Arthur James Wells

Design Your Own Knits In 5 Easy Steps:

Design Your Own Knits in 5 Easy Steps Debbie Abrahams,2003-09-01 Can't find the right knitting pattern? Want to produce your own designs but aren't sure how? Now it's not just possible to make original patterns; it's actually easy! All it takes are five simple steps, each laid out in this colorful resource along with 48 pages of special knitter's graph paper to work on. First, see how to find inspiration for your work, decide on the stitches and select the yarn. Second, learn how to put those ideas onto paper like a pro. Step three involves knitting a swatch to get a quick sense of how it will look and if your gauge is right. Then you're ready to map out the entire design. And finally, start knitting! The results are sure to be fabulous. **Teach Yourself VISUALLY Knitting Design** Sharon Turner,2012-04-19

There are lots of stylish knitting patterns out there, but sometimes you want to do your own thing. Maybe you've found a yarn that would make a beautiful hat, and all you need are basic directions for shaping. Or maybe you've had your eye on a cute sweater in a store window and know that you can make a better version yourself if you could only figure out the measurements. This handy guide demystifies all that knitting math and shows you how to knit custom-fitted ones of a kind, fashions that express your style. Master patterns for hats, sweaters, scarves, shawls, bags, mittens, vests, and socks lay out the basic construction for each item in a range of sizes; you choose the yarn and decide which modifications and customizations you want to make. Precise master patterns show you all the steps involved in constructing handknits. Master patterns give instructions for multiple sizes and gauges. A number of shaping, edgings, and stitch patterns accompany each master pattern. Helpful tips provide additional guidance. Tables take the work out of knitting math. Step-by-step instructions accompany each photo. Color photos, illustrations, and diagrams demonstrate important concepts. **The British National Bibliography** Arthur James Wells,2009 **Knits for Boys** Kate

Oates,2015-03-01 Boys love to be knitted for, too! With the designs in this book, you will have fun creating stylish knits that the boys in your life will be excited to wear. **Vintage Baby Knits** Kristen Rengren,2012-10-30

The longtime knitter and vintage fashion expert puts a contemporary twist on classic knit babywear in this beautifully photographed pattern book. While working as a vintage clothing dealer, combing through estate sales and eBay listings, longtime knitter Kristen Rengren amassed hundreds of knitting pattern booklets from 1920 through 1960. Now a knitwear designer, Rengren brings us the result of her combined passions in *Vintage Baby Knits*, a charming collection of more than 40 contemporary updates of timeless baby patterns. Projects range from small, quick-to-knit items like hats, booties, and shrugs to larger, more challenging designs for sweaters, onesies, and dresses, including a lace christening gown. Beautiful photographs capture a bevy of adorable babies and toddlers wearing these knitted treasures. Also included are sidebars on baby fashion and knitting culture in this bygone era and a complete reference section. Destined to be a classic itself, *Vintage Baby Knits* promises family heirlooms for 21st-century babies. **Modern Mending** Erin Lewis-Fitzgerald,2021 **Catalogue** Montgomery Ward,1966 *American*
