**Escape from Codependent Christianity** James Richardson, 2004-03-01 Many Christians are painfully codependent and never get free A codependent lifestyle is a miserable fearful life From never feeling secure to the need to always be in control the extremes of codependency fuel the chaos and pain in our lives In *Escape from Codependent Christianity* Dr James B Richards examines this common phenomenon in light of the truth of Scripture Codependency is not complicated It involves depending upon others for what we have no right to expect from them Codependents often fall into the trap of living on other people s approval for their own sense of self worth They may depend on others for decisions or happiness No matter what the needs are the key to codependency involves trying to get from others what people cannot truly give **The Christian Left**

Lucas Miles, 2021-05-04 The church has been invaded The Christian Left unveils how liberal thought has entered America s sanctuaries exchanging the Trinity of the Father Son and Holy Spirit for the trinity of diversity acceptance and social justice This in depth look at church history world politics and pop culture masterfully exposes the rise and agenda of the Christian Left Readers will learn how to Identify and refute the lies of the Christian Left Uncover the meaning of love as Jesus defined it Navigate controversial subjects such as abortion gender identity and the doctrine of hell Gain confidence in upholding biblical values Come face to face with the person of Jesus who is neither left nor right but the embodiment of truth and grace Be equipped with a strong understanding of issues facing the church today and empowered to elevate God s truth justice and wisdom
