Formative Assessments Teacher Professional Learning:

Common Formative Assessment Kim Bailey, Chris Jakicic, 2011-10-11 Teams that engage in designing using and responding to common formative assessments are more knowledgeable about their own standards more assessment literate and able to develop more strategies for helping all students learn In this conversational guide the authors offer tools templates and protocols to incorporate common formative assessments into the practices of a PLC to monitor and enhance student learning

Formative Assessments and Teacher Professional Learning Dineke E.H. Tigelaar, Douwe Beijaard, 2017-10-02 How can formative assessment be used as a means to support teacher professional learning This book presents several studies from different countries on approaches to formative assessment of teachers both before they start working and during their careers These approaches draw on insights from studies into effective teacher professional development Together the chapters in this book provide an overview of the various ways in which formative assessment may be used to support teacher professional learning and shed light on choices that can be made in designing such assessments The studies illustrate how teachers may perceive formative assessment methods how their learning processes might unfold during formative assessment processes and which struggles they may have to deal with during the process The book furthermore addresses questions concerning the impact of formative assessments on teacher learning As such this volume provides theoretical as well as practical prospects as well as challenging ideas for how formative assessment may move further towards being an effective means for supporting teacher learning This book was originally published as a special issue of *Teachers and Teaching Theory and Practice*

Formative Assessment in the Disciplines Margaret Heritage, E. Caroline Wylie, 2020 Heritage and Wylie outline a framework for helping teachers develop and extend their competency in enacting discipline based formative assessment practices across the continuum of preservice and professional learning

Common Formative Assessment Kim Bailey, Chris Jakicic, 2012 In *Common Formative Assessment A Toolkit for Professional Learning Communities at Work* authors Kim Bailey and Chris Jakicic argue that real improvement in student achievement can begin when teams tackle the task of writing and implementing common formative assessments They assert that teams that are engaged in designing using and responding to common formative assessments become more knowledgeable about their standards more assessment literate and able to develop more strategies for helping all students learn The authors use a comfortable conversational tone to describe how to create and incorporate common formative assessments into the practices of a PLC to monitor and enhance student learning They provide numerous accessible tools and templates for teams to adjust to suit their own needs and offer protocols with clearly listed steps educators can take to facilitate the formative assessment process Chapter 1 provides an overview of the purpose structure and workings of a professional learning community The authors provide an explanation of how common formative assessments fit into the work of teams Chapter 2 defines common formative assessments and explains where they along with other types of assessments fit

in a balanced assessment system and provides schools with guidelines for designing these systems using assessment data effectively and efficiently Chapter 3 explains how teams can approach the foundational work of identifying and using power standards as the starting point for creating common formative assessments Chapter 4 guides teams through the process of unwrapping their power standards to reveal clear learning targets for instruction and formative assessment Using a seven step process chapter 5 focuses on how to develop and design assessments for learning targets in a way that will provide accurate data and clear information to teachers and students Chapter 6 provides tools and outlines steps for creating pacing guides and designing unit plans that respond to and incorporate assessments Chapter 7 contains protocols teams can use to gather organize and analyze data in a way that will best enable them to identify students needs Chapter 8 explores ways that teachers can involve students in the assessment process and encourage students to assume ownership of their own learning Chapter 9 addresses how teams can continue to improve stay motivated and sustain their efforts **Advancing Formative**

Assessment in Every Classroom Connie M. Moss,Susan M. Brookhart,2010-10-04 Formative assessment is one of the best ways to increase student learning and enhance teacher quality But effective formative assessment is not part of most classrooms largely because teachers misunderstand what it is and don t have the necessary skills to implement it In this practical guide for school leaders authors Connie M Moss and Susan M Brookhart define formative assessment as an active continual process in which teachers and students work together every day every minute to gather evidence of learning always keeping in mind three guiding questions Where am I going Where am I now What strategy or strategies can help me get to where I need to go Chapters focus on the six elements of formative assessment 1 sharing learning targets and criteria for success 2 feedback that feeds forward 3 student goal setting 4 student self assessment 5 strategic teacher questioning and 6 engaging students in asking effective questions Using specific examples based on their extensive work with teachers the authors provide Strategic talking points and conversation starters to address common misconceptions about formative assessment Practical classroom strategies to share with teachers Ways to model the elements of formative assessment in conversations with teachers about their professional learning What if scenarios and advice for how to deal with them and Questions for reflection to gauge understanding and progress As Moss and Brookhart emphasize the goal is not to do formative assessment but to embrace a major cultural change that moves away from teacher led instruction to a partnership of intentional inquiry between student and teacher with better teaching and learning as the outcome Formative
