Foreigner In Britain:

A Foreigner in Britain Ramón Ybarra Rubio, Fiona Smith, 2001 The Role of Military-industrial Relations in Civil-military Relations and Foreign Policy Glen Segell, 1997 **Immigration and Exile Foreign-Language Press in the UK and in the US** Stéphanie Prévost, Bénédicte Deschamps, 2023-12-14 Both Britain and the United States have had a long history of harbouring foreign political exiles who often set up periodicals which significantly contributed to community building and political debates However this varied and complex journalism has received little attention to date particularly regarding the languages in which it was produced This wide ranging edited volume brings together for the first time interdisciplinary case studies of the exile foreign language press in French German Italian Spanish Russian Flemish Polish among other languages across Britain and the US establishing a useful comparative framework to explore how periodicals tackled key political linguistic and literary issues from the 19th century to the present day Building on the existing literature on the exile foreign language press in the United States and developing the study of this phenomenon in the British context **Immigration and Exile Foreign Language Press in the UK and in the US** offers fresh perspectives into how these marginalised periodicals influenced the political economic and social contexts that brought them into existence This is a major contribution to the burgeoning field of transnational periodicals and will be of interest to anyone studying the history of the Anglo American press the history of immigration and cultural history **Report Upon the Commercial Relations of the United States with Foreign Countries** United States Department of State, 1876 **Britain's Naval and Political Reaction to the Illegal Immigration of Jews to Palestine, 1945-1949** Freddy Liebreich, 2004-10-07 This book provides an important shift in the analysis of Britain's policy towards the illegal postwar Jewish immigration into Palestine It charts the development of Britain's response to Zionist immigration from the initial sympathy as embodied in the Balfour Declaration through attempts at blockade refoulement and finally disengagement The book exposes differences in policy pursued by the great departments of state like the Foreign Colonial and War Offices and their legal advisors and those implemented by the Admiralty The book argues that the eventual failure of Britain's immigration policy was inevitable in view of the hostility shown by many European nations and America towards Britain's ambition to retain her position in the Middle East

Britain's Foreign Trade British Information Services, 1945 **Britain's Imperial Cornerstone in China** Donna Brunero, 2006-03-02 This is an in depth account of the Chinese Imperial Maritime Customs Service a uniquely cosmopolitan institution established in the wake of China's defeat in the Opium Wars 1842 to 43 and a central feature of the Treaty Port system The British dominated service was headed by the famous Robert Hart who founded a far reaching customs administration that also encompassed other responsibilities such as marine and harbour maintenance quarantine anti piracy patrols and postal services This institution sat at a crucial juncture between Chinese and foreign interests and was intimately linked to British interests and fortunes in the Far East Following the establishment of the Republic in 1911 there were grave

misgivings as to whether the foreign element of the Service would survive Yet the Service grew in influence and strength ensuring the foreign inspectorate a continued role in China s affairs Delivering an overview of the Service its bureaucracy fiscal responsibilities and life for foreigners in its employ focusing especially on the later years of the Service Donna Brunero draws on the experiences of the foreign administration of the Service as it attempted to negotiate between Chinese and foreign expectations and interests *Conservatism and British Foreign Policy, 1820-1920* Dr Geoffrey Hicks,2013-07-28

The Derbys of Knowsley Hall have been neglected by historians to an astonishing degree In domestic political terms the legacies of Disraeli and his Conservative successors have long obscured their Lancastrian aristocratic predecessors As far as foreign policy is concerned twentieth century politics and scholarship have often suggested crude polarities for example the idea of appeasement versus Churchillian belligerence has its nineteenth century equivalent in Aberdeen s apparent rivalry with Palmerston The subtleties of other views such as those represented by the Derbys have either been overlooked or misunderstood In addition the fact that much crucial archival and editorial work has only been carried out in the last two decades has had a significant impact Examining a range of topics in domestic and foreign policy this collection brings a fresh approach to the political history of the nineteenth and early twentieth centuries through a series of innovative essays It will appeal to those with an interest in the decline of the aristocracy Victorian high politics and the politics of the regions as well as the Conservative tradition in foreign policy Notes on Banking in Great Britain and Ireland, Sweden, Denmark and Hamburg, Etc Robert Harry Inglis Palgrave,1873 *Foreign Commerce Weekly* ,1946 *Parliamentary Debates* New Zealand. Parliament,1932 Documents on German Foreign Policy 1918-1945, Series C.
