The First Urban Christians Wayne A. Meeks, 2003-01-01 Meeks analyzes the letters of Paul to see what kind of people joined the Christian groups in the urban centers and what it was like to be a Christian then **Urban Legends of the New Testament** David A. Croteau, 2015-08-01 Urban Legends of the New Testament surveys forty of the most commonly misinterpreted passages in the New Testament and carefully interprets each text within its literary and historical context

The Mendicants and the Urban Mediterranean, c.1200-1500 Jon Paul Heyne, Austin Powell, 2025-04-22 This volume explores the relationship of mendicant men and women to cities and their inhabitants in the Mediterranean world c 1200 1500 It asks questions including what was specifically urban about the mendicant movement what does it mean to think of the mendicants as an urban phenomenon and was there anything common to mendicant experiences in the cities of the Mediterranean In addressing these questions the volume expands our understanding of the mendicants by offering chapters that examine this religious movement within urban environments from the Iberian Peninsula North Africa Southern France and Italy to the Dalmatian Coast Aegean Islands Egypt and the Levant The chapters treat a wide array of textual artistic and architectural sources to consider how mendicants navigated and negotiated the unique social dynamics of Mediterranean cities in their interactions with political potentates merchants prisoners pilgrims religious and intellectual elites non Christians and inhabitants of the surrounding countryside It thus offers an interdisciplinary and broad survey of mendicancy as a social religious phenomenon of the urban Mediterranean demonstrating that these communities can be defined by much more than their traditionally accepted roles as beggars preachers and teachers Mendicants and the Urban Mediterranean c 1200 1500 will be of interest to scholars and students across multiple disciplines engaged in questions about medieval mendicancy gender urban society inter religious encounters and the Mediterranean Forgiven but Not Forgotten Ambrose Mong, 2020-12-09 This work explores issues of forgiveness and reconciliation in countries that had experienced political conflicts civil war and even genocide It attempts to move beyond mere discussion by examining case studies and the initiatives taken in dialogue and reconciliation In many cases religion can be a force for peace and play a significant role in resolving conflicts This work also examines the relationship between justice and forgiveness emphasizing that there will be no peace without justice and no justice without forgiveness Human justice is fragile Thus respect for rights and responsibilities must include forgiveness in order to heal and restore relationships Christians in South Indian Villages, 1959-2009 John B. Carman, Chilkuri Vasantha Rao, 2014-12-03 This book revisits South Indian Christian communities that were studied in 1959 and written about in Village Christians and Hindu Culture 1968 In 1959 the future of these village congregations was uncertain Would they grow through conversions or slowly dissolve into the larger Hindu society around them John Carman and Chilkuri Vasantha Rao s carefully gathered research fifty years later reveals both the decline of many older congregations and the surprising emergence of new Pentecostal and Baptist churches that emphasize the healing

power of Christ Significantly the new congregations largely cut across caste lines including both high castes and outcastes Dalits Carman and Vasantha Rao pay particular attention to the social political and religious environment of these Indian village Christians including their adaptation of indigenous Hindu practices into their Christian faith and observances

Christian Mission in a Diverse British Urban Context Johnson Ambrose Afrane-Twum,2024-02-01 In the globalized twenty first century there is greater need than ever for intercultural approaches to advancing the gospel in multicultural urban contexts In this book Dr Johnson Ambrose Afrane Twum explores the history of African immigrant churches in the UK Examining the implications of black theology in the context of Britain s multicultural landscape he offers suggestions for how black led churches can partner with white majority churches for greater impact in urban ministry and evangelism Such a partnership he suggests would enable both communities to challenge aspects of their respective cultures and theological approaches recentring both on biblical truth It would also provide a model of Christian mission built on mutual respect and love transforming urban communities through an accessible and unifying gospel General History of the Christian Religion and Church, from the German of Augustus Neander August Neander,1856 *Forgiving and Reconciling* Everett L.

Worthington Jr.,2009-08-20 God calls us to forgive those who have hurt us but that s often easier said than done Combining insights from his professional research and personal experience Everett L Worthington Jr shows what it takes intellectually emotionally spiritually and relationally to move toward and beyond forgiveness and to cross the bridge to reconciliation

Urban Legends of the Old Testament David A. Croteau,Gary Yates,2019-12-01 Urban Legends of the Old Testament surveys forty of the most commonly misinterpreted passages in the Old Testament The Significance of Interpersonal Forgiveness in the Gospel of Matthew Isaac Kahwa Mbabazi,2013-10-21 Isaac Mbabazi makes a major contribution to the field of New Testament by arguing that the relevant Matthean theme of interpersonal forgiveness is quite central to the first Gospel In The Significance of Interpersonal Forgiveness in the Gospel of Matthew he delineates five sets of evidence in support of his argument Beginning with a survey of all Matthean forgiveness and forgiveness related texts he then carries out an in depth exegesis of two key Matthean texts in which the idea of interpersonal forgiveness is explicit Discourse analysis informs his discussion offering valuable insight into Matthew s point of view Mbabazi notes that the forgiveness pattern that emerges from contemporary Greco Roman literature differs remarkably from the pattern found in Matthew where granting forgiveness appears not only as a reasonable act but reluctance or failure to grant it makes the unforgiving person accountable to God **Forgiveness and Reconciliation** Everett L. Worthington, Jr.,2013-05-13 To be unforgiving is

