Eritrea At A Crossroads A Narrative Of Triumph Betrayal And Hope:

Eritrea at a Crossroads Andebrhan Welde Giorgis, 2014 I congratulate Andebrhan Welde Giorgis on his high quality and extremely informative book that has not only the merit to be an update on the political situation in Eritrea but also asks the pertinent questions on the future of his marvelous country He does it with tact and success based on his long experience as freedom fighter as senior public servant as Ambassador and his rich experience of Africa Each country in Africa must be able to determine its own future Freedom responsibility control over its destiny and solidarity are the key ideas of the new vision for international cooperation that will help ensure the sustainability of the development process The urgent need to create a democratic government resonates throughout the book Good governance respect for human rights principles of democracy and rule of law are essential universal values underpinning it Andebrhan is one of those men visionaries and open to dialogue reform and change Eritrea at a Crossroads is key to understanding the challenges facing Eritrea and Africa It is an eye opener on a complex and little understood crisis that is festering in Africa and holding the continent back The book provides a solid intellectual foundation to understanding the region and will give anyone who wants to build a better future for Africa a great starting point I congratulate him on this most valuable book which finds its place among all the lovers of Africa Louis Michel Member of European Parliament European Commissioner for Development and Humanitarian Aid 2004 2009 and Foreign Minister of Belgium 1999 2004 Freedom fighter scholar central banker diplomat and now unhappy exile no one could be better placed than Andebrhan Welde Giorgis to trace Eritrea s distressing slide from triumph to tragedy It s a harrowing story but the author tells it comprehensively objectively and lucidly in this excellent study The future can be rescued as Andebrhan makes clear but only if the past is understood and the present confronted by decent concerned Eritreans acting with the moral political and economic support of the wider international community May his voice be heard Gareth Evans Chancellor Australian National University President International Crisis Group 2000 09 and Foreign Minister of Australia 1988 96

Religion and Contemporary Politics Timothy J. Demy, Jeffrey M. Shaw Ph.D., 2019-09-19 With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare

and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography

The Horn of Africa since the 1960s Aleksi Ylönen, Jan Záhorký, 2017-02-17 The Horn of Africa has long been one of the most dynamic and politically turbulent sub regions on the African continent Host to great ancient civilizations diverse peoples and expansive states the region has experienced massive social economic and political transformations which have given rise to military coups revolutions and intractable ethnic socio economic and religious conflicts This comprehensive volume brings together a team of expert scholars who analyze international regional national and local affairs in the Horn of Africa The chapters demonstrate the intertwined nature of the actors and forces shaping political realities The case studies focusing on Ethiopia Eritrea Somalia Somaliland Sudan and South Sudan eloquently illustrate the complex dynamics connecting the spectrum of political issues in the region The Horn of Africa since the 1960s will be of interest to students and scholars of contemporary Africa and political science

Eritrea Roseline NgCheong-Lum, Tamra Orr, 2020-04-15 Eritrea lies along the coast of the Red Sea in northeastern Africa Its people are resilient and determined When the border war between Eritrea and Ethiopia ended in 2018 hope surged for a better future for the country The country still has significant obstacles to overcome including religious persecution and strict censorship but Eritreans will keep fighting for a brighter tomorrow This guidebook explores these aspects and other key elements such as geography government religion and art through detailed photographs maps and sidebars giving a comprehensive view of this distinct African nation

Understanding Eritrea Martin Plaut, 2017-02-01 The most secretive repressive state in Africa is hemorrhaging its citizens In some months as many Eritreans as Syrians arrive on European shores yet the country is not convulsed by civil war Young men and women risk all to escape Many do not survive their bones littering the Sahara their bodies floating in the Mediterranean Still they flee to avoid permanent military service and a future without hope As the United Nations reported Thousands of conscripts are subjected to forced labor that effectively abuses exploits and enslaves them for years Eritreans fought for their freedom from Ethiopia for thirty years only to have their revered leader turn on his own people Independent since 1993 the country has no constitution and no parliament No budget has ever been published Elections have never been held and opponents languish in jail International organizations find it next to impossible to work in the country Nor is it just a domestic issue By supporting armed insurrection in neighboring states it has destabilized the Horn of Africa Eritrea is involved in the Yemeni civil war while the regime backs rebel movements in Somalia Ethiopia and Djibouti This book tells the untold story of how this tiny nation became a world pariah

