to be a Christian woman You'll discover the joy purpose and importance that are found in God's good design **Healthy American Families** John H. Scanzoni,2010-04-22 This fascinating book compares progressive and more religiously conservative views and their differing impacts on the health of families Rejecting the definition of family promulgated by the Religious Right Healthy American Families A Progressive Alternative to the Religious Right offers an innovative approach to understanding 21st century families Proactive rather than reactive it explores the ways families have changed over the past 200 years and builds on that to elucidate the larger forces that continue to redefine male and female roles and the shape of the modern family unit Part one of the book shows that the Religious Right's claim that a Golden Age of Families existed when our country began is fallacious Instead families have been changing since the days of the Puritans Part two picks up the threads to show how in the wake of those changes most of today's families are healthier than families at the time of our country's founding Healthy families the book asserts spring from a blend of conservative ideals responsibility and accountability and liberal ideals innovation and change The result is responsible change that benefits both the individual and society **The Measure of Success** Carolyn McCulley,Nora Shank,2014 Carolyn and Nora a single business owner and a stay at home mom tackle the stereotypes and one size fits all thinking that have left women struggling to understand how to balance roles in the home and work place for generations
