Forgery in Christianity Joseph Wheless,2017-02-14 Forgery in Christianity is Joseph Wheless s vociferous and incendiary critique of Christianity and the figure of Jesus Christ In firm opposition of Christian dogma Joseph Wheless would author several books and essays on the subject of religions with particular scorn reserved for the Christian faith Wheless s systematic identification of what he viewed as flaws contradictions and forgeries present in the religion are presented to the reader in an attempt to persuade and undermine Christianity as a credible entity worthy of belief In contrast to the accepted scholarly views of his time Wheless was particularly opposed to the idea that Jesus Christ existed To this end large tracts of this book are devoted to disproving the existence of Christ positing that Christ himself was a myth created by the early figures of Christianity to further the establishment of the faith and its guiding principles among early believers Born in Tennessee it was with humour and withering sarcasm that Joseph Wheless mounted his opposition to the Christian faith Somewhat notorious in the religious Deep South Wheless nevertheless became a successful lawyer noted for his passionate defenses of atheistic and free thinking organizations Born Methodist it was when he applied lawyerly scrutiny to the gospel documents and their sources that he became firmly convinced of their falsehood **Forgery in Christianity** Joseph Wheless,2013-10 This is a new release of the original 1930 edition **Forgery in Christianity** Joseph Wheless,1992

Forgery in Christianity Joseph Wheless,2007-03-01 Incendiary in its passion and irrefutable in its evidence this classic of atheistic literature condemns Christianity as superstition and wishful thinking rooted in early paganism sourced by anonymous fables and promoted by self serving men seeking worldly riches and power Raging against the blatant manipulations of the early Church and the antiscience agenda of the modern Church American writer JOSEPH WHELESS 1868 1950 takes on everything from faked relics and the holy mummery of stigmatics and other dramatic mystics to the priestly terrorism of the Crusades the Inquisition and the Church s historical intolerance This is an absolute must read for anyone looking for ammunition to counter the argument that the longevity of Christianity is evidence of its legitimacy ALSO AVAILABLE FROM COSIMO Wheless s Is It God s Word Forgery in Christianity Joseph Wheless,1999-09 This is a new release of the original 1930 edition **Forgery in christianity, by joseph wheless** Joseph Wheless,1930 *Forgery and Counter-forgery* Bart D. historian Josephus Judean Antiquities has been assumed to be a critical source for valid extra biblical evidence pertaining to the existence of the historical Jesus James the Just and John the Baptist Based on the latest findings from both contemporary and independent research this book sets out step by step the final proof that apart from the New Testament there is absolutely no valid record pertaining to the historical existence of any of these individuals **Forged** Bart D.

Ehrman,2011-03-22 Bart D Ehrman the New York Times bestselling author of Jesus Interrupted and God's Problem reveals which books in the Bible's New Testament were not passed down by Jesus's disciples but were instead forged by other hands and why this centuries hidden scandal is far more significant than many scholars are willing to admit A controversial work of historical reporting in the tradition of Elaine Pagels Marcus Borg and John Dominic Crossan Ehrman's Forged delivers a stunning explication of one of the most substantial yet least discussed problems confronting the world of biblical scholarship

*The Truth Seeker* ,1893 **Christianity Uncovered** Hugh Fogelman,2012-05-31 Many Christians have told me to quit being so nit picking and let by gone be be gones that what happened in the past was then and now is now and things have changed But that is not true Christians still read from their so called NEW testament that is full of Jew bashing so subliminal that most Christians overlook it It is not my desire to claim Christianity is wrong and that you should not believe in your god but I want people to think Perhaps what you have been led to believe is wrong Think Why is it wrong for a Christian to deny the divinity of Jesus yet why do Christians turn their blind eye to Christians Missionaries trying to convert Jews against the basic tenants of Judaism Why is it that most all pictures of the different characters in Christianity have a sun disk above their heads The Church made its own spin on this calling them halos but didn't the Church change Sabbath to Sunday the day of the sun Who actually wrote the Christian bible that Christians all over the world swear it The Church admits they really don't know for sure and only guessed Did Jesus write anything in the NEW testament or was his thoughts written by men who thought they knew Why did it take 2 000 years before the Pope acknowledged the Christian hatred towards Jews and the need for Christians to repent Why all of a sudden were the Church wrong and the Jews right Is Christianity a Forgery?

Kenneth Ffarington Bellairs,1895 **Fan Fiction and Early Christian Writings** Tom de Bruin,2024-05-16 What can contemporary media fandoms like Anne Rice Star Wars Batman or Sherlock Holmes tell us about ancient Christianity Tom de Bruin demonstrates how fandom and fan fiction are both analogous and incongruous with Christian derivative works The often disparaging terms applied to Christian apocrypha and pseudepigrapha such as fakes forgeries or corruptions are not sufficient to capture the production consumption and value of these writings De Bruin reimagines a range of early Christian works as fan practices Exploring these ancient texts in new ways he takes the reader on a journey from the fix it fic endings

of the Gospel of Mark to the subversive fan fictions of the Testaments of the Twelve Patriarchs and from the densely populated storyworld of early Christian art to the gatekeeping of Christian orthodoxy Using theory developed in fan studies De Bruin revisits fundamental questions about ancient derivative texts Why where they written How do they interact with more established texts In what ways does the consumption of derivative works influence the reception of existing traditions And how does the community react to these works This book sheds exciting and new light on ancient Christian literary production consumption and transmission *Key Christian Issues: A Critical Analysis* Apostle Robert Muli,2013-12-01 This book addresses key Christian issues It covers in a fundamental way those issues and leaves room for the reader to research more about them The biblical principles taught hereinafter remain the same forever no matter whether new information or issues become available or not Addressed issues include revelation inspiration and authority the Christian and culture reasons to have confidence in the biblical text how to use critical analysis in the study of the four gospels synoptic gospels what one learns from them and how one may use them today Jesus Old Testament theology New Testament theology the Church yesterday and today and the New Testament and contemporary life The addressed issues are critically analyzed through a series of persuasive essays Each essay forms a chapter in the book This book is a must read for those desiring a solid foundation in the things of God This book is also available as an ebook at Smashwords and other online markets
