

FORGING AMERICAN COMMUNISM

The Life of William Z. Foster
WITH A NEW PREFACE BY THE AUTHOR
EDWARD P. JOHANNINGSMEIER

Forging American Communism

Bryan D. Palmer

Forging American Communism:

Forging American Communism Edward P. Johanningsmeier, 2014-07-14 A major figure in the history of twentieth century American radicalism William Z Foster 1881 1961 fought his way out of the slums of turn of the century Philadelphia to become a professional revolutionary as well as a notorious and feared labor agitator Drawing on private family papers FBI files and recently opened Russian archives this first full scale biography traces Foster s early life as a world traveler railroad worker seaman hobo union activist and radical journalist and also probes the origins and implications of his ill fated career as a top echelon Communist official and three time presidential candidate Even though Foster s long and eventful life ended in Moscow where he was given a state funeral in Red Square he was as portrayed here a thoroughly American radical The book not only reveals the circumstances of Foster s poverty stricken childhood in Philadelphia but also vividly describes his work and travels in the American West Also included are fascinating accounts of his early political career as a Socialist Wobbly and anarcho syndicalist and of his activities as the architect of giant organizing campaigns by the American Federation of Labor involving hundreds of thousands of workers in the meatpacking and steel industries The author views Foster s influence in the American Communist movement from the perspective of the history of American labor and unionism but he also offers a realistic assessment of Foster s career in light of factional intrigues at the highest levels of the Communist International Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Forging of Finnish-American Communism, 1917-1924 Auvo Kostiainen, 1978 **William Z. Foster and the Tragedy of American Radicalism** James R. Barrett, 1999 Traces the political journey of a worker radical whose life and experiences encapsulate radicalism s rise and fall in the United States **The Forging of Finnish-American Communism** Auvo Kostiainen, 1978 **Post-Cold War Revelations and the American Communist Party** Vernon L. Pedersen, James G. Ryan, Katherine A. S. Sibley, 2021-01-14 Of all the third party movements in American history none have been as controversial as the Communist Party of the United States of America Although denounced as a tool of the Soviet Union accused of espionage and charged with advocating the revolutionary overthrow of the American government before WWII it had been an accepted part of the political landscape This collection offers an intriguing insight into this controversial political party in light of the Moscow archives that were made accessible after the end of the Cold War This collection of original essays explores new aspects in the history of American Communism drawing on a range of documents from Moscow and Eastern Europe Examining traditional subjects in the light of new evidence the essays cover a range of topics including party leaders espionage campaigns against racism the

Spanish Civil War communism and gender the fate of members after the McCarthy era and ways in which Communists became Anti Communists **Commonsense Anticommunism** Jennifer Luff,2012 Between the Great War and Pearl Harbor conservative labor leaders declared themselves America s first line of defense against Communism In this surprising account Jennifer Luff shows how the American Federation of Labor fanned popular anticommunism b **The Communist Experience in America** Harvey Klehr,2017-07-28 Arguments about whether distinctive features of American society culture political structure economic system or population account for the relative weakness of American radicalism have engaged historians sociologists and political scientists for decades Influential concepts such as frontier theory have been linked with the absence of class conflict in America Other analysts have attributed the failure of the American Left to fierce repression giving red scares and the McCarthy era as illustrations Some have linked the American Left s failure to American immigration winner take all elections and the cultural values of individualism The Communist Party one of America s largest and longest lasting radical groups offers many lessons about how radical political groups can take advantage of or squander their opportunities Klehr focuses on the theme of American exceptionalism and problems that America s capitalist society raised for Marxism and other radical groups The Communist Experience in America deals with dissident communist formulations Such groups included a number of talented men who went on to a variety of political and literary careers Klehr also deals with fellow travelers some of whom wrote fascinating essays on American exceptionalism and the decline of political extremism In part Klehr hopes to inspire the same moral outrage about Communism that fuels those dedicated to ensuring that Nazi crimes are never forgotten or obfuscated Communism in practice everywhere in the world also came at enormous human cost Regardless of their other virtues or qualities those who supported or defended Communism from the safety of the United States must be called to account This work does just that in detail and depth *James P. Cannon and the Origins of the American Revolutionary Left, 1890-1928* Bryan D. Palmer,2010-10-01 Bryan D Palmer s award winning study of James P Cannon s early years 1890 1928 details how the life of a Wobbly hobo agitator gave way to leadership in the emerging communist underground of the 1919 era This historical drama unfolds alongside the life experiences of a native son of United States radicalism the narrative moving from Rosedale Kansas to Chicago New York and Moscow Written with panache Palmer s richly detailed book situates American communism s formative decade of the 1920s in the dynamics of a specific political and economic context Our understanding of the indigenous currents of the American revolutionary left is widened just as appreciation of the complex nature of its interaction with international forces is deepened **The Politics of Nonassimilation** David Verbeeten,2017-05-15 Over the course of the twentieth century Eastern European Jews in the United States developed a left wing political tradition Their political preferences went against a fairly broad correlation between upward mobility and increased conservatism or Republican partisanship Many scholars have sought to explain this phenomenon by invoking antisemitism an early working class experience or a desire to integrate into a universal social order

