Metaphor and Imagination in Medieval Jewish Thought Dianna Lynn

Roberts-Zauderer,2019-12-12 This book reveals how Moses ibn Ezra Judah Halevi Moses Maimonides and Shem Tov ibn Falaquera understood metaphor and imagination and their role in the way human beings describe God It demonstrates how these medieval Jewish thinkers engaged with Arabic Aristotelian psychology specifically with regard to imagination and its role in cognition Dianna Lynn Roberts Zauderer reconstructs the process by which metaphoric language is taken up by the imagination and the role of imagination in rational thought If imagination is a necessary component of thinking how is Maimonides idea of pure intellectual thought possible An examination of select passages in the Guide in both Judeo Arabic and translation shows how Maimonides attitude towards imagination develops and how translations contribute to a bifurcation of reason and imagination that does not acknowledge the nuances of the original text Finally the author shows how Falaquera s poetics forges a new direction for thinking about imagination

Singularity and Transnational Poetics

Birgit Mara Kaiser,2014-12-05 Over the past decade singularity has been a prominent term in a broad range of fields ranging from philosophy to literary and cultural studies to science and technology studies This volume intervenes in this broad discussion of singularity and its various implications proposing to explore the term for its specific potential in the study of literature Singularity and Transnational Poetics brings together scholars working in the fields of literary and cultural studies translation studies and transnational literatures The volume s central concern is to explore singularity as a conceptual tool for the comparative study of contemporary literatures beyond national frameworks and by implication as a tool to analyze human existence Contributors explore how singularity might move our conceptions of cultural identity from prevailing frameworks of self other toward the premises of being as singular plural Through a close reading of transnational literatures from Ireland Germany the Netherlands France and South Africa this collection offers a new approach to reading literature that will challenge a reader s established notions of identity individuality communicability and social cohesion

Imagining Iberia in English and Castilian Medieval Romance Emily Houlik-Ritchey, 2023-02-06 An innovative comparative study of Middle English and medieval Castilian romance **Alphanumeric Cosmology From Greek into Arabic** Juan Acevedo, 2020-07-07 Juan Acevedo embarks on a semantic journey to track the origin and adventures of the Greek term stoicheion which for at least eighteen centuries from Pythagoras to Fibonacci simultaneously meant element letter and numeral Focusing on this triple meaning and on how it was translated and interpreted in Latin Hebrew and Arabic especially in key texts of the Abrahamic faiths a metaphysical study takes shape With touches of alchemy and theology it reveals how a shared fundamental alphanumeric cosmology underlay many basic paradigms of science and faith around the Mediterranean until the advent of the Indo Arabic numerals broke the marriage of letter and numeral Careful readings of Plato Philolaos Nicomachus and Philo of Genesis and the Sefer Yetsira of the Qur'an the Ikhwan al Safa and Ibn Arabi are all woven together into a synthesis full of implications for many disciplines **The Routledge Handbook of Translation and Philosophy** J

Piers Rawling, Philip Wilson, 2018-10-10 The Routledge Handbook of Translation and Philosophy presents the first comprehensive state of the art overview of the complex relationship between the field of translation studies and the study of philosophy The book is divided into four sections covering discussions of canonical philosophers central themes in translation studies from a philosophical perspective case studies of how philosophy has been translated and illustrations of new developments With twenty nine chapters written by international specialists in translation studies and philosophy it represents a major survey of two fields that have only recently begun to enter into dialogue The Routledge Handbook of Translation and Philosophy is a pioneering resource for students and scholars in translation studies and philosophy alike

The Routledge Companion to Global Comparative Literature Zhang Longxi, Omid Azadibougar, 2025-04-29 The Routledge Companion to Global Comparative Literature is a collection of papers by influential scholars who are engaged in comparative literary studies and addresses a central and highly important question about the discipline if Eurocentrism has been integral to comparative literature and if the world we live in is undergoing radical changes then how can or should the discipline change to overcome this problem of the discipline as well as of literary history to accommodate non Western traditions Addressing this significant matter and taking different approaches in response to the state of the discipline the papers in this volume offer diverse ways of overcoming Eurocentrism the role of institutions and the changes they need to undergo possible ways of practicing a truly global comparative literature the history of the discipline outside Europe premodern histories of ideas and the non European origins of modernity translation orientalism and area studies publishing and literary circulation and modern technologies and their impact on literary dissemination and the discipline This collection assesses comparative literature at a timely historical moment and will broaden the field by addressing the students and scholars of comparative literary studies all over the world with significant hints for more inclusive histories of world literature *Transnational French Studies* Alec G. Hargreaves, Charles Forsdick, David Murphy, 2012-01-01 The 2007 manifesto in favour of a Literature

monde en français has generated new debates in both francophone and postcolonial studies Praised by some for breaking down the hierarchical division between French and Francophone literatures the manifesto has been criticized by others for recreating that division through an exoticizing vision that continues to privilege the publishing industry of the former colonial metropole Does the manifesto signal the advent of a new critical paradigm destined to render obsolescent those of francophone and or postcolonial studies Or is it simply a passing fad a glitzy but ephemeral publicity stunt generated and promoted by writers and publishing executives vis à vis whom scholars and critics should maintain a skeptical distance Does it offer an all embracing transnational vista leading beyond the confines of postcolonialism or reintroduce an incipient form of neocolonialism even while proclaiming the end of the centre periphery divide In addressing these questions leading scholars of French Francophone and postcolonial studies from around the globe help to assess the wider question of the evolving status of French Studies as a transnational field of study amid the challenges of globalization

Labour of Laziness in Twentieth-Century American Literature Zuzanna Ladyga, 2019-07-04 This text argues that major twentieth century American writers such as Gertrude Stein Ernest Hemingway John Barth Donald Barthelme and David Foster Wallace provocatively challenge the ethos of productivity by filtering their ethical interventions through culturally stigmatised imagery of laziness

Philosophy's Treason D. M. Spitzer, 2020-05-05 Philosophy's Treason Studies in Philosophy and Translation gathers contributions from an international group of scholars at different stages of their careers bringing together diverse perspectives on translation and philosophy The volume's six chapters primarily look towards translation from philosophic perspectives often taking up issues central to Translation Studies and pursuing them along philosophic lines By way of historical logical and personal reflection several chapters address broad topics of translation such as the entanglements of culture ideology politics and history in the translation of philosophic works the position of Translation Studies within current academic humanities untranslatability within philosophic texts and the ways philosophic reflection can enrich thinking on translation Two more narrowly focused chapters work closely on specific philosophers and their texts to identify important implications for translation in philosophy In a final critical postscript the volume takes a reflexive turn as its own chapters provide starting points for thinking about philosophy and translation in terms of performativity From philosophers critically engaged with translation this volume offers distinct perspectives on a growing field of research on the interdisciplinarity and relationality of Translation Studies and Philosophy Ranging from historical reflections on the overlap of translation and philosophy to philosophic investigation of questions central to translation to close readings of translation within important philosophic texts Philosophy's Treason serves as a useful guide and model to educators in Translation Studies wishing to illustrate a variety of approaches to topics related to philosophy and translation