Historical Dictionary of Eritrea Dan Connell, 2019-07-15 In 1991 Eritrea won a 30 year war for independence from Ethiopia and in 1993 it was recognized as Africa s newest nation after more than a century of conquest and occupation by a succession of external powers that included the Ottomans Egypt Italy Great Britain and Ethiopia Each had left its mark while fostering a deep distrust of outsiders and a fierce commitment to Eritrea s separate political identity Eritrea and Ethiopia slipped into a chronic state of no peace no war

that kept the entire Horn of Africa off balance for nearly two decades the standoff ended in 2018 when a newly installed Ethiopian prime minister reached out to Eritrea and set in motion a rapid fire series of talks among the states of the African Horn that broke down long standing barriers and raised hopes for a new era of regional peace and cooperation This third edition of Historical Dictionary of Eritrea contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Eritrea

The 1998-2000 Eritrea-Ethiopia War and Its Aftermath in International Legal Perspective Andrea de Guttry, Harry H. G. Post, Gabriella Venturini, 2021-04-01 This book centres on the war that raged between Eritrea and Ethiopia from 1998 to 2000 a war that caused great loss of life and tremendous devastation It analyses the war in great detail from an international legal perspective the nature and the state of the boundary conflict preceding the actual armed conflict the military actions themselves the role of the UN peace keeping mission the responsibility for the multitude of explosive remnants of the war left behind Ample attention is paid to the decisions of the Eritrea Ethiopia Claims Commission and the Eritrea Ethiopia Boundary Commission This study is not limited to the war and the period immediately following it it also examines its more extended aftermath prolonging the analysis as far as the more recent improvement in the relations between Eritrea and Ethiopia away from a situation of no war no peace that prevailed after the armed conflict ended The analysis of the war and its aftermath is not only in terms of international legal issues it has been placed in a wider than strictly legal perspective The book is a valuable work for academics and practitioners in international law human rights and humanitarian law in particular for political scientists diplomats civil servants historians and all those others seriously interested in the Horn of Africa Andrea de Guttry is Full Professor of Public International Law at the Scuola Superiore Sant Anna in Pisa Italy Harry H G Post is Adjunct Professor in the Facult Libre de Droit of the Universit Catholique de Lille in Lille France Gabriella Venturini is Professor Emerita in the Dipartimento di Studi internazionali giuridici e storico politici of the Universit degli Studi di Milano in Milan Italy

The Handbook of African Intelligence Cultures Ryan Shaffer, 2023-02-06 Bringing together a group of international scholars The Handbook of African Intelligence Cultures provides the first review of intelligence cultures in every African country It explores how intelligence cultures are influenced by a range of factors including past and present societal governmental and international dynamics In doing so the book examines the state s role civil society and foreign relations in shaping African countries intelligence norms activities and oversight It also explores the role intelligence services and cultures play in government and civil society

Explaining Foreign Policy in Post-Colonial Africa Stephen M. Magu, 2021-01-02 This book explores foreign policy developments in post colonial Africa A continental foreign policy is a tenuous proposition yet new African states emerged out of armed resistance and advocacy from regional allies such as the Bandung Conference and the League of Arab States Ghana was the first Sub Saharan African country to

gain independence in 1957 Fourteen more countries gained independence in 1960 alone and by May 1963 when the Organisation of African Unity OAU was formed 30 countries were independent An early OAU committee was the African Liberation Committee ALC tasked to work in the Frontline States FLS to support independence in Southern Africa Pan Africanists in alliance with Brazzaville Casablanca and Monrovia groups approached continental unity differently and regionalism continued to be a major feature Africa's challenges were often magnified by the capitalist democratic versus communist socialist bloc rivalry but through Africa's use and leveraging of IGOs the UN UNDP UNECA GATT NIEO and others to advance development the formation of the African Economic Community OAU's evolution into the AU and other alliances belied collective actions even as Africa implemented decisions that required cooperation *uti possidetis* maintaining colonial borders containing secession intra and inter state conflicts rebellions and building RECs and a united Africa as envisioned by Pan Africanists worked better collectively

