## **Depression Through A Biblical Lens A Whole Person Approach:**

Depression Through A Biblical Lens Dr. Jim Halla, 2014-09-18 People with bad feelings and feeling directed behavior anger fear worry depression usually are given a psychiatric label Initially I was comfortable with that approach but I have come to realize that people must be evaluated based on a proper understanding of the Bible When that happens the whole person thinking wanting and doing will be considered not just outward behavior and feelings Feelings their generation and the person's response to them will not be the major criteria for some label or the target for treatment medical and otherwise Rather thinking and wanting that leads to bad feelings will be the target of the Christian helper friend pastor counselor and physician Thinking wanting and doing thereby feelings will be evaluated using the filter of biblical truth The truth sets people free as they apply it to their situation with the goal of pleasing God Biblically controlled thinking and wanting will replace sinful thoughts and desires Biblically controlled actions will follow Turning the patient to the root and heart of the issue his thinking and wanting and his relationship with Christ is the first step in helping the person get victory in his problems not necessarily out of them Victory God's way won't come until we view all feeling states and man from a biblical perspective

How to Be a God-Pleasing Patient: A Biblical Approach to Receiving Medical Care Dr. Jim Halla, 2020-03-31 In today's society healing and doctors visits are centered around a self and me attitude As Christians in spite of an illness or condition we should approach medical care with a Christian attitude Dr Jim Halla shows readers how to be a God pleasing patient and how to have a mindset that centers on God

*Out of the Maze: A Covenantal View of Hope* Dr. Jim Halla, 2022-10-12 Everybody has hope in some form but everybody needs true hope Hope is universal and necessary for living well Too often people including believers function as if circumstances feelings and others control them For the believer biblical truth steps in and clarifies and simplifies living faithfully and hopefully The Bible defines and offers true hope which never fails or disappoints It is to the Bible that we must go When we do we find God's truth exploding across the pages of Scripture Scripture defines true hope and contrasts and compares it to false hope The believer will embrace these truths as a matter of life and death *Out of the Maze: A Covenantal View of Hope* is designed to help you differentiate true and false hope thus enabling you to live as a victor now and eternally

**A Theology of Biblical Counseling** Heath Lambert, 2016-04-05 A landmark textbook for Christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today Since the beginning of the biblical counseling movement in 1970 biblical counselors have argued that counseling is a ministry of the Word just like preaching or missions As a ministry counseling must be defined according to sound biblical theology rather than secular principles of psychology For over four decades biblical theology has been at the core of the biblical counseling movement Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling *A Theology of Biblical Counseling* is an ideal resource for use in training

**The Book of Job: God's Faithfulness in Troubled Times** Dr. Jim Halla, 2022-04-05 Job the book and the man is well known even in the public arena However the main character of the book is the Triune God Moreover some have suggested that the book of Job focuses on the larger problem of evil in a good God's world By definition that would include the concept of victimhood However Dr Jim Halla thinks that approach misses major issues in the book The Book of Job God's Faithfulness in Troubled Times presents Dr Halla's understanding of the book under four major headings God's sovereignty suffering suspicion and success Job began well but faltered He considered himself alone deafening silence from God and his relationship with God in shambles God took him to the zoo and the sea and Job learned well he repented and God placed him in the position of intercessor for his friends He functioned as a type of Christ but he was not Christ He came to embrace those two truths The book of Job is for all believers in all seasons no matter their spiritual maturity As you read The Book of Job God's Faithfulness in Troubled Times see if you catch a glimpse of Job's radical reversal
