Foreign Relations Law Cases Materials Fifth Edition Aspen Casebooks:

Foreign Relations Law Curtis A. Bradley, Jack L. Goldsmith, 2017 A leading casebook on foreign relations law authored by two widely cited and experienced scholars Foreign Relations Law Cases and Materials Sixth Edition examines the law that regulates the conduct of contemporary U S foreign relations It offers a compelling mix of cases statutes and executive branch materials as well as extensive notes and questions and discussion of relevant historical background *Basic Documents on International Trade Law* Chia-Jui Cheng, 2012-04-27 Anyone involved in trade law knows the time consuming nature of obtaining primary source material and consulting each of the main trade laws Now in its fourth edition Basic Documents in International Trade Law solves this problem by assembling in a single easy to use resource a very comprehensive collection of the most important and frequently used documents on the law of international trade In addition to its obvious practical value this work reveals much about the process of harmonization in international trade law and the operation of the key international trade bodies This makes the book a helpful reference for international business lawyers researchers legislators and government officials in the field Since the successful publication of the previous editions of the book the appearance of new conventions and model laws has considerably enriched the law of international trade and the present edition contains a wealth of new material The book has been substantially revised and several new instruments have been included Among the most significantly important improvements to this new edition are new chapters added to different parts of the book a redesigned and thoroughly revised Part 6 reflecting the expansion of intellectual property rights under the framework of treaties administered by World Intellectual Property Organization and bibliographies and other research resources updated and enlarged to include an extraordinarily rich collection of books and articles in many trading languages besides English including for the first time major Chinese works in the international trade law field As the late Prof Clive M Schmitthoff commented on the first edition the book is not only of practical usefulness but has also considerable jurisprudential value and reveals the methodology of the harmonization process in the area of international trade law The International Business Lawyer first commented in 1987 that the book can only be described as a vade mecum for every international business lawyer an assessment that now seems more merited than ever *U.S. Foreign Relations Law* Sean D. Murphy, Edward Swaine, Ingrid Brunk Wuerth, 2018 Hardbound New hardbound print book [U. S. Foreign Relations Law](#) SEAN D.. SWAINE MURPHY (EDWARD T.. BRUNK, INGRID.), Edward Swaine, Ingrid Brunk, 2023-11-29 This seminal casebook helped pioneer the field of U S foreign relations law The 6th edition provides comprehensive treatment of the distribution of foreign relations powers within the federal government customary international law and treaties as sources of law in the United States the war powers and Congress s power of the purse federalism and the justiciability of foreign relations cases Particular emphasis is placed upon historical sources materials which document the practices of the executive branch and key doctrines of international law Practice exercises are provided to stimulate student engagement [Books in Series, 1876-1949](#) R.R.
