The Abyss, The Rebellion of Sakla Frederick Guttman, This first part of this saga summarizes the references of the most significant mythologies in the world that speak about the Creation of the world and the appearance of evil with all its forces and entities The Sakla Rebellion includes passages that explain what the Kingdom of Heaven is like and who inhabits it In a chronological way it narrates the events that took place before the Earth existed as such and where the great links of science about the beginnings of life lie This first work shows how the gods and the laws of nature emerged giving rise not only to this orb but also to the solar system

[A New Reading of the Animal Apocalypse of 1 Enoch](#) ,2013 A New Reading of the Animal Apocalypse of 1 Enoch is the most comprehensive theological commentary on this important second century BCE Jewish apocalypse to date laying out the purpose and methodology of this Enochic allegory and using this as the basis for a new commentary on the whole text presented here in a fresh translation Against other interpretations that focus on Israel and its institution Daniel Olson argues that the promise of universal blessing in the Abrahamic covenant is presented in the Animal Apocalypse as the governing dynamic in a sacred history that begins and ends with humanity in general The authentic Jacob Israel will appear in the end times and be the catalyst of universal salvation Book jacket

Divine Scapegoats Andrei A. Orlov,2015-02-10 Explores the paradoxical

symmetry between the divine and demonic in early Jewish mystical texts Divine Scapegoats is a wide ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptical accounts In these materials antagonists often mirror features of angelic figures and even those of the Deity himself an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality Andrei A Orlov examines the sacerdotal messianic and creational aspects of this mimetic imagery focusing primarily on two texts from the Slavonic pseudepigrapha 2 Enoch and the Apocalypse of Abraham These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism The Yom Kippur ritual in the Apocalypse of Abraham the divine light and darkness of 2 Enoch and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov s consideration **Mani in Dublin** Siegfried G.