In this original study David Verbeeten instead focuses on the ways in which left wing ideologies and movements helped to mediate and preserve Jewish identity in the context of modern tendencies toward bourgeois assimilation and ethnic dissolution Verbeeten pursues this line of inquiry through case studies that highlight the political activities and aspirations of three generations of American Jews The life of Alexander Bittelman provides a lens to examine the first generation Born in Ukraine in 1892 Bittelman moved to New York City in 1912 and went on to become a founder of the American Communist Party after World War I Verbeeten explores the second generation by way of the American Jewish Congress which came together in 1918 and launched significant campaigns against discrimination within civil society before during and especially after World War II Finally he considers the third generation in relation to the activist group New Jewish Agenda which operated from 1980 to 1992 and was known for its advocacy of progressive causes and its criticism of particular Israeli governments and policies By focusing on individuals and organizations that have not previously been subjects of extensive investigation Verbeeten contributes original research to the fields of American Jewish intellectual and radical history His insightful study will appeal to specialists and general readers interested in those areas The Historiography of Communism Michael E. Brown, 2009 A major reorientation of scholarly thought about communism and contemporary social movements **The Communist Party on the American Waterfront** Vernon L. Pedersen, 2019-12-20 In the early years of the Great Depression the Marine Workers Industrial Union MWIU was a colorful presence on the American Waterfront In 1935 the MWIU seemed to vanish closing its halls and stopping its publications Vernon L Pedersen convincingly demonstrates that the MWIU did not vanish instead it was ordered by the Moscow based Communist International to send its members into mainstream ALF unions and take over from the inside Initiated by accident on the west coast and deliberately duplicated in the east the Communists seized control of the west coast longshoremen s union destroyed the International Seamen s Union and created the Communist dominated National Maritime Union **Bolshevism, Stalinism and the Comintern** N. LaPorte, K. Morgan, M. Worley, 2008-07-24 Bringing together leading authorities and cutting edge scholars this collection re examines the defining concepts of Stalinism and the Stalinization odel The aim of the book is to explore how the common imperatives of a centralized movement were experienced across national boundaries **American Democratic Socialism** Gary Dorrien, 2021-01-01 A sweeping ambitious history of American democratic socialism from one of the world s leading intellectual historians and social ethicists The movement whose tangled history Gary Dorrien tells in American Democratic Socialism has deep roots in the very American values it is accused of undermining The version of the socialist left that emerges is one that deserves more attention Hari Kunzru New York Review of Books Democratic socialism is ascending in the United States as a consequence of a widespread recognition that global capitalism works only for a minority and is harming the planet s ecology This history of American democratic socialism from its beginning to the present day interprets the efforts of American socialists to address and transform multiple intersecting sites of injustice and harm Comprehensive

deeply researched and highly original this book offers a luminous synthesis of secular and religious socialisms detailing both their intellectual and their organizational histories Writing Labor's Emancipation Greg Hall, 2022-06-14 Jay Fox 1870 1961 was a journalist intellectual and labor militant whose influence rippled across the country In Writing Labor's Emancipation historian Greg Hall traces Fox's unorthodox life to highlight the shifting dynamics in US labor radicalism from the late nineteenth to the early twentieth century Radicalized as a teenager after witnessing the Haymarket tragedy Fox embarked on a lifetime of union organizing building anarchist communities including Home Washington and writing Thanks to his sharp wit he became an influential voice often in dialogue with fellow anarchists such as Emma Goldman and Lucy Parsons Hall both explores Fox's life and shines a light on the utopians revolutionaries and union men and women with whom Fox associated and debated Hall's research provides valuable knowledge of the lived experiences of working class Americans and reveals alternative visions for activism and social change **In Pursuit of Utopia** Errol Wayne Stevens, 2021-07 During the Great Depression the Los Angeles area was rife with radical movements Although many observers thought their ideas unworkable even dangerous Southern Californians voted for them by the tens of thousands This book asks why To find answers author Errol Wayne Stevens takes readers through the history of such movements as the Utopian Society Dr Francis Townsend's old age revolving pension plan Upton Sinclair's End Poverty in California gubernatorial campaign and Retirement Life Payments known as Ham and Eggs The book also examines the Los Angeles Communists and the free market capitalists both quasi religious movements with large followings as well as the self help cooperatives a spontaneous upsurge of neighbors who came together to help one another in a time of desperate need As to these movements extraordinary popularity Stevens finds the standard explanations unpersuasive He debunks the idea that naive unsophisticated Southern Californians living aimless empty lives suffering from ennui and longing for community readily supported charismatic leaders who promised a way out of the Great Depression In Stevens's telling Southern Californians supported these movements because they spoke to their needs Fearful or desperate some elderly and hopeless Angelenos cared less about the programs feasibility than about their promise of relief As one Ham and Eggs supporter succinctly explained It may be a racket and maybe it won't work more than a couple of weeks but that will be 60 more than I ever got before for one vote Finding parallels between past and present readers might wonder why people remain loyal to programs that prove unrealistic or why voters continue to support leaders who reveal time and again their ignorance or dishonesty In its illumination of a troubled time in American history not so long ago this book offers insight into our own We Always Had a Union Shaun Richman, 2025-04-08 One of New York City's most powerful unions the Hotel and Gaming Trades Council AFL CIO represents almost 40 000 workers Shaun Richman's history places the labor organization within the context of American industrial and craft unionism and reveals how it came to influence politics and economic development in the city and beyond From the start New York's organized hotel workers experimented with and adapted how they organized and governed members and related