The Governance, Security and Development Nexus Kenneth Omeje, 2020-10-01 This edited book analyses the changing links between governance security and development in Africa as they relate to the narrative that contemporary Africa has made remarkable progress in recent years a phenomenon popularly known as Africa rising The book presents a rigorous evaluation of the Africa rising debate and consequently offers innovative policy guidelines for Africa's governance and development transformation

Ethiopian Yearbook of International Law 2019 Zeray Yihdego, Melaku Gebeye Desta, Martha Belete Hailu, 2020-12-29 EtYIL 2019 comes out while the world is in the midst of a new coronavirus pandemic that has infected millions and killed thousands of people without distinction as to age race colour or creed As an attack on all humanity Covid 19 the disease caused by the coronavirus has challenged the fitness of the global order as never before and its institutional and normative frameworks have been found wanting As is often the case in such circumstances when the WHO is denied resources to assist those countries or the WTO is unable to guarantee access to Covid 19 medical supplies and protective equipment it is the poorest nations that suffer the most EtYIL's mission is to provide a platform for purpose oriented scholarly analysis and debate on issues of particular significance for African countries such as Covid 19 disputes over Nile water resources and Ethiopia Eritrea relations Although the pandemic came too late for this issue of EtYIL we have managed to include two important articles that examine the subject from geostrategic and legal perspectives EtYIL 2019 also addresses a number of other topical issues including the responsibility of the UN Security Council UNSC in climate related risks to least developed countries the Global South's approach to environmental protection the challenges of international regulation of arms brokering and the contributions of Martin Luther King Jr to Pan Africanism and international human rights law Finally the Yearbook also continues its coverage of regional issues such as the evolving Ethiopia Eritrea relations Djibouti's accession to the ICSID Convention the trilateral negotiations between Ethiopia Sudan and Egypt over the Grand Ethiopian Renaissance Dam and the U S meddling and the role of the UNSC on the issue have also been covered As before our contributors come from all over the world to all of whom we extend our sincere

appreciations National Liberation Movements as Government in Africa Redie Bereketeab, 2017-09-08 Africa is well known for the production of national liberation movements NLMs stemming from a history of exploitation colonisation and slavery NLMs are generally characterised by a struggle carried out by or in the name of suppressed people for political social cultural economic territorial liberation and decolonisation Dozens of NLMs have ascended to state power in Africa following a successful violent popular struggle either as an outright military victory or a negotiated settlement National Liberation Movements as Government in Africa analyses the performance of NLMs after they gain state power The book tracks the initial promises and guiding principles of NLMs against their actual record in achieving socio economic development goals such as peace stability state building and democratisation The book explores the various different struggles for liberation whether against European colonialism white minority rule neighbouring countries or for internal reform or regime change Bringing together case studies from Somalia Somaliland Uganda Ethiopia Eritrea South Sudan Namibia Angola Mozambique South Africa Zimbabwe and Algeria the book builds a comprehensive analysis of the challenges NLMs face when ascending to state power and why so many ultimately end in failure This is an ideal resource for scholars policy makers and students with an interest in African development politics and security studies **The Elgar Companion to Post-Conflict**

Transition Hans-Joachim Giessmann, Roger Mac Ginty, Beatrix Austin, Christine Seifert, 2018-08-31 What are the main drivers of political transition and regime change And to what extent do these apparently seismic political changes result in real change These questions are the focus of this comparative study written by a mix of scholars and practitioners This state of the art volume identifies patterns in political transitions but is largely unconvinced that these transitions bring about real change to the underlying structures of society Patriarchy land tenure and economic systems often remain immune to change despite the headlines *Traditional Institutions in Contemporary African Governance* Kidane Mengisteab, Gerard

