Family Violence Dudley D. Cahn, 2008-01-09 Although the United States has a high level of affluence and education compared to much of the rest of the world neither wealth nor schooling ensures personal safety particularly within the family and home Every ten seconds a child is beaten neglected or molested by his or her own family members and many couples and children can be violent abusive and aggressive towards other family members as well Family Violence focuses on the communication processes that occur before during and after these episodes Contributors to the volume include both established scholars and newcomers to the communication field who use quantitative and qualitative approaches to unravel the complexities of the communication processes that are at the center of violence in families Essays cover a range of topics focusing separately on couples violence and violence between parents and children and through the lens of communication research shed new light on the significant problem of domestic violence in the United States

European Review of Social Psychology: Volume 24 Miles Hewstone, Wolfgang Stroebe, 2017-09-25 The European Review of Social Psychology ERSP is an e first journal published under the auspices of the European Association of Social Psychology ERSP is an international journal which aims to further the international exchange of ideas by providing an outlet for substantial accounts of theoretical and empirical work whose origins may be but need not be European The emphasis of these contributions is on substantial individual programmes of research and on critical assessment of major areas of research as well as on topics and initiatives of contemporary interest and originality All articles published by the European Review whether commissioned by the editors assisted by an international board of established scholars or spontaneously submitted by authors are externally reviewed Publication is subject to a positive outcome of this review process ERSP now in its 24th year is widely accepted as one of the

major international series in social psychology and accessed by all important abstracting and indexing services including the Social Science Citation Index With its e first publishing model it offers authors an opportunity to participate in a well respected publication and to disseminate their ideas quickly while allowing readers the chance to see individual articles as soon as they are completed without waiting for a whole volume or issue to be prepared **Justice in Young Adult**

Speculative Fiction Marek C. Oziewicz,2015-04-17 This book is the first to offer a justice focused cognitive reading of modern YA speculative fiction in its narrative and filmic forms It links the expansion of YA speculative fiction in the 20th century with the emergence of human and civil rights movements with the communitarian revolution in conceptualizations of justice and with spectacular advances in cognitive sciences as applied to the examination of narrative fiction Oziewicz argues that complex ideas such as justice are processed by the human mind as cognitive scripts that scripts when narrated take the form of multiply indexable stories and that YA speculative fiction is currently the largest conceptual testing ground in the forging of justice consciousness for the 21st century world Drawing on recent research in the cognitive and evolutionary sciences Oziewicz explains how poetic retributive restorative environmental social and global types of justice have been represented in narrative fiction from 19th century folk and fairy tales through 21st century fantasy dystopia and science fiction Suggesting that the appeal of these and other nonmimetic genres is largely predicated on the dream of justice Oziewicz theorizes new justice scripts as conceptual tools essential to help humanity survive the qualitative leap toward an environmentally conscious culturally diversified global world This book is an important contribution to studies of children s and YA speculative fiction adding a new perspective to discussions about the educational as well as social potential of nonmimetic genres It demonstrates that the justice imperative is very much alive in YA speculative fiction creating new visions of justice relevant to contemporary challenges **The Role of Memory in Ethnic Conflict** E. Cairns,M.

Roe,2002-12-13 What insights can we gain from the social sciences about the role memory plays in creating or re creating the many conflicts threatening global peace in the twenty first century Indeed can knowledge about the relationship between memory and conflict help resolve intergroup conflicts and heal individual hurts This book presents a series of essays both theoretical and empirical that approach these questions from a variety of disciplines that will highlight a much neglected aspect of one of the major problems facing the world today Reading the Bible, Transforming Conflict Carol J.

Dempsey,Elayne J. Shapiro,2011 An interaction between biblical studies and communication studies that demonstrates how understanding situations of conflict in the Bible can help develop skills in dealing with conflict today Each of eleven chapters presents a biblical story from Adam and Eve through the letters of Paul that examines some aspect of conflict intrapersonal interpersonal or between humans and God Each chapter takes up a particular theme the nature of conflict the role of identity the need for forgiveness the use of power the potential of mediation the skills of negotiation the possibility of reconciliation with the goal of helping students learn how to be in right relationship with one another and with God Each chapter includes

discussion questions suggested readings and sidebars to form an attractive text for undergraduates and general readers
Accessible language and tools to engage students are used throughout
