by the hour Or because their careers have taken off after a succession of high profile cases Or because a baffling shocking serial murder case is threatening to tear Zack s family apart For these two lawyers time is precious because they have just walked into the wrong courtroom at the wrong time where a man is shooting a gun into a crowd that includes Zack s innocent young son But until the last second there s hope While a woman detective desperately races through the city streets to stop a sadistic serial killer while a puzzle of lies madness and brutal manipulation comes together two men are out of time for everything but the truth From the Paperback edition **Duncan's Diary, Birth of a Serial Killer** Christopher C.

Payne,2010-08-13 Duncan is in the throes of a mid life crisis and searching for his own identity His problems seem no different than other men facing the same issues but as he struggles through a divorce and the challenges of co parenting his children Duncan soon realizes that he feels complete inside only when he begins to secretly explore a world of torture and death a world that only he controls Suddenly Duncan s life is no longer normal at all As Duncan deals with his newfound guilty pleasure of destruction and wickedness his diary entries reflect a roller coaster psychological journey Duncan grapples with the ramifications of what he is becoming but at the same time graphically describes the deaths of several of his victims Clearly a man caught between his morals and an evil calling Duncan leads a seemingly typical life during the day but in the dark of night becomes a monster Only one man suspects what Duncan is capable of his best friend Sudhir a detective in the Palo Alto Police Department Despite Duncan s cries for help penned on the pages of his diary he becomes a master at hiding his transformation from the guy next door to a masterful serial killer **Diary of a Serial Killer** Shawn William

Davis,2014-03 He looks like the boy next door He could be the young man dating your daughter or sister He could be the boy who cuts your lawn He considers himself an artist creating twisted art using human canvases Leaving a trail of once beautiful but now shattered female bodies in his wake he always stays one step ahead of the police He is highly organized He is highly motivated He has been operating with impunity for years He does not believe he can be caught And the body count is rising

Rethinking Serial Murder, Spree Killing, and Atrocities Robert Shanafelt,Nathan W. Pino,2014-11-20 Multiple killings by serial or spree killers and the mass violence seen in war crimes and other atrocities have typically been understood as discrete category types which can foster the view that there are fundamentally different kinds of human beings including deviants who are born evil and innately given to sadism or a callous lack of empathy In contrast this book considers the violence of these deviants in terms of larger questions about human violence Therefore in addition to describing the life histories of a sample of individual serial and spree murderers the book includes analysis of macro level phenomena such as genocide mass rape and killing and torture occurring under conditions of war state authorization or political upheaval The chief claim of the book is that given the right combination of factors occurring at different levels of analysis virtually anyone can emerge as a killer or perpetrator of atrocities While it is crucial to understand individual killers in terms of the details of their biographies it is equally crucial to understand political atrocities in terms of the details of their histories and to see that

persons and groups are always the product of complexly interacting assemblage processes **The Video Movie Guide**

 Dawson,2024-09-24 Deeply researched and densely atmospheric a true crime account of a serial killer who acted under cover
 of London s historic environmental catastrophe New York Times Book Review London was still recovering from the
 devastation of World War II when another disaster hit for five long days in December 1952 a killer smog held the city firmly
 in its grip Some twelve thousand people died from the poisonous air But in the chaotic aftermath another killer was stalking
 the streets using the fog as a cloak for his crimes All across London women were going missing Each of them had one thing
 in common they had the misfortune of meeting a quiet unassuming man John Reginald Christie who invited them back to his
 decrepit Notting Hill flat during that dark winter They never left The eventual arrest of the Beast of Rillington Place caused a
 media frenzy were there more bodies buried in the walls under the floorboards in the back garden of this house of horrors
 Was it the fog that had caused Christie to suddenly snap The Great Smog of 1952 remains the deadliest air pollution disaster
 in world history and John Reginald Christie is still one of the most unfathomable serial killers of modern times Journalist Kate
