and Values is a comprehensive exploration and assessment of current and future issues facing social work practice and education. It is the first book to codify ethical practices for social workers from across the globe and in myriad workplace settings. Each section meaningfully captures this complex subject area: ethics, large visions of diverse values, abortion, relationship and gender issues, micro and mezzo practice settings, social work education, technological issues, spirituality, globalism, economic issues, special topics. Leaving no stone unturned, this handbook comprehensively addresses the most controversial topics in an evenhanded manner. Among professional social workers, values and ethics traverse political boundaries, cultural identifications, and languages. This handbook will help to make sense of this unity within diversity. With contributions from the world's leading scholars, this book will be a valuable resource for all social work students, academics, researchers, and practitioners who seek a coherent and objective analysis in the abstract arena of ethics and values.

**Community Services Intervention** Vera Lloyd, 2020-07-16 Community Services Intervention provides a comprehensive introduction to the theory, models, and principles of practice for direct social casework. It introduces the history and context of professional practice, provides a step-by-step guide to the key skills, demonstrates how theory supports intervention processes, and outlines how to work with other professionals to assist clients to achieve best possible outcomes. Reflecting the broad spectrum of casework settings and the need to take client diversity into account, it addresses community care for the aged, people with a disability, people with mental health issues, acute health settings, injury management, and insurance, correctional services, court systems, child and youth welfare, drug and alcohol work, at-risk populations in schools, managed care, and employment programs. With case studies, reflective practice questions, and templates for reports and assessments, Community Services Intervention is an ideal introductory student text. Good practical advice that expands on theoretical approaches, a fantastic learning resource. Sue Welwyn Kelly, community consultant and VET educator, Queensland. The evidence base in all areas of the content is thorough, well-grounded in theory, and clearly articulated throughout this useful and practical text.

Dianne Sutherland, TAFE NSW Riverina Institute. **Protecting and Promoting Client Rights** Krystal Schaffer, 2020-11-13 Protecting and Promoting Client Rights examines the inherent tensions within the family assessor role when there is no overarching compulsory regulatory body in social work. The book highlights why it is necessary to understand how social workers adhere to social work standards of practice within a family assessor role. AASW 2018. It explores how social workers who undertake the role of forensic family assessors can meet the expected AASW Standards of Practice while also protecting and promoting the rights of their family court clients. Presents the qualifications, training, tools, and processes used by family assessors. Examines the challenges social workers encounter when applying the standards for practice, including application of knowledge to practice, values, ethics, and professionalism.