harmful The inability to come to terms with one s anger or strife often can lead to stress disorders mental health disorders and relationship problems Forgiveness is a personal decision Forgiveness and Reconciliation focuses on individual experiences with forgiveness aiming to create a theory of what forgiveness is and connect it to a clinical theory of how to promote forgiveness Dr Worthington creates an evidence based approach that is applicable for individuals and relationships

and even for society He also describes an evidence based method of reconciliation restoring trust in damaged relationships Dr Worthington hopes that this theory will inform scientific research and improve intervention strategies Showing that forgiveness transforms personality Worthington describes ways a clinician can promote but not force forgiveness of others and self He provides research based theory and applications and discusses the role of emotion and specific personality traits as related to forgiveness Forgiveness and reconciliation might not be cures but as Worthington shows they are tools for transforming both the self and the world **General History of the Christian Religion and Church** August

Neander,1865 A Journey through Forgiveness ,2020-05-18 In the present book scholars and activists from a variety of disciplinary perspectives engage each other around the topic of forgiveness They examine its benefits and costs its motives and its limitations The different voices do not sing in unity but by the end of the book you might conclude that some times of beautiful harmony were heard **Handbook of Forgiveness** Everett L. Worthington, Jr.,2007-12-11 There is a need in both public and professional sectors for a deeper and more complete understanding of forgiveness as we are in the author s own words on the threshold of an age of forgiveness and reconciliation And yet despite continued interest and development in the field researchers clinicians practitioners and academics have long been without a comprehensive resource on which to base their work The Handbook of Forgiveness summarizes the state of the science in the research practice and teaching of forgiveness Chapters approach forgiveness and reconciliation from a variety of perspectives drawing on related work in fields such as biology personality social psychology clinical psychology developmental psychology philosophy neuroscience and international political implications The Handbook provides comprehensive treatments of the topic integrating theoretical considerations methodological discussions and practical interventions strategies in order to appeal to researchers clinicians and practitioners This volume is the most up to date and authoritative resource on the understanding of the science of forgiveness The Handbook of Forgiveness has been chosen as a Book of Distinction by Templeton Press *Urban Ministry* Ronald E. Peters,2011-07-01 A comprehensive introduction to the particular challenges and opportunities of congregational ministry in urban settings Urban ministry has long been a part of seminary curricula but a basic and definitive understanding of what students should know as they prepare for congregational ministry in the city has remained elusive Too often it is assumed that the theological resources developed for ministry in other settings are adequate for urban ministry but these resources fail to account for the unique challenges and opportunities of the urban setting Ronald Peters clarifies the nature of urban ministry as a theological discipline by showing how its core values of love justice community and reconciliation among others engage the issues of economics education family life public health ethnic relations and religious life in the urban environment Arguing that the city has always served as an arena of God s activity Peters articulates a theological rationale for urban ministry that is both hopeful and yet realistic affirming that God loves the city and its people and encouraging practitioners to do the same *Home Groups for Urban Cultures* Mikel Neumann,1999 **Ritual and**

Christian Beginnings Risto Uro, 2016-04-29 The rise of early Christianity has been examined from a myriad of perspectives but until recently ritual has been a neglected topic *Ritual and Christian Beginnings A Socio Cognitive Analysis* argues that ritual theory is indispensable for the study of Christian beginnings It also makes a strong case for the application of theories and insights from the Cognitive Science of Religion a field that has established itself as a vigorous movement in Religious Studies over the past two decades Risto Uro develops a socio cognitive approach to the study of early Christian rituals seeking to integrate a social level analysis with findings from the cognitive and evolutionary sciences *Ritual and Christian Beginnings* provides an overview of how ritual has been approached in previous scholarship including reasons for its neglect and introduces the reader to the emerging fields of Ritual Studies and the Cognitive Science of Religion In particular it explores the ways in which cognitive theories of ritual can shed new light on issues discussed by early Christian scholars and opens up new questions and avenues for further research The socio cognitive approach to ritual is applied to a number of test cases including John the Baptist the ritual healing practiced by Jesus and the early Christians the social life of Pauline Christianity and the development of early Christian baptismal practices The analysis creates building blocks for a new account of Christian beginnings highlighting the role of ritual innovation cooperative signalling and the importance of bodily actions for the generation and transmission of religious knowledge

An Ethic for Enemies Donald W. Shriver, 1995 The author of this text examines how former enemies learn to live together in peaceful political association despite their suffering at each other's hands He seeks to reclaim the concept of forgiveness from personal and religious realms and restate its significance in political life

One Teacher John Yueh-Han Yieh, 2012-08-06 A literary critical analysis is embarked to show how Matthew highlights the primacy authority and exclusivity of Jesus' role as the Teacher of God's will and how he features five long discourses in the narrative Two cultural parallels the Teacher of Righteousness and Epictetus are studied for comparison The ways in which they are remembered in the literature and in which they shape the lives of their followers provide proper historical perspectives and useful frames of reference Finally a social historical reading of the three teachers and their followers in the light of pertinent sociological theories sociology of knowledge group formation indicates that Jesus the One Teacher serves four crucial functions for his readers in Matthew's church polemic apologetic didactic and pastoral