to other labor unions Richman follows union fortunes from early IWW activity through the Communist led affiliates of the American Federation of Labor in the 1920s and 1930s the shaping of breakthrough negotiating strategies and the postwar era As Richman shows workers adopted a radicalism and militancy seldom associated with an AFL organization while openly negotiating the Communist Party's power and influence within the union until the Party's eclipse in the 1950s An inspiring story of action and perseverance We Always Had a Union profiles a foundational American labor union and offers lessons for today's workers and organizers

San Francisco Reds Robert W. Cherny, 2024-05-07 Founded in 1919 the Communist Party CP in San Francisco survived an ineffectual early period to become a force in the trade union heyday of the 1930s Robert Cherny uses the lives and careers of more than fifty members to tell the story of the city's CP from its founding through 1958 Cherny draws on FBI files the records of the CP at the Russian State Archive for Social and Political History interviews and memoirs to follow male and female party and union leaders rank and file members and others His history reveals why people joined the CP while charting the frequent changes in policy constant member turnover and disruptive factionalism that limited party aims and successes Cherny also follows his subjects through their resignations expulsions or other reasons for departure and looks at the CP's influence on their lives in subsequent years Vivid and exhaustively researched San Francisco Reds is a long view account of the personal motivations and activism of an Old Left generation in a West Coast city

Henry Wallace's 1948 Presidential Campaign and the Future of Postwar Liberalism Thomas W. Devine, 2013 In the presidential campaign of 1948 Henry Wallace set out to challenge the conventional wisdom of his time blaming the United States and not the Soviet Union for the Cold War denouncing the popular Marshall Plan and calling for an end to segregation In addition he argued that domestic fascism rather than international communism posed the primary threat to the nation He even welcomed Communists into his campaign admiring their commitment to peace Focusing on what Wallace himself later considered his campaign's most important aspect the troubled relationship between non Communist progressives like himself and members of the American Communist Party Thomas W Devine demonstrates that such an alliance was not only untenable but from the perspective of the American Communists undesirable as well

Hard Work Conquers All Michel S. Beaulieu, David K. Ratz, Ronald N. Harpelle, 2017-11-15 Above the entrance to the Finnish Labour Temple in what was once Port Arthur in northern Ontario is the motto labor omnia vincit hard work conquers all Since 1910 these words have reflected the dedication of the Finnish community in Canada Hard Work Conquers All is a social history of Finnish immigration and community building in Canada during the twentieth century Each successive wave of immigration imbued the relationship between people homeland and host country with the politics ideologies and cultural expressions of its time The story of Finns in Canada dovetails with the larger literature on Canadian immigration and enriches the history of socialism and ethnic repression in this country Hard Work Conquers All explores the nuanced cultural identities of Finnish Canadians their continued ties to Finland intergenerational cultural transfer and the community's connections with socialism

and labour movements It offers new interpretations of the lasting influence of Finnish immigration on Canadian politics and society **Pursuing Justice** Gilbert J. Gall,1999-01-01 Examines the career of the nation s most prominent liberal labor lawyer during a period of ascending labor power Pressman was also one of the most prominent underground communists active in American political life from the early New Deal to the beginning of the Cold War

Forging American Communism Introduction

In today's digital age, the availability of Forging American Communism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Forging American Communism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Forging American Communism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Forging American Communism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Forging American Communism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Forging American Communism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Forging American Communism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Forging American Communism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Forging American Communism books and manuals for download and embark on your journey of knowledge?

FAQs About Forging American Communism Books

What is a Forging American Communism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Forging American Communism PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Forging American Communism PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Forging American Communism PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Forging**

American Communism PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with

PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
