Filthy Rags Neil C. Parks, 2011-10-26 Religion The term religion is used by most to describe a person that seeks and strives to work their way into a state of worthiness and acceptance before a Holy God with their goodness and efforts of works put forth as the offering. Sadly enough, religion is not understood by most people and Christians as well. The natural

mind will always rationalize its behavior in hopes it will convince the Creator of the universe to accept the goodness of deeds or overlook the pettiness of mistakes If that is the case then there is no need for the New Testament Bible Grace Grace is unmerited favor or in other words the complete opposite of religion Grace provides forgiveness of every sin with the assurance of no recall Their sins and lawless deeds will be remembered no more Hebrews 10 17 Grace is what has already been done for mankind The payment of the sin debt is too costly for mankind to consider paying The shed Blood of Christ is the only reason we have the forgiveness of sin Without the shedding of His Blood there is no hope **Beyond the Shades of Gray**

Dean Bailey, 2011-12 *Beyond the Shades of Gray* is based upon Christian fundamentals and beliefs It was not written to convince anyone that homosexuality is wrong It was written primarily to assist those who are inwardly convinced that their own homosexuality is wrong for them Over 10 years in the personal journey of its writing the author uses practical applications of Bible scripture throughout the book without religiosity Scripture is used to confront various aspects of this very controversial subject head on Therefore the author makes no apologies for the portions of this book that may seem to be more graphic in nature than your average Christian book Homosexuality is a subject that absolutely needs to be dealt with truthfully and without religious avoidance of difficult topics If you are a person who has ever had doubts or questions about your sexual orientation or behavior then what the author has written here is for you The work contains a wealth of practical biblical principles and also includes information for women But the book is otherwise a work written by a man for other men who also desire freedom and heterosexual restoration from their own unwanted homosexual behaviors What we long for is a deep and heartfelt sense of brotherhood and the author proposes that the real issues behind homosexual behaviors are not about sex God's love always has both a balance of truth and a responsibility that goes along with it In this book I take the same ag p love approach toward homosexuality as Jesus did in the Book of John Chapter 8 with the woman caught in the sin of adultery Jesus showed great love and compassion toward the woman both in the way that he dealt with the hypocritical crowd that had brought her to him and in the way he spoke to her as he sent her on her way and told her Go and sin no more Dean Bailey *Marriage* Rev. Eugene J. Bianchini, 2009-12-09 All marriage relationships to one degree or another have strife Most of the time they are hidden masked or just not shared with our mate the one person who matters the most what has happened This book is scripturally based on what I believe God has shown me over our many years of marriage 45 and our counseling experience How His word is to be applied to the marriage relationship in the various areas husbands and wives find themselves including the children the extended families and our own personal and business lifestyle My hope is to give those struggling hope And some tools that can help them overcome whatever the circumstance problem is The biggest tool of course is God and how much we will allow Him to touch our heart Hopefully we will come to the realization we are to conform to His way and not Him to ours I do believe the problem is not the marriage that needs to be worked on but the husband and wife that must work out their individual issues baggage prior to marriage with counselors

 The Saturday Evening Post ,1994 *Real Life Has No Expiration Date* Bruce Bickel,Stan Jantz,2001 Written primarily for young adults and addressing the widespread fear of failure this volume focuses on the important subject of how readers can learn from and grow as a result of their mistakes *Infinite Wisdom* Sharon Noviss,2012-01-01 Infinite Wisdom gives readers a comprehensive outline of Christian art introducing it in an accessible and compelling manner The text analyses and explains key elements in the work of individual artists both well known and more obscure and is divided into seven chapters each of which is dedicated to a particular artistic movement The progress of Christian art history is charted from its glorious beginnings in the late Roman Empire and the fantastical early medieval period This is followed by discourses on the extraordinary Renaissance years through to the theatrical vitality of the Mannerist and Baroque movements and the eclectic nature of Victorian art The final focus is on the individuality and ingenuity of modern and contemporary art Each artistic enterprise is placed into its contemporary historical and cultural background in the form of key events including widespread persecution the rise of the monastic institutions the Reformation and Counter Reformation The book explains how these events have shaped Christian art history coupled with the secular issues of plague poverty and war Infinite Wisdom is inspired by Eric Newton and William Neil and will appeal to fans of art history Forgiven Roy Lessin,Thomas Blackshear II,1996 *Hunted* Kevin Lewis O'Neill,2019-09-15 It s not a process one pastor insisted rehabilitation is a miracle In the face of addiction and few state resources Pentecostal pastors in Guatemala City are fighting what they understand to be a major crisis Yet the treatment centers they operate produce this miracle of rehabilitation through extraordinary means captivity These men of faith snatch drug users off the streets often at the request of family members and then lock them up inside their centers for months sometimes years Hunted is based on more than ten years of fieldwork among these centers and the drug users that populate them Over time as Kevin Lewis O Neill engaged both those in treatment and those who surveilled them he grew increasingly concerned that he too had become a hunter albeit one snatching up information This thoughtful intense book will reframe the arc of redemption we so often associate with drug rehabilitation painting instead a seemingly endless cycle of hunt capture and release
