essays and dialogue called interludes These interludes punch holes in the rules and pronouncements made in the essays they also help the book avoid seeming too dogmatic The two voices in the interludes are not exactly characters but the author and a contrarian voice within the author The comparison to Platonic dialogues is apt Matthews received his undergraduate degree in classical Greek literature and has always found echoes of the classical age in contemporary art and life Still the poetics of Writebook is grounded less in Aristotle than Aristophanes Although Writebook touches upon practical aspects of writing fiction such as naming characters and writing speech cues it focuses on helping the writer to write more boldly and with more attention to the linguistic vehicles of thought For Matthews most stories fail through under invention not because the rules of narrative have been disregarded Chapter 2 Taxonomies and 3 Structural Matters cover paradigms for plot and character development These are worthy subjects and Matthews has interesting things to say especially when he tries to analyze his story Funeral Plots with these same paradigms At the same time Matthews recognizes that there is no magic paradigm or archetype capable of explaining what makes all stories successful these are just guides At some point you just have to trust writerly intuition Writebook helps the potential storyteller to cultivate this intuition and be flexible enough to bend rules when necessary Matthews writes Anything can be done if it s done in the right way with style panache and cunning At another time he wrote Literature is the least pure of all the arts and that is its richness and power It s a temporal art like a symphony it has periodicities it has rhythms prose itself has sound it evokes visual imagery like painting Many writing books include a chapter or two listing literary cliches to avoid For the most part Writebook doesn t do that Instead it goes deeper and analyzes why some metaphors succeed and others do not The funny Parable of the Indifferent Ear provides a good case study about how linguistic inventiveness doesn't always translate into effective writing Literary insights from Writebook can be applied to drama novels and poetry but they are especially applicable to smaller forms like the short story though Matthews claim that a short story of more than 10 000 words rarely succeeds is sure to be controversial Writebook introduces lots of new ideas and terminology the non sequential time opening the Swamps of Antecedence pointedness which is how stories gain enough momentum to escape the gravitational pull of the author linguistic vehicles the actual words which transport the thought and why flat characters aren t always bad Mr Matthews is a master of prose conversation and deadpan charm He is ironic cool and shrewd and he writes a lucid prose Tom O Brien NEW YORK TIMES Matthews always graceful prose finds that precise telling detail It's easy to fall in love with such writing Perry Glasser NORTH AMERICAN **REVIEW XY-Girls and More Stories** Derwin Mak,2025-08-15 The ladies of Southern Comfort are the most gorgeous and lively women on any mining colony in the galaxy But when they start turning up dead and the local police do nothing to protect them it s time for these girls to take the law their safety and their destiny into their own hands Why do people see the ghosts of their loved ones on the mysterious asteroids called the Siren Stones And why is there a girl claiming to be Jesus reborn on one of these rocks Featuring the interconnected Siren Stone and XY Girls stories this second collection of fiction

story an estranged father and son are each relegated their own brand of dystopia only to find that it is their respective torments that ineffably bind them to one another While one pursues impossible love around the globe the other tries making sense of the void surrounding him Oddly it is their parallel misfortunes that find shelter in the harmonious space of absence recalled Similarly Lipstick on the Fishbowl depicts how grief often blinds one from seeing the object of loss As a bereaved businessman searches for the proper way to express loss for his departed wife he begins to overlook the significance of her passing As for those in throes of jealousy misreading even the best of intentions The Depth of Swimming Pool is a somber portrayal of a woman who in her state of constant apprehension ends up undermining that which she most desires But whether it is observers dreaming of becoming participants or the emotionally alienated hordes for whom pain becomes a final solace the terrain traversed by Colier's nine stories is neither one that would fill a postcard nor one that sports the trendy wasteland so readily employed by our time s countdown artists As the lonely overweight opera singer Josephina considers the abject proposals of a sexless man or the abused young woman in Cristianos y Moros finally returns home to confront her dismissive parents we note with relief that Colier's intention is not to flesh out some vague musings about our era but to attend to those who straddle the crossroads of a world where choosing a direction is no longer a value in itself If there is a poignancy to be had A Memoir of Absence says we re to find it in those uncertain moments when event is temporarily subsumed by interpretation This does not mean that observations made by characters are lucid or objective On the contrary it is our vulnerability to catch phrases our compromised visions and our pathos while estimating our own suffering hearts that bring integrity to our lives Colier's short stories are the fragments of a lost anthem the disparate melodies that once made up what we mystically referred to as the human spirit *Proceedings of the 7th Annual International Seminar on* Transformative Education and Educational Leadership, AISTEEL 2022, 20 September 2022, Medan, North Sumatera Province, Indonesia Bornok Sinaga, Rahmad Husein, Juniastel Rajagukguk, 2022-12-06 Proceedings of the 7th Annual International Seminar on Transformative Education and Educational Leadership AISTEEL 2022 contains several papers that have presented at the seminar with theme Technology and Innovation in Educational Transformation This seminar was held on 20 September 2022 and organized by Postgraduate School Universitas Negeri Medan and become a routine agenda annually The 7th AISTEEL was realized this year with various presenters lecturers researchers and students from universities both in and out of Indonesia The 7th AISTEEL presents 4 distinguished keynote speakers from Universitas Negeri Medan Indonesia Murdoch University Australia Curtin University Perth Australia University Malaya Malaysia Monash University Australia and Tampere University of Applied Sciences Finland In addition presenters of parallel sessions come from various Government and Private Universities Institutions Academy and Schools Some of them are those who have sat and will sit in the oral defence examination The plenary speakers have been present topics covering multi disciplines They have contributed many inspiring inputs on current trending educational research topics all over the world The expectation is