Hagg, 2017-06-26 This book examines why traditional institutions have remained entrenched what the socioeconomic implications of fragmented institutional systems are and whether they facilitate or impede democratization The contributors investigate the organizational structure of traditional leaders the level of adherence of the traditional systems how dispute resolution decision making and resource allocation are conducted in the traditional system gender relations in the traditional system and how the traditional institutions interact with the formal institutions *State institutions and leadership in Africa* Irma Taddia, Tekeste Negash, 2018-02-01 The central theme of this book is the role of education in the formation of a political class during and after the European colonial period in Africa The volume focuses on the various actors that informed and were part of this process such as African intellectuals and political leaders colonial troops European missionaries and administrators At the same time the collection analyses the historical processes connected to the emergence and development of a new African leadership such as the creation of a colonial school system the transformation of urban spaces the development of new environmental policies and the processes of nation building after independence The volume is made

up of twelve contributions four on Ethiopia two on Eritrea two on the Sudan one on Somaliland two on Tanzania and one on Ghana

From A Shepard to a Tenured Professor Dr. Yegin Habtes, 2024-01-15 This book will take my readers through four continents and several cultures and languages I have experienced Some of these countries are very different from each other I could say this book has something for different readers My readers in the northern hemisphere will be introduced to the fascinating history of Eritrea and Ethiopia For those who appreciate different cultures there is enough material about the cultures and customs practiced in certain parts of Africa and the Caribbean Yet for educators I trained in Africa the United States of America and the Caribbean a section discusses how to train teachers Above all the message I want to leave with everyone who reads this book is to believe that anything is possible if you are with it and think there is more than one way to pursue life

Understanding Contemporary Ethiopia Gérard Prunier, Éloi Ficquet, 2015-09-15 When we think of Ethiopia we tend to think in clichés Solomon and the Queen of Sheba the Falasha Jews the epic reign of Emperor Haile Selassie the Communist Revolution famine and civil war Among the countries of Africa it has a high profile yet is poorly known How ever all clichés contain within them a kernel of truth and occlude much more Today's Ethiopia and its painfully liberated sister state of Eritrea are largely obscured by these mythical views and a secondary literature that is partial or propagandist Moreover there have been few attempts to offer readers a comprehensive overview of the country's recent history politics and culture that goes beyond the usual guidebook fare Understanding Contemporary Ethiopia seeks to do just that presenting a measured detailed and systematic analysis of the main features of this unique country now building on the foundations of a magical and tumultuous past as it struggles to emerge in the modern world on its own terms

The Presidency of James Earl Carter Junior Silvio Berardi, 2016-12-30 This volume contains the proceedings of the International Conference The Presidency of James Earl Carter Junior Between Reformism Pacifism and Human Rights held in Rome on April 28 2016 at the Institute Santa Maria in Aquiro with the Senate of the Italian Republic patronage Forty years after his election to the White House it was deemed necessary to reflect on the political activity of a President little considered until now by the Italian historiography The Carter Presidency inspired since its inception by a predominant religious sentiment was marked by a clear break with the past Themes such as the respect for human rights dialogue with the historic Soviet enemy pacifism as a weapon of the Middle East problem resolution industrial development through a sustainable approach were introduced right from the thirty ninth occupant of the White House At the presidential elections of 1980 which saw him clash with the Republican Ronald Reagan Carter paid especially the failures of his reform and economic policy the US economic difficulties and the significant increase in the unemployment rate were the main reasons that cost him his reelection Reformism pacifism respect for human rights concepts that would continue to inspire Carter's policy despite the defeat against Reagan

East Africa after Liberation Jonathan Fisher, 2020-03-05 A novel far reaching analysis of contemporary history and politics in East Africa focusing on the crisis in the region's postcolonial political order
