In 1955 the Museum of Contemporary Crafts opened in New York City. The name was changed to the American Craft Museum and is now called the Museum of Arts & Design. The museum has been the "craft center" of the nation, with numerous exhibits of jewelry held since its inception.

The Cleveland Museum of Art's annual May shows, open to any artist or craftsman born or residing in Ohio's Cuyahoga County (later open to artist living in what was called the Western Reserve—thirteen counties in northeastern Ohio), was of particular importance to mid-20th century enamellist/jewelers because it provided them regional and sometimes national recognition and introduced them to techniques and achievements by other artists in their field. Enamellist Doris Hall began submitting her work as early as the 1930s.<sup>14</sup>

Doris Hall, enamel bowl, 5-1/4" diameter x 5/8" high. Collection of Marbeth Schen, photograph by Marbeth Schen.

Though during World War II, programs at most museums and galleries had slowed considerably, Hall and her husband Kalman Kubinyi exhibited their work in 1944 at the 1030 Gallery on Euclid Avenue in downtown Cleveland. A Cleveland journalist reported, "With that reverence for the art of the past, isn't it just as important to keep our modern art alive and assure our artists of an audience? Our spirits in war-time need the solace that art can give."<sup>15</sup>

In 1951, because of a commitment to encourage and support working contemporary craftsmen, the St. Paul Gallery in St. Paul, Minnesota, initiated its biennial exhibition, *Fibec, Clay, and Metal*. This was the first major exhibit of crafts on the regional level to take place outside of the eastern seaboard.<sup>16</sup>

One of the exhibitors in the 1954 *Fibec, Clay, and Metal* exhibit was Earl Pardon who won a purchase award.
