ESL Lesson Plans for Teachers Andrew William, 2017-03-27 *ESL Lesson Plans for Teachers* has been designed and written by teachers of the English language. The guide has more than 30 complete lesson plans included and they have been specifically created to suit the students' current level of English skill, whether they are a beginner, intermediate, or an advanced learner. It offers educators practical and in-depth approaches to setting up a successful ESL classroom, navigating the challenges of motivating and interacting with students, and provides proven, research-based instructional techniques for students of all different language abilities. The focus in this book is on understanding and adjusting to students' needs and motivations. Accordingly, you will follow case studies of four students who live and are educated in different parts of the world as they progress through the successive stages of proficiency in English. As a result of the journey, each of the students goes on, you will be equipped with the tools in which to help them, including lesson planning templates, sample lesson plans, and much more. Furthermore, you will learn how the human brain goes through the process of recognizing auditory stimuli as language and how a child's brain assimilates language in order to improve the efficiency of your own language teaching efforts. What's in the lesson plans? Each lesson plan contains the lesson topic, learning objective, assessment strategies, detailed exercises, and lessons materials, and how to apply what the student has learned. There are ready-made lesson plans for essay writing, debating current affairs, dialogue, role plays, reporting history, persuasive techniques, and psychology, to name a few. Be secure in the knowledge that your students will be getting the speaking, listening, reading, and writing practice that they need. The lessons can be tailored to fit your students' individual and collective needs, which will give you the confidence that they will always be receiving the best possible language instruction. Be the best teacher you can be and find that deep desire to share knowledge as an educator. Use and apply what you will learn in this book to make a lasting impact on the students and have the goal of making a difference, no matter how small it might be. A well-prepared lesson plan is crucial to your role as a teacher. This book will guarantee that you gain an in-depth grasp on what an effective lesson plan is and how to create your own exemplary lesson plans for many years to come. Here is what you will get from this book: How to understand the needs of the students and the ways in which to assess their English language proficiency. Over 30 different lesson plans that are adaptable, depending on the level of each learner. Learn how to write a lesson objective and draft a practical lesson plan using a classic model and adaptable lesson plan outline. Motivation techniques for students. The standard model of a lesson plan. Detailed explanations of current pedagogy to teachers who want to access the most relevant ESL practices. Incorporating classroom activities to engage students. And much, much more. Read on your PC, MAC, smart phone, tablet, Kindle device, or buy it on paperback.
