The author, Aditi, kickstarted her wellness journey after facing her own personal health challenges. At 20 years old, she experienced a half-paralyzed face due to stress and battled with years of depression, burnout, and dissatisfaction while trying to keep up with the fast pace of hustle culture. She became a Certified Life Health Coach to help herself and others. As a life coach and emotional wellness speaker, she equips working professionals with tools to reduce burnout and create the personal success and happiness they desire. In her healing journey, Aditi released 60 pounds of emotional weight off her body, quit her corporate job to pursue entrepreneurship full-time, and lived as a digital nomad for 3 years, road tripping across the country. Aditi is a certified Life Coach through The Life Coach School, a certified Health Coach through The Institute of Integrative Nutrition, and is currently pursuing Yoga Teacher Training with Blue Moon Yoga. She combines the knowledge of her versatile training and intuitive guidance with her own twist that is digestible and fun. She teaches emotional and cognitive tools to help professionals create greater mental and physical wellness. It is her personal mission to equip others with the wellness tools that were never taught in school. Aditi loves to travel, speak, and teach around the world at in-person and online events.
