Located on the west coast of Central Africa, Spanish-speaking Equatorial Guinea is one of the least-visited countries in the world. It has a variety of unspoilt landscapes, a rich diversity of wildlife — including 3,250 plant species — and miles of empty tropical beaches. Stroll the compact city of Malabo with its fascinating colonial architecture, or head to Annobón's serene coastline for undisturbed snorkelling.

Teacher and travel journalist Oscar Scafidi has spent five years resident in Central West Africa, and now provides his comprehensive, expert advice in the only English-language travel guide to Equatorial Guinea. From hiking up extinct volcanoes to visiting the new city of the jungle, Oyala, this book is an invaluable source of information for the keen explorer.
